Winters, Hon. R.H. "International Development: A New Dimension for Canadian Business". Address by Minister of Trade and Commerce to the Seminar on International Development, York University, Toronto, Nov. 6, 1967.

Refers to Canadian investments abroad. Over past 3 decades these have grown faster than foreign investment in Canada. In U.S., other developed nations, and by end of 1964, direct investments in "Third World" over \$ 1/2 Billion. "Third World" could well become the fastest growing market before year 2000 - direct investment would result in larger markets abroad for Canadian companies.

Winters, Hon. R.H. Address by Minister of Trade and Commerce to the Seminar on Doing Business With Canada, Stockholm, Sweden, Dec. 4, 1967.

Refers to Canadian investment abroad.

Sharp, Hon. M. Statement by Minister of Finance, on Investment in U.S. Securities by Canadian Mutual Funds. House of Commons Debates, Feb. 8, 1968, p. 6499.

Winters, Hon. R.H. Address by Minister of Trade and Commerce to a Meeting of the Export Advisory Council, Ottawa, Feb. 23, 1968. Our officials were authorized recently to take initiative in bringing foreign investment opportunities to the attention of Canadian firms where this appears to be in the national interest and to provide assistance as necessary. We are in addition exploring a number of new techniques to encourage Canadian private investment in developing countries, including a facility to insure such business against non-commercial risks.

Pepin, Hon. J.-L. Statement by Minister of Trade and Commerce, Announcing a Program Applicable to Canadian Incorporated Companies, Other Than Financial Institutions, Which Is Designed to Ensure That Their Investments Outside of Canada and the United States Will Be Compatible With Canada's Unrestricted Access to the United States Capital Market. Department of Trade and Commerce Press Release No. 82, Sept. 19, 1968. (Tabled in the House of Commons, by Mr. Pepin, Sept. 24, 1968, p. 385).

Pepin, Hon. J.-L. Address by the Minister of Trade and Commerce to the Canadian Export Association, Montebello, Oct. 21, 1968. Role of department in 1968/69 to exploit opportunities in foreign markets requiring large capital investment. Parliament will be asked to insure against non-commercial risks under the new Export Development Corporation. New program announced recently to ensure that investments of Canadian incorporated companies outside of Canada and U.S. will be compatible with Canada's unrestricted access to the U.S. capital market.
