### Note of Appreciation

*Canada owes the success of its statistical system to  
a long-standing cooperation involving Statistics  
Canada, the citizens of Canada, its businesses,  
governments and other institutions. Accurate and  
timely statistical information could not be produced  
without their continued cooperation and goodwill.*

### Note de reconnaissance

*Le succès du système statistique du Canada repose  
sur un partenariat bien établi entre Statistique Canada  
et la population, les entreprises, les administrations  
canadiennes et les autres organismes. Sans cette  
collaboration et cette bonne volonté, il serait impossible  
de produire des statistiques précises et actuelles.*

## INTRODUCTION

The collection of data on residential care facilities began with an inventory in 1974 using an address list from Health Canada based facilities receiving benefits from the Canada Assistance Plan (CAP). Statistics Canada has expanded this inventory. It now includes as the target universe, all residential care facilities in Canada. Annually, provinces and territories are requested to update the inventory of residential care facilities held at Statistics Canada. **This inventory is produced annually as the "List of Residential Care Facilities".**

The term "residential care facilities" refers to facilities which are approved, funded or licensed by provincial/territorial departments of health and/or social services. Among the facilities included are homes for the aged (including nursing homes), physically handicapped, developmentally delayed, psychiatrically disabled, facilities for clients with alcohol and drug problems, for emotionally disturbed children, transients, delinquents, and others.

Some of these facilities (homes for the aged, most facilities for the physically handicapped, developmentally delayed and psychiatrically disabled) generally are maintained for people chronically ill or disabled who reside there more or less permanently, in contrast to, for example, a hospital where patients are accommodated on the basis of medical need and are provided with continuing medical care and supporting diagnostic and therapeutic services. Generally residential care facilities provide a level of care that is below hospitals, although there is some overlap. Some psychiatric institutions are included in the inventory of residential care facilities. The remainder are included in the inventory of hospitals and complete the Annual Return of Health Care Facilities - Hospitals.

La collecte de données sur les établissements de soins pour bénéficiaires internes en 1974 à l'aide d'une liste d'adresses établie par Santé Canada, sur laquelle figuraient les coordonnées des établissements recevant des indemnités du Régime d'assistance publique du Canada (RAPC). Statistique Canada a élargi ce répertoire dont l'univers cible comprend maintenant tous les établissements de soins pour bénéficiaires internes du Canada. Chaque année, les provinces et les territoires sont invités à jour le répertoire des établissements de soins pour bénéficiaires internes dont Statistique Canada assure la tenue. **Il s'agit là d'un répertoire annuel intitulé "Liste des établissements de soins pour bénéficiaires internes".**

On entend par "établissements de soins pour bénéficiaires internes" les établissements agréés, subventionnés ou titulaires d'un permis délivré par les ministères provinciaux ou territoriaux de la Santé ou des Services sociaux. Ces établissements regroupent les résidences (maisons de repos comprises) pour les personnes âgées, les personnes souffrant d'un handicap physique, les handicapés développementaux, les personnes souffrant de troubles psychiques, les alcooliques et les toxicomanes, les enfants souffrant de troubles émotifs, les personnes itinérantes, les délinquants, ainsi que d'autres bénéficiaires.

Certains établissements (les foyers pour les personnes âgées et la plupart des établissements pour les personnes souffrant d'un handicap physique, les handicapés développementaux et les personnes atteintes de troubles psychiques) s'adressent en général à des malades chroniques ou à des personnes handicapées qui y résident plus ou moins en permanence, par opposition par exemple aux hôpitaux où les patients sont accueillis pour des raisons de santé et reçoivent en permanence des soins médicaux et des services diagnostiques et thérapeutiques à l'appui. En général, les soins dispensés par les établissements pour bénéficiaires internes se situent à un niveau inférieur à celui des services offerts par les hôpitaux, bien qu'il y ait un certain chevauchement. Certains établissements psychiatriques figurent dans le répertoire des établissements de soins pour bénéficiaires internes. Les autres établissements sont inscrits dans le répertoire des hôpitaux et ils remplissent le Rapport annuel des établissements de santé - hôpitaux.

The remainder of residential care facilities (emotionally disturbed children, alcohol and drug problems, delinquents, transients and others) provide shelter for a shorter period of time often providing a program of service.

