REPORT ON THE ACCESS TO INFORMATION ACT

INTRODUCTION

The *Access to Information Act* (hereafter, the “ATIA”) gives Canadian citizens, as well as individuals and corporations present in Canada, the right to access federal government records that are not of a personal nature. The public’s right of access to information is balanced against the legitimate need to protect sensitive information and to permit the effective functioning of government, while promoting transparency and accountability in government institutions.

The ATIA complements but does not replace other procedures for obtaining government information. It is not intended to limit in any way access to government information normally available to the public upon request.

Section 72 of the ATIA requires the head of every federal government institution to submit an annual report to Parliament on the administration of the ATIA during the fiscal year. This annual report summarizes the management and administration of the ATIA within Defence Construction (1951) Limited (DCC) in 2016–17.

MANDATE OF DCC

The principal mandate of DCC, pursuant to the *Defence Production Act*, is to meet the infrastructure and environmental needs of the Department of National Defence and the Canadian Armed Forces (DND/CAF) by providing quality services. DCC’s mission is to provide timely, effective and efficient project delivery and full lifecycle support for infrastructure and environmental assets required for the defence of Canada. DCC is an agent of the Crown incorporated for the purpose of carrying out the procurement for and delivering of defence infrastructure projects. The *Defence Production Act* defines a defence contract as a contract with an agent of Her Majesty that in any way relates to defence projects or to the designing, manufacturing, producing, constructing, finishing, assembling, transporting, repairing, maintaining, servicing or storing of, or dealing in defence projects. DCC’s Letters Patent permit DCC to take on, lease, or in exchange, procure, purchase or otherwise acquire, construct, alter, renovate, add to, improve, and to hold, manage, maintain, operate, supervise, repair, heat, lease, sell, salvage, realize or otherwise dispose of real and personal property—and in particular, lands and buildings. DCC reports to Parliament through the Minister of Public Services and Procurement.

DCC'S ACCESS TO INFORMATION AND PRIVACY OFFICE

DCC's Access to Information and Privacy (ATIP) Office is accountable for developing and implementing effective policies, guidelines, systems and procedures to ensure that DCC meets its responsibilities under the ATIA and the *Privacy Act* (PA).

The main activities of the ATIP Office include the following:

- monitoring compliance with relevant Acts, regulations, procedures and policies;
- processing requests under both Acts;
- developing and maintaining policies, procedures and guidelines to ensure that DCC respects the Acts;
- promoting awareness of the Acts within DCC to ensure that employees are aware of their responsibilities;
- preparing annual reports to Parliament and other statutory reports, as well as other material that Central Agencies may require;
- representing DCC in dealings with the Treasury Board of Canada Secretariat, the information and privacy commissioners, and other government departments and agencies to determine how the Acts apply to DCC; and
- helping DCC meet its commitments to ensure openness and transparency, through proactive and informal disclosure of information.

The ATIP Office has three employees: one ATIP Coordinator and two ATIP Administrators. During the 2016–17 reporting period, one of the two ATIP Administrator positions was filled in order to respond to the increase in volume of requests.

DELEGATION OF AUTHORITY

Pursuant to section 73 of the ATIA, the President's authority has been delegated to enable the Corporation to meet its legislated requirements. The President has delegated his powers and duties to the ATIP Coordinator.

See Appendix A for the Delegation Order.

SUMMARY AND HIGHLIGHTS OF ACTIVITIES

In accordance with the amended Directive on the Administration of the ATIA, DCC posts summaries of completed ATIA requests on the [Open Government](#) portal each month.

EDUCATION AND TRAINING

During the 2016–17 reporting period, DCC continued to present the *ATIP Statistical Report* to inform senior management of the volume of access to information and privacy requests, increase awareness of access to information and privacy issues, and help the ATIP Office fulfill its mandate.

The ATIP Office briefs DCC's five Executives monthly and 20 senior managers twice a year.

Topics covered in the presentation include the following:

- annual and quarterly comparisons of ATIP requests handled and pages reviewed;
- consultation requests, by region and government institution; and
- annual ATIP requests, by source type.

Daily training was administered to the new ATIP Administrator in order to educate on DCC ATIP process and practices.

POLICIES, GUIDELINES AND PROCEDURES

DCC did not implement any new or revised ATIP policies, guidelines or procedures during the reporting period.

