INTRODUCTION

The Canadian Centre for Health Information, formerly the Health Division of Statistics Canada, began collecting information on residential care facilities in 1974 using an address list from Health and Welfare Canada based facilities receiving benefits from the Canada Assistance Plan (CAP). Statistics Canada has expanded this inventory. It now includes as the target universe, all residential care facilities in Canada. Annually, provinces and territories are requested to update the inventory of residential care facilities held at Statistics Canada. This inventory is produced annually as the "List of Residential Care Facilities".

The term "residential care facilities" refers to facilities which are approved, funded or licensed by provincial/territorial departments of health and/or social services. Among the facilities included are homes for the aged (including nursing homes), physically handicapped, mentally handicapped, developmentally delayed, psychiatrically disabled, facilities for clients with alcohol and drug problems, for emotionally disturbed children, transients, delinquents, shelters for families in crisis (victims of family violence) and others.

Le Centre canadien d'information sur la santé de Statistique Canada, anciennement appelé Division de la santé, a commencé un répertoire sur les établissements de soins pour bénéficiaires internes en 1974 à l'aide d'une liste d'adresses établie par Santé et Bien-être social Canada, sur laquelle figuraient les coordonnées des établissements recevant des indemnités du Régime d'assistance publique du Canada (RAPC). Statistique Canada a élargi ce répertoire dont l'univers cible comprend maintenant tous les établissements de soins pour bénéficiaires internes du Canada. Chaque année, les provinces et les territoires sont invités à mettre à jour le répertoire des établissements de soins pour bénéficiaires internes dont Statistique Canada assure la tenue. Il s'agit là d'un répertoire annuel intitulé "Liste des établissements de soins pour bénéficiaires internes".

On entend par "établissements de soins pour bénéficiaires internes" les établissements agréés, subventionnés ou titulaires d'un permis délivré par les ministères provinciaux ou territoriaux de la Santé ou des Services sociaux. Ces établissements regroupent les résidences (maisons de repos comprises) pour les personnes âgées, les personnes souffrant d'un handicap physique ou mental, les handicapés développementaux, les personnes souffrant de troubles psychiques, les alcooliques et les toxicomanes, les enfants souffrant de troubles émotifs, les personnes itinérantes, les délinquants, les familles en situation de crise (victimes de violence familiale) ainsi que d'autres bénéficiaires.

Some of these facilities (homes for the aged, most facilities for the physically handicapped, developmentally delayed and psychiatrically disabled) generally are maintained for people chronically ill or disabled who reside there more or less permanently, in contrast to, for example, a hospital where patients are accommodated on the basis of medical need and are provided with continuing medical care and supporting diagnostic and therapeutic services. Generally residential care facilities provide a level of care that is below hospitals, although there is some overlap. Some psychiatric institutions are included in the inventory of residential care facilities. The remainder are included in the inventory of hospitals and complete the Annual Return of Health Care Facilities - Hospitals.

The remainder of residential care facilities (emotionally disturbed children, alcohol and drug problems, delinquents, transients and others (including families in crisis) provide shelter for a shorter period of time often providing a program of service.

Residential care facilities in this List are listed alphabetically according to municipality. In this document, only RESIDENTIAL Care Facilities are included which maintain four or more beds for residents and which provide care (including counselling) to at least one resident.

Certains établissements (les foyers pour les personnes âgées et la plupart des établissements pour les personnes souffrant d'un handicap physique, les handicapés développementaux et les personnes atteintes de troubles psychiques) s'adressent en général à des malades chroniques ou à des personnes handicapées qui y résident plus ou moins en permanence, par opposition par exemple aux hôpitaux où les patients sont accueillis pour des raisons de santé et reçoivent en permanence des soins médicaux et des services diagnostiques et thérapeutiques à l'appui. En général, les soins dispensés par les établissements pour bénéficiaires internes se situent à un niveau inférieur à celui des services offerts par les hôpitaux, bien qu'il y ait un certain chevauchement. Certains établissements psychiatriques figurent dans le répertoire des établissements de soins pour bénéficiaires internes. Les autres établissements sont inscrits dans le répertoire des hôpitaux et ils remplissent le Rapport annuel des établissements de santé - hôpitaux.

Quant aux autres établissements de soins pour bénéficiaires internes (enfants souffrant de troubles émotifs, alcooliques et toxicomanes, délinquants, personnes itinérantes et autres, y compris les victimes de violence familiale), ils accueillent les bénéficiaires pendant une période plus courte et dispensent souvent un programme de services.

Les établissements de soins pour bénéficiaires internes de la Liste sont en ordre alphabétique selon la municipalité. Dans le document, on retrouve uniquement les établissements de soins pour BÉNÉFICIAIRES INTERNES qui ont quatre lits ou plus pour ce type de bénéficiaires et qui offrent des soins (y compris des services d'assistance socio-psychologique) à au moins un bénéficiaire.

This list of facilities is used as the survey frame for the Survey of Residential Care Facilities. This survey collects data related to the residents, personnel and finances of these facilities. The data are compiled by province, principal characteristics characteristic of the predominant group of resident, type of care and bed size of the facility.

Definitions

Ownership refers to the person, group of persons, agency or corporate body who is the registered owner according to the deed.