Residential care facilities in this List are listed alphabetically according to municipality. In this document, only RESIDENTIAL Care Facilities are included which maintain four or more beds for residents and which provide care (**including counselling**) to at least one resident.

This list of facilities is used as the survey frame for the Survey of Residential Care Facilities. This survey collects data related to the residents, personnel and finances of these facilities. The data are compiled by province, principal characteristics of the predominant group of resident, type of care and bed size of the facility.

## Definitions

**Ownership** refers to the person, group of persons, agency or corporate body who is the registered owner according to the deed.

1. **Proprietary (prop)** applies to a facility owned by an individual. It also applies to private organizations and/or corporations operating for a profit.
2. **Religious (rel)** applies to a facility owned and operated by a religious organization on a non-profit basis.
3. **Lay** applies to a facility owned and operated by a voluntary lay body on a non-profit basis. This category excludes facilities maintained by industrial or commercial corporations (see proprietary).

Quant aux autres établissements de soins pour bénéficiaires internes (enfants souffrant de troubles émotifs, alcooliques et toxicomanes, délinquants, personnes itinérantes et autres, ils accueillent les bénéficiaires pendant une période plus courte et dispensent souvent d'un programme de services.

Les établissements de soins pour bénéficiaires internes **de la Liste** sont en ordre alphabétique selon la municipalité. Dans le document, on retrouve uniquement les établissements de soins pour BÉNÉFICIAIRES INTERNES qui ont quatre lits ou plus pour ce type de bénéficiaires et qui offrent des soins (**y compris des services d'assistance sociopsychologique**) à au moins un bénéficiaire.

La Liste des établissements sert de base de sondage à l'enquête sur les établissements de soins pour bénéficiaires internes. Cette enquête permet de réunir des données sur les bénéficiaires, les employés et les finances des établissements concernés. Les données sont réunies selon la province, les principales caractéristiques du groupe prédominant de bénéficiaires, le type de soins et le nombre de lits de l'établissement.

### **Changes in Concepts and Methodology over Time**

The inventory was begun in 1974 is updated annually for reference date April 1.

In 1985/86, in consultation with the National Clearing House on Family Violence it was decided to add transition homes to the inventory of residential care facilities.

As of April 1, 1991 transition homes are no longer included with Residential Care Facilities. They are currently listed separately and form the survey frame for the Transition Home Survey.

Beginning on April 1, 1990 there was a significant change in the method of reporting for Alberta auxiliary hospitals. At that date, in response to a Provincial move towards integration of nursing homes and auxiliary hospitals, these hospitals came under the Long Term Care Branch. The data for these facilities, as well as that for auxiliary beds formerly in public general hospitals, will now be included in the Residential Care Facilities Survey data file. This change results in an increase of approximately 5,000 beds in the List of Residential Care Facilities and a corresponding decrease in the List of Hospitals for the same period.

**Enfants souffrant de troubles émotifs** - enfants qui ont des troubles de comportement nécessitant un traitement spécialisé.

**Alcooliques/toxicomanes** - bénéficiaires ayant besoin d'un traitement pour surmonter des problèmes d'alcoolisme ou de toxicomanie.

**Délinquants/jeunes contrevenants** - jeunes personnes dont la conduite est contraire à la loi. L'accent est mis sur la mésadaptation sociale plutôt que sur l'intention de commettre un délit.

**Autres** - comprend les bénéficiaires qui n'entrent dans aucune autre catégorie, p. ex. les mères célibataires, les enfants ayant besoin d'un gîte qui ne sont inclus dans aucune autre catégorie, etc.

### **Changements relatifs aux concepts et à la méthodologie**

On a commencé à dresser le répertoire en 1974; il est mis à jour tous les ans et la date de référence en est le 1<sup>er</sup> avril.

