## INDUSTRIAL AND UTIIITY COMION STOCK PRICAS

Canadian common stock averages registerod consistent daily recessions during the week ended November 18 when losses also prodominated at New York. In the industrial section, price changes were mostly narrow, with the exception of industrial mines, and trading was comparatively light. Net declines ranged from 24.8 points for the two industrial mines to 0.1 for foods, while oils were the only sub-group to show a net gain for the week. Brazilian was the centre of attraction in utilities and turned over in large quantities due to uneasiness over political developments in Brazil. The Investors' daily price indox for 96 common stocks receded 2.9 points for the weok ondas November 18, dropping to 103 .4. Industrials woro down 4.3 to 167.6 , utilitics 2.1 to 49.7 and banks 0.6 to 78.8 .

## MINING STOCK PRICES

Prices of mining issues moved irregularly on comparatively light trading on Canadian markets and the general index of twenty-four mining stocks ended the week of November 18 with a net loss of 1.1 points at 129.3 . Under the leadership of the seniors, some mid-weelk improvement was shown in the gold section when the gold average rose from 111.6 on November 13 to 114.3 on the 16 th, but later receded a full point. Starting fairly strong baso metals subsoquantly displayed wokness, tho index doclining from 205.6 on November 12 to 194.5 on the 18 th. However, tho weokly figure for the base motals adrancod from 191.3 for the week of November 11 to 200 n 5 for the following week while the gold index fell from 115.6 to 113.2 for the same period.

## IONG-THRN BOND PRI CES AND Y: BIDS

The Dominion Bureau of Statistics index number of Dominion of Canada longterm bond prices, on the base 1926 m 100 , remained at 114.9 for the week ending November 18. Trading was light in the opening days with price movements narrow, but a better tone appeared in the latter part of the week as successful provincial financing gave a fillip to the market. The $\$ 25,000,000$ Province of Ontario loan for refunding and other parposes proved popular and was quickly taken up on Wednesday, while New Brunswick's recent loan of $\$ 6,500,000$ for roads was reported as having been oversubscribed also, With the books closing on Thrersday. Both British Consols and the Dow-Jones avarage of $40 \mathrm{high-grade} \mathrm{United}$ Statos bonds closed tho wock at a slightiy lowcr lovel after an carly rise. Tho formor was quoted in London at $761 / 8$ compared with $76 \frac{1}{4}$ for the previous Thursday, whilo tho lattor doclined from 93.38 to 92.88 in the samo poriod. The index of Dominion of Canade long-term bond yiclds was unchangod at 68.7 for the wook onding November 18 while the average yiold of the 18 sues used in this indox was 3.30.

## FOREIGN EXCHATGE

Storling rates atiffoned gain in the third wook of November, tonding to atabilizo tamporarily betwoon $\$ 4.99$ and $\$ 5.00$. The Unitod Statos dollar has dropped to a discount of $1 / 8$ of ono por cont. at Nontroal. A small gold ahipmont was rocontly made from tho Unitod Statos to London, but a declino in European gold hoarding has sinco brought the London buliion prico down below the United States export perity. Tho Bank of Frence roducod its official discount rato on Novamber 12 from $3 \frac{1}{2}$ to 3 por conto Franc ratos havo hold fixm just below 3.34 cents for more than two weekg. Laxge increases in central bank gold reserves in recent monthe have contrisited to the strong position of the Netherlands florin which is currently quoted around 55.4 cents.