1. **Proprietary (prop)** applies to a facility owned by an individual. It also applies to private organizations and/or corporations operating for a profit.
2. **Religious (rel)** applies to a facility owned and operated by a religious organization on a non-profit basis.
3. **Lay** applies to a facility owned and operated by a voluntary lay body on a non-profit basis. This category excludes facilities maintained by industrial or commercial corporations (see proprietary).
4. **Municipal (mun)** applies to a facility owned and operated by a city, county, municipality or other municipal government, or by another body which is empowered to levy taxes or to otherwise operate after the fashion of a municipality.

La Liste des établissements sert de base de sondage à l'enquête sur les établissements de soins pour bénéficiaires internes. Cette enquête permet de réunir des données sur les bénéficiaires, les employés et les finances des établissements concernés. Les données sont réunies selon la province, les principales caractéristiques du groupe prédominant de bénéficiaires, le type de soins et le nombre de lits de l'établissement.

Définitions

Propriété - il s'agit de la personne ou du groupe de personnes, de l'organisme ou de la personne morale qui sont les propriétaires autorisés de l'établissement en vertu du contrat.

3. **Laïque** s'applique à un établissement détenu et exploité par un organisme bénévole laïque à des fins non lucratives. Cette catégorie exclut les établissements administrés par des sociétés industrielles ou commerciales (voir établissement à but lucratif).
4. **Municipal (mun)** désigne un établissement détenu et exploité par une ville, un comté, une municipalité ou toute autre administration municipale, ou par une autre personne morale habilitée à percevoir des impôts ou à exercer une activité au même titre qu'une municipalité.

6. **Federal (fed)** applies to a facility operated by a department or agency of the Government of Canada, e.g. Veterans' Affairs, Health and Welfare Canada or National Defence.

Changes in Concepts and Methodology over Time

The inventory was begun in 1974 is updated annually for reference date April 1.

In 1985/86 in consultation with the National Clearing House on Family Violence it was decided to add transition homes to the inventory of residential care facilities. These were already included in most provinces where there was a requirement for these kinds of facilities to be licensed with the provincial department of social services. The inventory from Health and Welfare Canada was used to complete the inventory at Statistics Canada. In the 1985/86 Return a category "families in crisis" was added to Section G. "Principal characteristics of resi-

Enfants souffrant de troubles émotifs - enfants qui ont des troubles de comportement nécessitant un traitement spécialisé.

Alcooliques/toxicomanes - bénéficiaires ayant besoin d'un traitement pour surmonter des problèmes d'alcoolisme ou de toxicomanie.

Délinquants/jeunes contrevenants - jeunes personnes dont la conduite est contraire à la loi. L'accent est mis sur la mésadaptation sociale plutôt que sur l'intention de commettre un délit.

Autres - comprend les bénéficiaires qui n'entrent dans aucune autre catégorie, p. ex. les mères célibataires, les femmes battues et leurs enfants, les enfants ayant besoin d'un gîte qui ne sont inclus dans aucune autre catégorie, etc.

Changements relatifs aux concepts et à la méthodologie

On a commencé à dresser le répertoire en 1974; il est mis à jour tous les ans et la date de référence en est le 1^{er} avril.

En 1985-1986, en collaboration avec le Centre national d'information sur la violence dans la famille, il a été convenu d'inscrire les maisons de transition dans le répertoire des établissements de soins pour bénéficiaires internes. Ces établissements étaient déjà pris en considération dans la plupart des provinces où il était obligatoire que ce type d'établissement soit autorisé par le ministère provincial des Services sociaux. Le répertoire de Santé et Bien-être social Canada a servi à dresser le répertoire de Statistique Canada. Dans le rapport de 1985-1986,

dents". This cell was removed for 1988/89 and to "Others" was added "(including families in crisis)".

La catégorie "victimes de violence familiale" a été ajoutée à la section G, "Caractéristiques principales des bénéficiaires". Cette cellule a été supprimée du questionnaire de 1988-1989 et la catégorie "Autres (y compris les victimes de violence familiale)" a été ajoutée.

THE NEWS BEHIND THE NUMBERS

The 1986 Census Data Base collected the numbers on Canadians - but what do they mean to you? The *FOCUS ON CANADA* Series analyses the issues that emerged from the Census results, in an easy-to-read style.

FOCUS ON CANADA looks at the issues affecting Canada's seniors and its youth, its ethnic and aboriginal communities; its regions in the far north and the industrial south.

And there's much more to keep you informed - and enlightened. Each publication is bilingual, and costs \$10 in Canada (US\$11 in other countries). Order the full set of 16 for a comprehensive reference tool for home, school or office.

CE QUI SE CACHE DERRIÈRE LES CHIFFRES

La base de données du recensement de 1986 renferme des chiffres sur les Canadiens. Mais que signifient-ils? La série *LE CANADA À L'ÉTUDE* analyse les questions qui proviennent des résultats du recensement, et ce, dans un style accessible.

LE CANADA À L'ÉTUDE examine les questions qui touchent les personnes âgées et les jeunes, les groupes ethniques et les autochtones, les régions éloignées du Grand Nord et la région industrialisée du sud du Canada.

De plus, cette série vous informe et vous éclaire grâce à d'innombrables autres renseignements. Chaque publication est bilingue et se vend 10 \$ au Canada (11 \$ US à l'étranger). Commandez l'ensemble des 16 publications de façon à obtenir un outil de référence par excellence pour la maison, l'école ou le bureau.
