

# How are postsecondary students in Canada impacted by the COVID-19 pandemic?

Between April 19 and May 1, 2020, over **100,000** postsecondary students let Statistics Canada know how they have been impacted by COVID-19. Here is what participants said.

## For many students, academic work was delayed, postponed or cancelled.

Proportion of participants who reported the following academic impacts:

## Many students reported experiencing labour market disruptions.

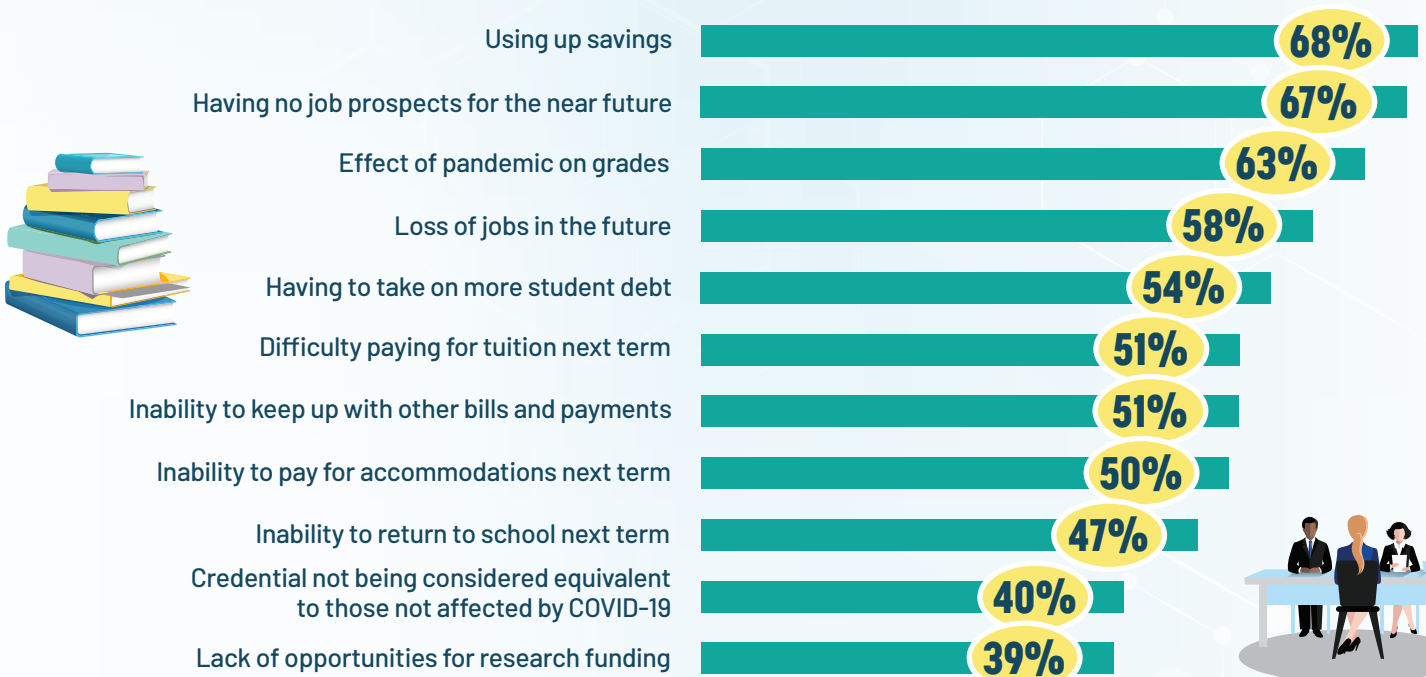

Participants with **jobs** or **job prospects** at the beginning of March who reported employment changes:

## Students are worried about their studies, financial situation, and jobs.

Proportion of participants who are "very" or "extremely" concerned about:
