\section*{INTRODUCTION}

This is the first National Directory of Courts for Canada. It includes a list of Federal and Provincial courts across the country. The purpose of this Directory is to attempt to identify all courts (permanent and most frequent circuit points) in Canada by type, level, and location. The information contained in this National Directory was obtained from the Attorneys' General Departments, the Supreme Court of Canada, and the Federal Court of Canada. The National Directory has identified 1,171 court locations including 154 Municipal Courts in the Province of Quebec. Of the 1,171 courts identified in the Directory, some 111 are duplicate addresses as the Supreme and County courts in some jurisdictions are located at the same address.

Also included in the Directory, by type of court, is a brief organizational chart describing the jurisdiction of each court and their relationship to each other.

In any new initiative, such as this Directory, errors and omissions are possible, particularly with the passage of rime. Therefore we would appreciate receiving any corrections, amendments or other suggestions the reader may have.

\section*{INTRODUCTION}

Le présent répertoire national des tribunaux au Canada est le premier du genre. On y trouve une liste des tribunaux fédéraux et provinciaux du pays. Il a pour objet de répertorier tous les tribunaux permanents ou itinérants (endroits où ils siègent le plus souvent) au Canada selon le genre, le degré de juridiction et le lieu. Les renseignements figurant dans le répertoire proviennent du ministère du Procureur général des provinces, de la Cour Suprême du Canada et de la Cour fédérale du Canada. On y a répertorié 1,171 tribunaux, y compris 154 cours municipales du Québec. Parmi ces 1,171 tribunaux, il \(y\) en a 111 dont l'adresse figure deux fois, car la Cour Suprême et la cour de comté de certaines provinces et de certains territoires sont situées au même endroit.

Le répertoire contient également, par genre de tribunal, un bref organigramme décrivant la juridiction de chacun des tribunaux et les rapports qui existent entre eux.

Tout comme pour toute nouvelle initiative, il est possible que des erreurs se soient glissées dans le répertoire ou que des éléments aient été omis, car il fait conjet de modifications constantes. Par conséquent, nous saurions gré aux lecteurs de nous faire parvenir toute correction, modification ou suggestion qu'ils jugeront bon de porter à notre connaissance.

The Directory has benefited from the contributions of a large number ,f agencies and people. to them we would like to express our sincere appreciation.

Brian Grainger
Programme Chief
