GERD/GDP, 1985 (OECD data base)

Abbreviations

BE	- Business Enterprise
e	- Estimate
GDP	- Gross Domestic Product
GERD	- Gross Expenditure on Research and Development
NCR	- National Capital Region
NSE	- Natural Sciences and Engineering
n.a.	- Not applicable
PNP	- Private Non-Profit Organization
PRD	- Provincial Research Organization
R&D	- Research and Development
RSA	- Related Science Activities
S&T	- Science and Technology
SSH	- Social Sciences and Humanities

A publication of this type is a snapshot, freezing information at a particular point in time. New data are constantly becoming available.

As with any compendium of numbers, errors inevitably creep into the tables. Readers are encouraged to make the S&T Statistics and Analysis Division aware of any inconsistencies or errors.
