Fully vaccinated travellers entering Canada during COVID-19

Effective July 5, 2021

Pre-border

- **Check that you are eligible to enter Canada.**
- **Check that you meet the requirements of fully vaccinated.** This means you have:
  - received the full series of a vaccine or a combination of vaccines accepted by the Government of Canada (Pfizer, Moderna, AstraZeneca, Janssen); and
  - received your last dose at least **14 days prior to entry.**
- **Plan your quarantine**, in case you don't get the exemption.
- Prepare in advance for arrival testing at your planned point of entry.
- **Within 72 hours before your arrival to Canada:**
  - take a pre-entry COVID-19 molecular test
  - use ArriveCAN to enter your information

At the border

- Provide all required information and documents, including:
  - ArriveCAN receipt
  - pre-entry test results
  - proof of vaccination (paper or digital files)
  - other travel documents
- Answer all eligibility, vaccination and health screening questions.
- Complete your arrival test on site or collect one to use later.
- If you have symptoms or do not meet the exemption requirements, follow the instructions provided by the government representative.

After entry

- If you meet all the entry requirements and are fully vaccinated, you are exempt from:
  - quarantine
  - government-authorized hotel (air travellers)
  - day 8 test
- If you received a home test kit on arrival, complete and send it to the lab.
- If your arrival test is positive, you must follow the instructions of your local public health authority, including quarantine or isolation.
- Keep your proof of vaccination for 14 days.
- You must still follow local public health measures.

Sign in to ArriveCAN online

What you need to enter into ArriveCAN:

- Contact & travel information
- 14-day travel history
- Quarantine plan
- Confirmation of a negative pre-entry test (or positive test taken 14-90 days prior to travel)
- Proof of vaccination (must be in English or French, or a certified translation)
- COVID-19 symptom self-assessment
