1. Introduction

Purpose of the *Privacy Act*

The *Privacy Act* (PA) protects the privacy of individuals with respect to personal information about themselves held by a government institution and provides individuals with a right of access to that information.

The Annual Report to Parliament on the PA is prepared and tabled in Parliament in accordance with section 72 of the PA.

Military Police Complaints Commission of Canada

The Mandate

The Military Police Complaints Commission of Canada (MPCC) provides independent civilian oversight of the Canadian Armed Forces (CAF) Military Police (MP) and carries out its quasi-judicial functions pursuant to the powers conferred under Part IV of the *National Defence Act*.

The MPCC reviews and investigates complaints concerning MP conduct and investigates allegations of interference in MP investigations. The MPCC reports its findings and makes recommendations directly to the MP and national defence leadership.

The Mission

The mission of the MPCC is to promote and ensure the highest standards of conduct of MP in the performance of policing duties, and to discourage interference in any MP investigation.

2. Application of the *Privacy Act*

Institutional Organization of Activities

The Organization

The Military Police Complaints Commission of Canada (MPCC) is a micro-agency consisting of 29 planned full-time equivalents with an ongoing annual budget of \$4.7M.

As Deputy Head, the Chairperson is supported by the Senior General Counsel and Director General, the Senior Director of Corporate Services, the General Counsel and Senior Director of Operations, up to four part-time Governor-in-Council (GIC) appointed Commission Members, MPCC personnel and consultants.

MPCC Access to Information and Privacy (ATIP) Program

The MPCC ATIP program provides services/products under the *Access to Information Act* (ATIA) and PA, but also provides services/products during the phases of large Public Interest Hearings (PIH) and investigations. Furthermore, the MPCC continues to utilize an *Access to Information and Privacy Framework- Plans and Strategies* encompassing documented processes and management accountability to strengthen the integrity of the ATIP program.

MPCC Access to Information and Privacy Coordinator and Personnel

The ATIP Coordinator for the MPCC is the Senior Director of Corporate Services (SDCS) who is supported by the Senior Planning & Administration Coordinator (SPAC). The MPCC also engages an ATIP consultant, as required. As such, ATIP requests are a shared responsibility between two delegated salaried employees, an assistant who provides administrative support and the Offices of Primary Interest (i.e. Operations, Registrar, Finance, the Records and Information Management Officer, etc.) who also perform ATIP duties in addition to their regular workload.

The main activities of the individual handling ATIP requests are the following;

- Handles assigned cases, analyzes purpose/history of request, interprets legislation and determines information that may be disclosed, exempted and excluded;
- Provides advice and consultation to requesters and third party stakeholders and MPCC management and employees, responds to questions and concerns and ensures that they have a clear understanding of legislation and MPCC policies and procedures for handling requests and other ATIP related issues, including document security classification;
- Conducts research and consultations with other departments and third parties to prepare responses to requesters;
- Analyzes and provides recommendations in the preparation of exhibits for disclosure during a PIH in accordance with ATIP legislation, Open Court Principles and other related policies and procedures; and
- Prepares reports for MPCC management on ATIP requests, other ATIP related issues, including statistical reports, Annual Reports for submission to Parliament and Info Source.

The MPCC does not have any regional offices.

3. Delegation

Pursuant to section 73 of the PA, the Chairperson appointed the SDCS, the ATIP Officer and the SPAC with the duty to exercise certain powers and to perform duties and functions under the PA and Regulations. (**Appendix A – Privacy Act Delegation Order**).

4. Privacy Act Statistics

During this review period, no requests were received by the MPCC. For additional information, please refer to **Appendix B**.

Consultations from Other Institutions

The MPCC did not receive any consultations from other government departments.

Multi-Year Trends

Due to the generally small numbers of requests, it is difficult to extrapolate trends. Although there was a 300% increase from 2014-15 to 2015-16, the number of requests from 2015-16 to 2016-17 dropped significantly. No Privacy Requests were received by MPCC in 2017-18, and no Privacy Requests were received during the current reporting period.

5. Training

In addition to completing two mandatory online courses through the Canada School of Public Service, Access to Information and Privacy Fundamentals (I015) and Fundamentals of Information Management (I301)), 100% of MPCC employees received an ATIP awareness session. The session provided general information related to the PA and roles and responsibilities of institutions and employees.

6. Institutional Policies and Procedures

During the reporting period, the Treasury Board Secretariat launched the Government of Canada's ATIP Online Request Portal that provides a centralized point of access for the public for a faster, easier and more convenient way to submit access to information or privacy requests. The MPCC started accepting requests through this system in January 2019.

The MPCC continued to use a manual Tickler system (time limit reminder) to more efficiently respond to files within legislative deadlines and a weekly review of current files. Procedures for processing Access to Information were updated and provided to staff during ATIP training sessions.

Handling of Formal Requests

The MPCC has adopted the following process to handle formal requests:

1. Receive and acknowledge receipt of the privacy request;
2. Create a file and register the request including capturing and updating the information in the Report on the PA;
3. Review the request and determine next steps;
4. Gather and review all documents including redacting the information if required;
5. Validate and approve the release of the information; and
6. Audits.

7. Complaints, Audits and Investigations

No complaints were received by the Office of the Privacy Commissioner of Canada, no audits were conducted and no appeals concerning ATIA requests with the MPCC were filed in Federal Court during the reporting period. No Privacy Complaints were received by MPCC during the reporting period.

8. Monitoring

All ATIP requests are monitored by the SDCS/ATIP Coordinator throughout the year and information such as the statistics and time to process ATI requests are captured in an ATIP report. This monitoring occurs from the receipt to the closure of all ATIP requests.

On a quarterly basis, the SDCS/ATIP Coordinator submits ATIP reports (i.e. ATIA and PA Annual Reports and Statistical Reports, Info Source, Personal Information Bank, etc.) to the Executive Committee as a standing agenda item. The Executive Committee consists of the Chairperson (Deputy Head), the Senior General Counsel and Director General, the SDCS/ATIP Coordinator and the General Counsel and Senior Director of Operations. The report is tabled, discussed and approved at these quarterly meetings.

9. Privacy Breaches

No privacy breach occurred at the MPCC during the reporting period.

10. Privacy Impact Assessments (PIA)

No PIA were conducted during the reporting period.

11. Disclosure

The MPCC has not disclosed any personal information pursuant to subsection 8(2)(m) of the PA.