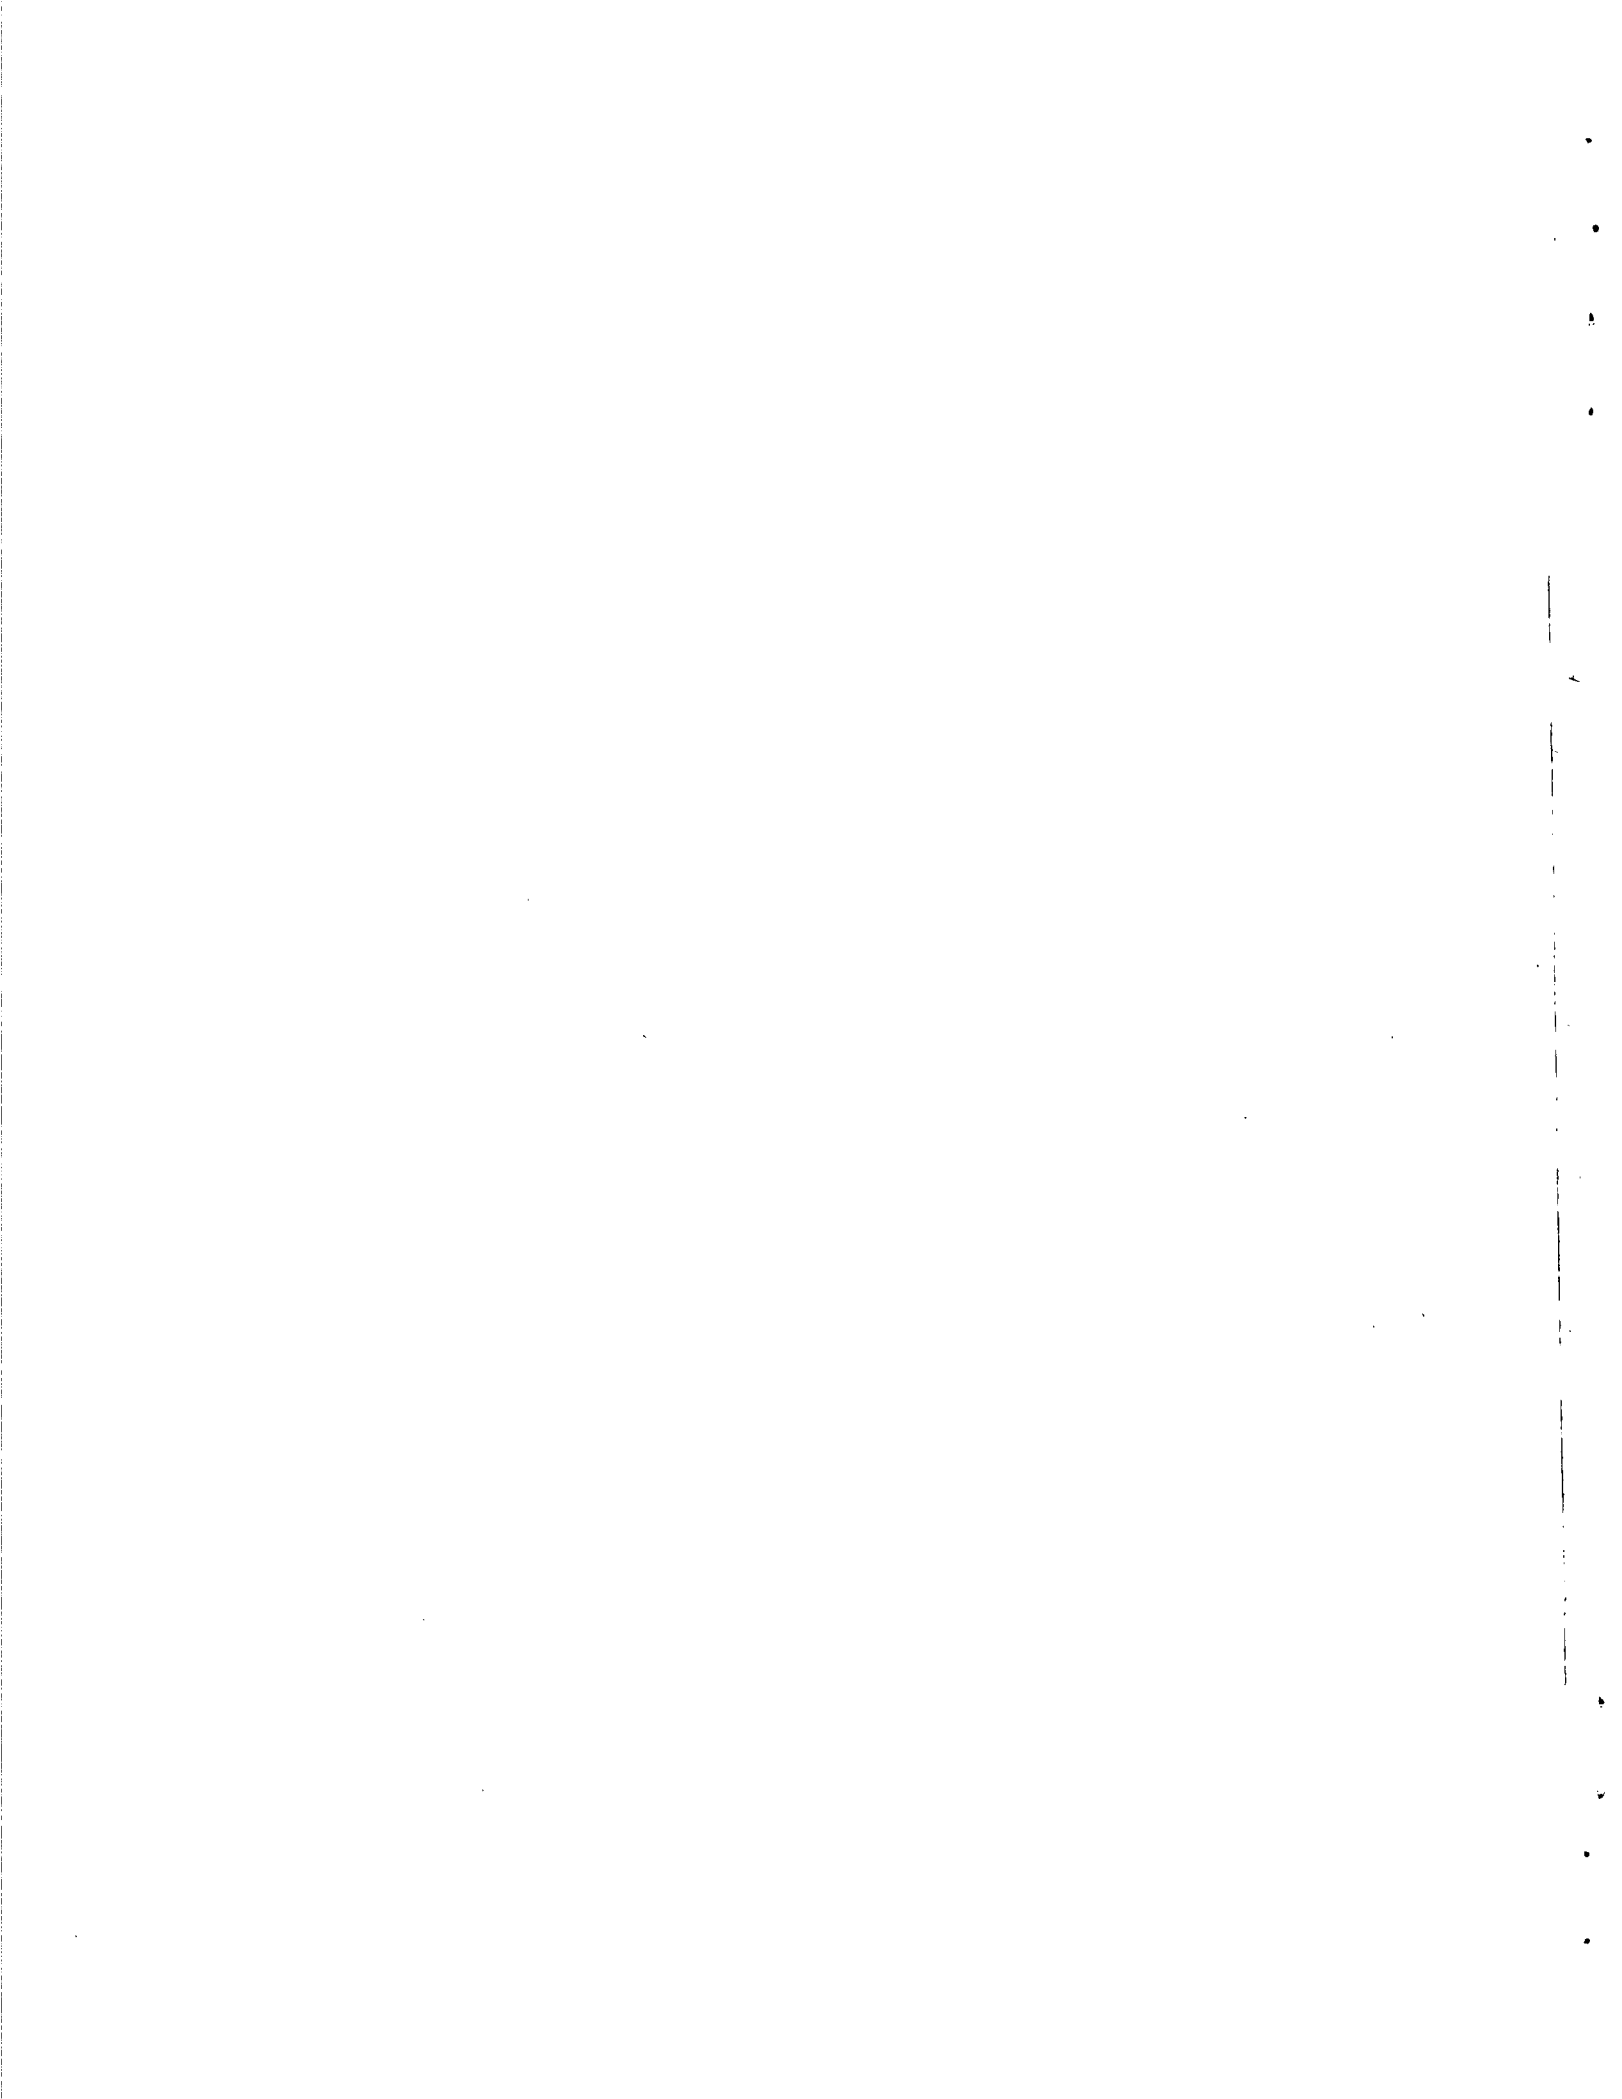

En 1985-1986, il a été décidé, en consultation avec le Centre national d'information sur la violence dans la famille, d'ajouter les maisons d'hébergement pour femmes violentées au répertoire des établissements de soins pour bénéficiaires internes.

Les maisons d'hébergement pour femmes violentées ne sont toutefois plus assimilées aux établissements de soins pour bénéficiaires internes. En effet, depuis le 1<sup>er</sup> avril 1991, elles ont leur propre répertoire, qui constitue la base de sondage de l'Enquête sur les maisons d'hébergement pour femmes violentées.

Le 1<sup>er</sup> avril 1990, une importante modification a été apportée à la méthode de déclaration utilisée pour les hôpitaux auxiliaires