

NEW TO CANADA? WE CAN HELP YOU SUCCEED

WELCOME TO CANADA

THE WELCOME TO CANADA GUIDE

Moving to Canada is exciting, but settling in can be challenging. The Government of Canada's Welcome to Canada guide provides information on:

-  housing
-  transportation
-  getting your children started at school
-  learning English or French
-  meeting people
-  finding work

THE LIVING IN CANADA TOOL

Answer a few simple questions and get help with adjusting to life in Canada.

CONNECTIONS IN YOUR COMMUNITY

Find support in your community. Local organizations can help you prepare to live and work in Canada.

ENGLISH AND FRENCH IN CANADA

LANGUAGE SKILLS

Improve your English or French. Take a language class for newcomers funded by the Government of Canada.

If you speak French, you may prefer to settle in a Francophone community. Learn about the many Francophone communities in provinces and territories outside Quebec.

PLANNING TO WORK IN CANADA

FINDING A JOB

Get help with your job search. Learn about Canadian workplace culture and Canadian employers.

CREDENTIALS ASSESSMENT

In the Canadian workplace, some professions and trades are regulated. You may have to get your international credentials recognized. Find out if your work is regulated and where to get your international qualifications recognized.
