60 million litres

Canadian production of maple syrup and maple products in 2019.

Get baking!

Canadian farmers grew

32.3

million tonnes of wheat,

some of which was processed in Canada into **2.5 million tonnes of flour** in 2019.

Thank you
to Canadian farmers

Insights into their vital role in Canada's food chain

Delicious dairy!

Canadian farmers produced **milk** that was processed into many **dairy products** in 2019, including:

Hard ice cream

88,921

Cheddar cheese

163,583

Yogurt

378,736

(in tonnes)

Farmers are busy people. To help them cut down on the time they spend filling out surveys, Statistics Canada launched the **AgZero** project. For more information, visit our **website**.

Thank you, Canadian farmers, for helping Canadians put food on their table!
