Annual Report of the Minister of Agriculture and Agri-Food Canada to Parliament on the administration of the *Access to Information Act*

APRIL 1, 2016 - MARCH 31, 2017

1. Introduction

The *Access to Information Act* was proclaimed on July 1, 1983. The purpose of the *Access to Information Act* is to provide Canadian citizens or permanent residents the right of access to information contained in government records subject to certain specific and limited exceptions.

As per section 72 (1) of the *Access to Information Act*, the head of every government institution is required to prepare an annual report on the administration of this *Act* within the institution during each fiscal year and table it to Parliament.

The Canadian Dairy Commission (CDC), a federal Crown corporation, plays a central facilitating role for the multi-billion dollar Canadian dairy industry. The CDC was established in 1966 with the proclamation of the *Canadian Dairy Commission Act* and reports to Parliament through the Minister of Agriculture and Agri-Food. Funded by the federal government, producers and the marketplace, the CDC strives to balance and serve the interests of all dairy stakeholders: producers, processors, further processors, exporters, consumers and governments.

As per the *Canadian Dairy Commission Act*, the CDC's legislated objectives are:

- to provide efficient producers of milk and cream with the opportunity to obtain a fair return for their labour and investment; and
- to provide consumers of dairy products with a continuous and adequate supply of dairy products of high quality.

As a central facilitator for the Canadian dairy industry, the CDC works closely with industry stakeholders represented by organizations such as Dairy Farmers of Canada, Dairy Processors Association of Canada, Consumers' Association of Canada and provincial marketing boards and agencies.

The CDC also works in co-operation with further processors, represented by the Food and Consumer Products of Canada, the Baking Association of Canada, and the Confectionery Manufacturers Association of Canada.

2. Access to Information Office

At the CDC, the Corporate Secretary, who is also the ATIP Advisor, is responsible for administering all access to information and privacy requests. The Corporate Secretary reports to the Chief Executive Officer. Delegated signing authority for access to information requests is assigned to the Corporate Secretary.

The Corporate Secretary is responsible for coordinating and implementing ATIP related policies, guidelines and procedures at the CDC to ensure compliance with the *Access to Information Act* and the *Privacy Act* and for providing guidance on ATIP related matters and, when required, consulting with other federal and provincial government institutions.

3. Delegation Order

The CDC's Chief Executive Officer has delegated to the Corporate Secretary the authority to oversee the administration of the *Access to Information Act* and the *Privacy Act* for the CDC and to ensure compliance with the legislation. A copy of the approved Delegation order can be found in appendix A.

4. Multi-Year Statistical Trend Analysis

Over the past five (5) years, statistics show that exemption sections 20 and 21 were applied the most followed by section 19. The other exemption sections were used only occasionally. More than half of the requests received in the last five (5) years were processed in less than 30 days. All requests were responded to within the mandatory deadline.

5. Statistical Report

A copy of the CDC's Statistical Report on the *Access to Information Act* for the reporting period of April 1, 2016 to March 31, 2017 can be found in appendix B.

- Statistics on the total number of requests: A total of five (5) requests were received in 2016-2017 and two (2) have been carried forward to the next reporting period.
- Extensions and Consultations from Other Government Institutions: There were no requests for extensions and no consultations received from other institutions and organizations during the reporting period of 2016-2017.
- Exemptions Applied: The following exemptions were invoked: S. Art. 19(1) and S. Art. 21(1)(c).
- Completion Time: Two (2) requests were completed between 1 to 15 days and one (1) request was completed between 16 to 30 days.
- Fees: During this reporting period, a total of \$25 was collected for application fees.

6. Training

The Corporate Secretary attends, from time to time, ATIP community meetings hosted by Treasury Board Secretariat of Canada. No training activities were undertaken during the 2016-2017 reporting period.

7. Policies and Procedures

The CDC ATIP policy and procedure on responding to ATIP requests are available to all employees and are posted on the CDC's Intranet. No other policies, guidelines or procedures were implemented during 2016-2017.

8. Complaints and Investigations

No complaints or investigations to the Information Commissioner were received or submitted in 2016-2017.

9. Time Monitoring

For each request, the Corporate Secretary notes the search time and the classification level of each individual involved in responding to the request. Once the Corporate Secretary receives all the documentation, she keeps track of her time consulting staff members and reviewing the documents for applying exemptions. This information is kept for statistical purposes and is shared with Agriculture and Agri-Food Canada ATIP office.