de l'Alberta. Depuis cette date, en raison du mouvement provincial d'intégration des foyers de soins infirmiers et des hôpitaux auxiliaires, ces derniers relèvent de la Direction des soins de longue durée. Les données concernant ces hôpitaux, ainsi que celles sur les lits auxiliaires se trouvant auparavant dans les hôpitaux généraux publics, seront dorénavant intégrées au fichier de données du Rapport des établissements de soins pour bénéficiaires internes. Cette modification entraîne l'ajout de quelque 5 000 lits dans la liste des établissements de soins pour bénéficiaires internes et une baisse correspondante dans la liste des hôpitaux pour la même période.

As of April 1, 1993 Ontario long term psychiatric hospitals are no longer included in this list. They are now in the List of Canadian Hospitals.

Les hôpitaux psychiatrique de soins prolongés, situé en Ontario, ne sont toutefois plus assimilées dans cette liste, depuis le 1<sup>er</sup> avril 1993; elles sont inclus dans la Liste des hôpitaux canadiens.

# CANADA A PORTRAIT

A CELEBRATION  
OF OUR GREAT NATION

# UN PORTRAIT DU CANADA

POUR CÉLÉBRER LA  
GRANDEUR DE NOTRE PAYS

Canada challenges the imagination. Imagine a country where Newfoundlanders live closer to Africans than they do to fellow Canadians in British Columbia. Or a country with an island that has a glacier bigger than Ireland. Imagine a country with two million lakes, and the world's longest coastline – but that shares a border with only one nation.

