PRELIMINARY REPORT ON THE PACK OF CANNED
FRUITS AND VEGETABLES, 1937.

RAPPORT PRELIMINAIRE SUR LA MISE EN CONSERVE
DES FRUITS ET LEGUMES, 1937.

The Dominion Bureau of Statistics presents a preliminary report on the pack of canned fruits and vegetables during the year 1937. This report does not cover the total output of canned fruits and vegetables, such items as pineapples and miscellaneous fruits and vegetables being omitted. These statistics were collected in co-operation with the Canning Division of the Dominion Department of Agriculture which furnished the Bureau, at the completion of each pack, with a list of firms canning each product.

Le Bureau Fédéral de la Statistique présente son rapport préliminaire sur les conserves de fruits et de légumes durant l'année 1937. Ce rapport ne donne pas le total des conserves de fruits et de légumes, certains produits tels que les ananas et divers autres fruits et légumes n'y étant pas inclus. Ces statistiques sont colligées en coopération avec la Division des Conserves du ministère de l'Agriculture, lequel, à la fin de chaque saison nous fournit une liste des firmes qui mettent en conserve chacun des différents produits.
