# Annual Report on the Administration of the *Privacy Act*

Canadian Air Transport Security Authority

2017 - 2018

## I - INTRODUCTION

The purpose of the *Privacy Act*, (“the *Act*”), is to strengthen Canada’s laws that protect the privacy of individuals with respect to personal information about themselves held by a government institution and that provide individuals with a right of access to that information.

This Annual Report on the Canadian Air Transport Security Authority’s administration of the *Act* has been prepared in accordance with section 72(1) of the *Act* and is hereby submitted for tabling in Parliament under Section 72(2) of the *Act*.

This is the fifteenth annual report on the administration of the *Act* that has been tabled in Parliament. The previous such reports are available on the “Reports and Summaries” section of the “Access to Information and Privacy” page on the Web site: [www.catsa.gc.ca](http://www.catsa.gc.ca).

## II - THE CANADIAN AIR TRANSPORT SECURITY AUTHORITY - MANDATE

Established as an agent Crown Corporation on April 1, 2002, the Canadian Air Transport Security Authority (CATSA) is mandated to protect the public by securing critical elements of the air transportation system as assigned by the Government of Canada.

Fully funded by parliamentary appropriations, CATSA is accountable to Parliament through the Minister of Transport. CATSA is governed by a board of directors and operations are directed by a senior management team. CATSA currently contracts security screening to third-party contractors.

CATSA’s key role in securing Canada’s air transportation system is established by the delivery of the following four mandated responsibilities at 89 designated airports across Canada.

1. **Pre-Board Screening (PBS)** - The screening of passengers and their belongings prior to their entry into the secure area of an air terminal building;
2. **Hold Baggage Screening (HBS)** - The screening of passengers checked (or hold) baggage to prevent the boarding of prohibited items;
3. **Non-Passenger Screening (NPS)** - The random screening of non-passengers accessing restricted areas; and
4. **Restricted Area Identity Card (RAIC)** - The program which uses iris and fingerprint biometric identifiers to allow non-passenger access to the restricted areas of airports.

In addition, under an agreement concluded with Transport Canada in 2010, CATSA is authorized to conduct screening, where capacity exists, of cargo at smaller airports. Each of these activities is carried out effectively, efficiently, consistently, and in the public interest, as required by the *CATSA Act*.

## IMPLEMENTATION OF THE *PRIVACY ACT* AT CATSA

The Manager, Information Management, Privacy and ATIP, who is also the organization's Access to Information and Privacy (ATIP) Coordinator, is responsible for processing requests received under the *Act*, as well as privacy policy and compliance. A Senior ATIP Advisor supports the ATIP Coordinator in processing requests under the *Act*, and a Privacy Advisor supports the privacy policy and compliance function.

The ATIP Coordinator reports directly to the Director, Corporate Services and Assistant General Counsel. The Vice-President, Corporate Services, General Counsel and Corporate Secretary serves as CATSA's Chief Privacy Officer (CPO). The Vice-President reports directly to the President and Chief Executive Officer.

CATSA's ATIP Office responsibilities regarding the *Act* are as follows:

- receive and process all requests in accordance with the *Act*;
- assist requesters in formulating their requests when required;
- gather all pertinent records and ensure that the search for information is rigorous and complete;
- conduct the initial record review and provide recommendations to the program areas;
- conduct all internal and external consultations;
- consolidate recommendations and apply all discretionary and mandatory exemptions under the *Act*;
- assist the Office of the Privacy Commissioner (OPC) in all privacy-related matters including complaints against CATSA;
- prepare annual reports on the administration of the *Act*;
- coordinate the annual InfoSource update;
- working with representatives throughout the organization, complete Privacy Impact Assessments for any new system, or substantially modified system, that collects or uses personal information;
- provide ongoing advice and guidance to senior management and staff on matters related to privacy;
- promote privacy of personal information awareness and training sessions to ensure that all staff are aware of the obligations imposed by the legislation;
- respond to consultations received from external organizations;

- develop and maintain privacy policies and guidelines;
- stay current on, and promulgate within CATSA, any changes to administrative requirements for the *Act* from the Treasury Board of Canada Secretariat, or guidance prepared by the Office of the Privacy Commissioner, and
- participate in ATIP community activities and ATIP community meetings.

During 2017-2018, CATSA regularly engaged the OPC to discuss initiatives potentially impacting privacy. In this reporting period, these discussions primarily focussed on comments the OPC provided on a PIA being updated.

### III - DELEGATION OF SIGNING AUTHORITY

In accordance with section 73 of the *Act*, a delegation order, signed by CATSA's President and Chief Executive Officer (CEO), designates the person holding the positions of ATIP Coordinator to exercise and perform the privacy duties on behalf of the organization. The delegation order was issued on May 3, 2017.

The signed and dated delegation order is attached to this report as Annex A.

### IV - STATISTICAL REPORT INTERPRETATION

#### Privacy Act Requests Received and Completed

In the current fiscal year of 2017-2018, CATSA received 12 *Privacy Act* requests, an increase from the 10 requests CATSA processed in the previous fiscal year representing a 20% increase. No files were carried over from the previous fiscal year. Of the 11 *Privacy Act* requests completed during 2017-2018, CATSA processed 395 pages, an average of 36 pages per request.