Statistics Canada has created the 54th edition of **Canada: A Portrait** as a celebration of our great nation. Drawn from Statistics Canada's rich palette of national data, it paints a picture of where we are socially, economically, culturally and politically.

Over 60 unique and beautiful photographs combined with lively text, provide a close-up look at the Canada of today.

Experience this land's remarkable natural regions and diverse human landscape through six chapters entitled: **This Land, The People, The Society, Arts and Leisure, The Economy, and Canada in the World.**

Eminent Canadians such as astronaut Roberta Bondar, former hockey star Jean Béliveau, and writer W.O. Mitchell have contributed their personal visions of Canada.

**Canada: A Portrait** is a beautiful illustration of the Canada of today.

Presented in a 30 cm X 23 cm (12 1/4" X 9") format, prestige hardcover, with over 200 pages, **Canada: A Portrait** (Catalogue No. 11-403E) is available in Canada for \$38.00 plus GST, US \$41.95 in the United States, and US \$48.95 in other countries.

To order write **Statistics Canada, Publications Sales, Ottawa, Ontario, K1A 0T6** or contact the nearest Statistics Canada Regional Reference Centre listed in this publication. Le Canada est un pays qui défie l'imagination. Imaginez un pays où les Terre-Neuviens vivent plus près des Africains que de leurs compatriotes de la Colombie-Britannique. Un pays où se trouve une île sur laquelle s'étend un glacier plus grand que l'Irlande. Imaginez un pays qui compte 2 millions de lacs et le plus long littoral du monde, et pourtant un seul voisin.

Statistique Canada a créé la 54<sup>e</sup> édition d'**Un portrait du Canada** pour célébrer la grandeur de notre pays. C'est à partir du riche éventail de données nationales de Statistique Canada que l'on a brossé ce tableau de notre situation sociale, économique, culturelle et politique.

Plus de 60 magnifiques photos, mariées à un texte vivant, offrent une vision claire et détaillée de ce qu'est le Canada d'aujourd'hui.

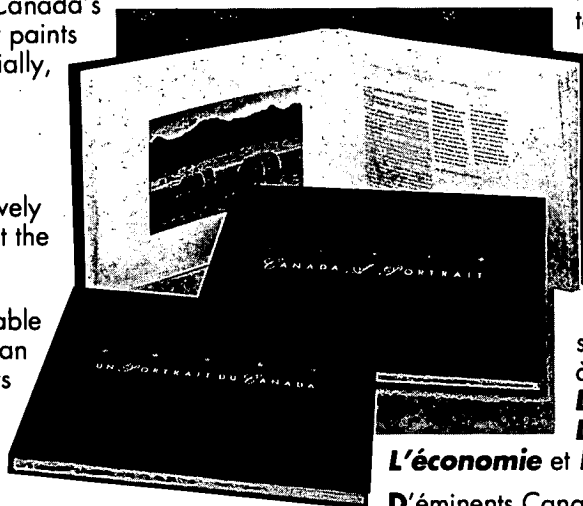

Découvrez les splendides régions naturelles de ce pays, de même que son paysage humain des plus diversifiés, à travers six chapitres intitulés : **Le territoire, La population, La société, Les arts et les loisirs, L'économie et Le Canada dans le monde.**

D'éminents Canadiens, tels Roberta Bondar, astronaute, Jean Béliveau, ancienne vedette de hockey, et W.O. Mitchell, écrivain, y font part de leur vision personnelle du Canada.

**Un portrait du Canada**... un magnifique ouvrage de collection qui décrit admirablement bien le Canada d'aujourd'hui.

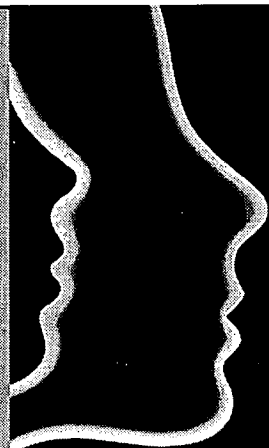

Présenté dans un format de 30 cm sur 23 cm (12,25 po X 9 po), dans une couverture rigide de luxe et en plus de 200 pages, **Un portrait du Canada** (N° 11-403F au catalogue) coûte 38 \$ plus TPS au Canada, 41,95 \$ US aux États-Unis et 48,95 \$ US dans les autres pays.
