DEPARTMENT OF REGIONAL ECONOMIC EXPANSION
Economic Analysis Branch

Public and Private Investment by Type of Enterprise
by Provinces and Regions of Canada
from 1949 to 1971 (Actual Figures)

February, 1974

NOTES

- Sources:
- (a) Statistics Canada, (61-205) Private and Public Investment in Canada, for the years 1949, 1950, 1959 to 1971.
 - (b) Statistics Canada, Business Finance Division, unpublished figures for agriculture and fishing, forestry, mining and construction industries for the years 1961 to 1971.
 - (c) Canada Year Book, Private and Public Investment in Canada, for the years 1951 to 1958.
 - (d) Department of Industry, Trade and Commerce, Ottawa, Private and Public Investment in Canada, 1959-71, capital expenditures, special tabulations.
 - (e) DREE, special tabulations from Statistics Canada worksheets for the trade, Finance, Commercial and Institutional Services, and public administration industries for the years 1958 to 1971.

Black spaces indicate that figures are not yet available from Statistics Canada.

Total of Canada is not always equal to the sum of provinces because there are some problems of rounding-off and (or) adjustment.

INVESTMENTS: Agriculture and Fishing

Capital Expenditures: Construction

(millions of dollars)

	Canada	NFLD	P.E.I.	N.S.	N.B.	Atlantic	Que.	Ont.	Man.	Sask.	Alta.	Prairies	B.C.
