PRELIMINARY REPORT ON THE PACK OF CANNED  
 FRUITS AND VEGETABLES, 1940.

RAPPORT PRELIMINAIRE SUR LA MISE EN CONSERVE  
 DES FRUITS ET LEGUMES, 1940.

The Dominion Bureau of Statistics presents herewith a preliminary report on the pack of canned fruits and vegetables during the year 1940.

Le Bureau Fédéral de la Statistique présente un rapport préliminaire révisé sur la mise en conserve des fruits et des légumes durant l'année 1940.

It should be remembered that the method of reporting was changed for 1940 from CASES to DOZEN CANS. This was done to accomodate the growing number of canners who keep their production and inventory records in dozen cans. Care must, therefore, be taken in making comparisons with the 1939 production figures which are given in cases.

Il faut se rappeler que la méthode de faire rapport est modifiée pour 1940; il s'agit de DOUZAINES DE BOITES au lieu de CAISSES. Il y a modification pour accomoder le nombre croissant de conserveurs dont la production et l'inventaire se traduisent en douzaine de boîtes. Il faut donc en tenir compte dans la comparaison des chiffres de production de 1939 qui est donnée en caisses.

Dozen cans may be converted to cases on the following basis which gives approximately correct results.

Les douzaines de boîtes sont converties en caisses d'après la base suivante qui donne des résultats à peu près exacts.

Canned apples 6 cans to the case  
 All other canned fruits & vegetables 24 cans to the case

Pommes en boîtes 6 boîtes à la caisse  
 Tous autres fruits et légumes 24 boîtes à la caisse
