

SEPTEMBER 2019 overnight arrivals at a glance*

As Destination Canada focuses on driving international arrivals by air, year-over-year changes are now displayed for air arrivals. More detailed information, including arrivals by other modes of transportation, can be found in the Monthly Snapshot at www.destinationcanada.com/en/monthly-tourism-snapshot.

% = Year-on-year variations**

**Percentages shown are shifts compared to the same period in the previous year.

*Statistics Canada advises caution when comparing 2019 data with earlier time periods for US arrivals via non-automobile modes of transportation due to methodology changes beginning in January 2019.