#### Multi-Year Trend

Over the past number of fiscal years, the number of *Privacy Act* requests submitted to CATSA has fluctuated. There were 12 submitted this fiscal year, matching the previous high in 2013-2014.

One reason for CATSA *Privacy Act* requests is that members of the travelling public wish to know if CATSA has any of their personal information on file.

#### Completion Time

Of the 11 *Privacy Act* requests completed during the 2017-2018 fiscal year, CATSA was successful in responding to 100% of them within the statutory time frame. This result demonstrates CATSA's commitment to ensuring that all efforts are made to complete its requests in a timely manner.

## Disposition of Completed Requests

Of the 11 requests completed in the current fiscal year, two of the files were disclosed in part and three file were released without redaction. No records were provided for six remaining files. In all cases, where disclosure was made, copies were provided.

## Exemptions Invoked

Where material was redacted, these reasons were cited:

<u>Reason</u>	<u>Number of Cases</u>
Personal information (S. 26)	2
Law enforcement and investigation (S. 21)	3

## Extensions

For the 11 requests completed in 2017-18, no extensions were taken.

## Consultations

During this reporting period, CATSA did not receive any consultations from another government department and no consultations were pending at the end of the previous reporting period.

The full Statistical Report on the Administration of the *Act* is attached as Annex B.

## V -TRAINING

The team responsible for Information Management, Privacy and ATIP offers orientation privacy training to all new employees, both in-person and through web conferencing. In 2017-2018, 144 employees received orientation training. E-Learning modules are also available to CATSA employees and Screening Officers across Canada, via the CATSA Intranet.

The Privacy Office also provides directed privacy training sessions, tailored to the functions of specific teams. Sessions were provided for 102 employees at headquarters and in the regions (Calgary, Montréal, Toronto and Vancouver) in 2017-18.

In addition, the Privacy Advisor consistently provides one-on-one support to employees, as needed, to clarify the Authority's expectations with regard to the protection of privacy and the implementation of the *Act*.

The Privacy Advisor and ATIP Coordinator both hold the designation of Certified Information Privacy Professional - Canada (CIPP/C), and keep current through professional development opportunities such as conferences and peer communication.

## **VI - POLICIES, GUIDELINES AND PROCEDURES**

CATSA continues to refine its internal practices to integrate appropriate personal information management throughout the organization, and ensure a high level of service to all of its requesters.

The Privacy Management Framework, detailing the privacy-related activities throughout CATSA was approved by the Board of Directors in 2016-17. It continues to be the basis for directing the privacy program's priorities and illustrating accountability of the Privacy Office's implementation of its privacy activities.

## **VII - RESPONSE TO KEY ISSUES RAISED**

During the reporting period, two complaints and investigation notices were received under the *Act*.

## **VIII - MONITORING**

There are only two employees directly involved in the processing of Privacy requests. Therefore, a formal monitoring procedure to oversee the time taken to complete the requests has not been established. However, the ATIP Coordinator signs all outgoing correspondence regarding the ongoing processing of the Privacy files and is therefore is aware of the status of the files. A weekly report is sent to senior management indicating the status of each file with the text of the request and a brief description of the status of the file.

The ATIP Coordinator meets with the Privacy Advisor on a weekly basis to discuss the progress of all internal privacy policy and compliance files.

## **IX - PRIVACY BREACHES**

No material privacy breaches occurred during the reporting period.

## X - PRIVACY IMPACT ASSESSMENTS

Privacy Impact Assessments (PIAs) provide a framework to ensure that the protection of personal information is considered throughout the design or re-design of a program or service. PIAs identify the extent to which proposals comply with all appropriate statutes and legislation. They assist managers and decision-makers to avoid or mitigate privacy risks and promote only fully informed policy, program and system design choices.

During this reporting period, no new PIAs were completed and submitted, though PIAs are currently under development.

Completed PIA summaries are made available on the “Reports and Summaries” section of the “Access to Information and Privacy” page, on the CATSA Web site: [www.catsa.gc.ca](http://www.catsa.gc.ca).

## XI - DISCLOSURES MADE PURSUANT PARAGRAPH 8 OF THE *PRIVACY ACT*

No disclosures were made under paragraph 8(2)(m) of the *Act* during the reporting period.

## COLLABORATION

CATSA is a strong advocate of collaboration, both internally within the organization as well as within the Privacy Community.

**CATSA** – The Privacy Office regularly engages with various internal groups to provide advice, ideas and best practices. One example of this collaboration is how Privacy engages representatives from across the organization upon receipt of particularly complex requests. This is implemented as needed to reduce, as much as possible, the impact on CATSA’s daily operations.

**Privacy Community** –The CATSA Privacy Office’s regular engagement with other Crown corporation privacy offices, Treasury Board Secretariat quarterly ATIP community meetings and separate meetings of the Crown corporation ATIP community, has enabled the ATIP Coordinator and the Privacy Advisor to share valuable knowledge and experience through consultation and discussion.