ACCESS TO INFORMATION ACT STATISTICAL REPORT

FORMAL REQUESTS

The table below shows the number of access to information requests received and processed by DCC, by source, over the past four years:

Source	2013–14	2014–15	2015–16	2016–17
Public	9	6	9	3
Media	0	1	2	7
Business (private sector)	14	22	18	25
Academia	0	1	4	1
Organization	0	1	3	2
Decline to identify	0	0	0	0
Total received	23	31	36	38

Between April 1, 2016, and March 31, 2017, DCC received 38 requests for information under the ATIA.

Ten requests were carried over from the previous reporting period, for a total of 48 requests processed. Of the 48 requests it processed in 2016–17, DCC completed 35 requests, which involved processing a total of 2,670 pages. DCC carried 13 requests over into 2017–18.

DISPOSITION OF COMPLETED REQUESTS

Of the 35 requests completed during this reporting period, further to the Government of Canada Statistical Report nomenclature, “all disclosed” was provided in response to seven requests and “disclosed in part” was provided in response to 11 requests. Seven were “request abandoned”. No records were “all exempted” or “all excluded” and no requests were transferred to other institutions. In 10 requests, “no records exist”.

DCC provided paper copies of documents in response to 14 requests. For four other requests, DCC sent the response electronically.

COMPLETION TIME AND EXTENSIONS

During the reporting period, DCC completed 18 requests within 30 days; 14 in between 181 and 365 days; and three in more than 365 days.

Of the 35 requests completed, 18 (51% of requests) were completed within the allowable time limits. Section 9 of the ATIA provides for the extension of the statutory time limits if consultations are necessary or if a large number of records have been requested, the processing of which would unreasonably interfere with DCC’s operations. In 10 instances, DCC found it necessary to seek extensions to prescribed time limits because the scope of the requests would unreasonably interfere with DCC’s operations.

MONITORING OF REQUESTS

The ATIP Administrators monitor DCC's case management system on a weekly basis to check for "red" highlights of the case file, which indicate a delay. This ensures continued compliance with access to information principles.

EXEMPTIONS INVOKED

During the reporting period, DCC invoked exemptions under the ATIA, as follows:

Exemption		Number of times applied
Section 15	Exempting records expected to be injurious to the conduct of international affairs and the defence of Canada.	3
Section 16	Exempting records containing information on the vulnerability of a particular building or other structures and systems.	3
Section 18	Exempting records expected to prejudice the economic interests of Canada.	8
Section 19	Exempting records containing personal information.	11
Section 20	Exempting records containing third-party business information.	19
Section 21	Exempting records containing information relating to the internal decision-making processes of government.	12
Section 22	Exempting records containing information relating to testing or auditing procedures or techniques or details of specific tests.	1
Section 24	Statutory prohibition against releasing information under provisions in Schedule II of the ATIA relating to the <i>Defence Production Act</i> .	8

EXCLUSIONS INVOKED

During the reporting period, DCC did not invoke any exclusions relating to the completed requests.

INFORMAL REQUESTS

DCC received 16 informal requests for the reporting period 2016–17. This is a significant increase from the previous reporting period, when DCC received only two informal requests.

REQUESTS FOR CONSULTATION FROM OTHER GOVERNMENT INSTITUTIONS AND ORGANIZATIONS

A significant amount of the ATIP Office's workload involves responding to requests for consultation related to formal requests received by other government institutions and organizations. In 2016–17, DCC received seven such requests, and three requests were carried over from the previous reporting period. DCC works closely with DND/CAF, Communications

Security Establishment Canada, the Privy Council Office, Environment and Climate Change Canada, and Public Services and Procurement Canada to respond to these requests in a timely fashion.

TRANSLATION

There were no requests for records to be translated during the reporting period.

FEES

As per ATIA regulations, DCC collected application fees totalling \$155, and in one case waived the application fee of \$5.

COSTS

DCC's costs directly associated with the administration of the ATIA for 2016–17 were estimated to be \$136,757.

COMPLAINTS AND REQUESTS FOR JUDICIAL REVIEW

During 2016–17, DCC's ATIP Office received one complaint from the Office of the Information Commissioner. It was still under review at the end of the reporting period. Two complaints were closed during the reporting period, one of which was received in 2015–16 and the other in 2010–11. One of these complaints was deemed well founded resolved, while the other was recorded as settled. One judicial review with the Federal Court of Appeal is ongoing. This application was filed with the Federal Court in 2013–14.
