

QUICK FACTS

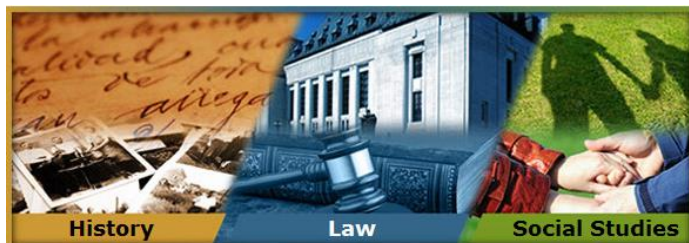

Educational Resources Portal

Did you know that the Correctional Service of Canada (CSC) offers classroom-ready lesson plans for students in grades 10 to 12 (Secondaire 3 to 5 in Québec)?

We want to raise awareness and understanding of the key role CSC plays in the Canadian justice system among younger Canadians, particularly students.

CSC has developed learning materials consistent with the Canadian curriculum to expand students' understanding of the justice system and its impact on Canadian society.

There are 10 course modules suitable for three educational subjects available in PDF and HTML formats:

For more information:

To access these materials and the suggested classroom activities, please visit [CSC's Education Resources website](#).
