The Inuit and Northern Experience

Page numbers in italics refer to graphs, illustrations, or tables.

Residential schools are indexed under their geographic location, as listed in the Truth and Reconciliation Report, volume 4, Canada's Residential Schools: Missing Children and Unmarked Burials, Appendix 1.1 and 1.2, 141-151.

Variations on similar names of people have in some cases been grouped together under one heading. When this has been done, all variations are represented in the heading.
