FedDev Ontario

Steel and Aluminum Initiative

We are looking for:

- For-profit firms or Indigenous organizations, located in southern Ontario, that employ between 10 to 499 individuals on a full-time basis in Canada.
- Users of steel or aluminum that can demonstrate plans for projects to enhance productivity or to increase competitiveness by adopting new innovative technologies.

Applications can be submitted for:

- Non-repayable contributions from \$150,000 up to \$1 million, to support up to a maximum of 45 percent of eligible project costs.

Funding is available to:

- Bolster the productivity and competitiveness of SMEs operating within the Canadian steel and aluminum supply chain through investments in innovative projects.

Visit www.feddevontario.gc.ca for more information on our funding opportunities and services, how to apply, and to explore our impact on the economic landscape of the region.
