## Registration Decision Statement<sup>1</sup> for Hydrogen Peroxide and Peroxyacetic Acid

Health Canada's Pest Management Regulatory Agency (PMRA), under the authority of the *Pest Control Products Act* and Regulations, is granting registration for the sale and use of Hydrogen Peroxide and PAA 11/15% and AdvaCare D, containing the technical grade active ingredients hydrogen peroxide and peroxyacetic acid (PAA), as a commercial and industrial laundry sanitizer.

This decision is consistent with the Proposed Registration Decision PRD2018-21, *Hydrogen peroxide; Peroxyacetic acid; AdvaCare D*, which contains a detailed evaluation of the information submitted in support of this registration. The evaluation found that, under the approved conditions of use, the health and environmental risks and the value of the pest control product are acceptable. Health Canada received no comments on PRD2018-21, *Hydrogen peroxide; Peroxyacetic acid; AdvaCare D*.
