Canada

**Canada's Le Plan vert
Green Plan du Canada**

**Think Pensez
Recycling! à recycler!**

Printed on paper containing
over 50% recycled paper,
including 10%
post consumer fibre.

This publication was
developed by
Information Holdings,
Environment Canada

Graphic Design Concept
by CABD design.

Printed in Canada.
1994

Imprimé sur du papier contenant
plus de 50p.100 de papier recyclé
dont 10p.100 de fibres
post-consommation.

Cette publication a été
préparée par la Direction
de la gestion des fonds
de renseignements,
Environnement Canada.

Design graphique et concept
par CABD design.

Imprimé au Canada.

Special Studies	7815	Technology Development	4954		

Environmental Protection

Accelerated Capital Cost Allowance Program (ACCA)

7833

Information relating to accelerated capital cost allowance program such as applications, notification of acceptance.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Agrifood

4006

Information relating to agricultural animal and crop residues from solid waste and the recycling of which constitutes agrifood. General information relating to agrifood such as committees, companies, government departments and regulatory activities.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Agrifood - Animal Feed Lot Operations

4008

Information relating to farm feeding operations such as beef, dairy, hogs, poultry including dead animal removal and elevator dust control operations.

Undesignated

Agrifood - Company/Farm Information

4011

Information relating to agrifood from companies, federal agencies.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Agrifood - Food Processing

4007

Information relating to air pollution food process emission, industries such as fish processing, dairy product, fish meal, fruits and vegetables, meat and poultry, sugar refineries and irradiated food.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Air Quality - Urban

4034

Information relating to air toxics in urban areas such as scientific reports, action plans on indoor air quality and indices.

Undesignated

Information containing personal information.

Protected A, Pers. Info., Priv. s.3

Aircrafts, Airports

4018

Information relating to aircraft emission, expansion noise, airport expansion and facilities maintenance.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Analytical Methods/Chemicals

4047

Information relating to the analytical methods of organic and inorganic chemicals.

Undesignated

See Chemicals-Inorganic or Organic-Analytical Methods Development.

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Analytical Services Projects

4048

Information relating to chemical analysis by companies, contractors.

Undesignated

See Chemicals, Commercial Analysis.

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Assessment Profiles

4050

Information relating to Commercial Chemical Products including data, statistical reports.

Undesignated

See Chemical Elements and Compounds.

Assessment Profiles - Chemicals

4052

Information relating to specific chemicals including priority chemicals such as PCBs.

Undesignated

See Chemical Elements and Compounds.

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Assessment Profiles - Geographic

4056

Information relating to specific vulnerable areas such as islands, estuaries, harbours, rivers, groundwater.

Undesignated

See Chemical Elements and Compounds.

Information obtained "in confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Assessment Profiles -

Industry Sectors

4054

Information relating to industrial chemical plants including reports on solid wastes, air emissions.

Undesignated

See Chemical Elements and Compounds.

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Biotechnology

4059

Information relating to genetically engineered organisms and their products including press releases and information of a general nature.

Undesignated

Biotechnology - Projects - EP

4064

Information relating to Environmental Protection projects including proposals, technology transfer.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., /Other Govts, ATI s.20, 13, Priv. s.19

Biotechnology - Projects - Promotion

4065

Information relating to promotions from corporations, universities, companies.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Biotechnology - Strategy - International

4062

Information relating to international strategies including projects, reports, newsletters.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Biotechnology - Strategy - National

4060

Information relating to national strategies on biotechnology including policies, proposals from private sectors, reports/papers, submissions.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Biotechnology - Strategy - National Networks

4063

Information relating to established networks including laboratories projects and programs.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

Biotechnology - Strategy - Provincial

4061

Information relating to provincial strategies including projects, reports.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Canadian Environmental Citizenship Program (CECP)

5300

Information relating to Canadian Environmental Citizenship Program (CECP) not found elsewhere in this series.

Undesignated

CECP - Environmental Choice Program (ECP)

5310

Information relating to Canadian Environmental Citizenship Program (CECP) including international cooperation, program authority, industry liaison, and other information not found elsewhere in this series.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

CECP - ECP - Authorized Use

5312

Information relating to authorized use of the of Environmental Choice Program (ECP) products, logos, etc...

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

CECP - ECP - Committees

5314

Information relating to of Environmental Choice Program (ECP) committees including the ECP Board, Coordinating Technical Committee, Scientific Technical Committee, Program Review Committee, and all related Task Forces and Working Groups.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

CECP - ECP - Communications

5316

Information relating to of Environmental Choice Program (ECP) Communications including communication plans, briefings, notes, newsletters, photographs, media responses, educational kits, enquiries from the public, and other information.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

CECP - ECP - Advertising and Promotion

5318

Information relating to Environmental Choice Program (ECP) advertising and promotion including marketing, exhibitions and trade shows, newspaper clippings, public opinion surveys, and conferences.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

CECP - ECP - Guidelines

5320

Information relating to of Environmental Choice Program (ECP) guidelines including the guideline development process, suggested products, packaging, animal testing, life cycle assessment, and other information not found elsewhere in this series.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

CECP - ECP - Guidelines - Case Files

5321

Information relating to of Environmental Choice Program (ECP) guidelines, including guideline development, review committee, guideline packages, final versions, revisions to the guidelines, and company information.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

CECP - ECP - Official Marks

5324

Information relating to Environmental Choice Program (ECP) official marks including EcoLogo, Graphic standards Manual, American trademark protection and permitted use.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

CECP - ECP - Licencing/Certification

5325

Information relating to licencing and/or certification of Environmental Choice Program (ECP) products including licencing of services, off-shore licencing, testing and verification, and licensee workshops.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

CECP - ECP - Relations

5328

Information relating to Canadian Environmental Citizenship Program (CECP) relations with various agencies including other departmental organizations, federal government departments, international organizations, non-government organizations, associations.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

CECP - Funding Programs

5305

Information relating to Canadian Environmental Citizenship Program (CECP) funding programs including the Environmental Partners Fund Program, Community Planning Program, Volunteer Support Program and Youth Action Fund Program.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

CECP - Non-funding Programs

5307

Information relating to Canadian Environmental Citizenship Program (CECP) non-funding programs including the Environmental Learning Program and Environmental Stewardship Program.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

Chemical Elements and Compounds

4075

Information relating to commercial chemicals documentation including data, statistical reports, air emissions, liquid effluents, solid wastes and chemicals products.

Undesignated

See Assessment Profiles.

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

Chemical Elements and Compounds - Fluorocarbons

4076

Information relating to Chlorofluorocarbons (CFC) including alternatives, ozone depletion, enforcement, regulations.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

Chemical Elements and Compounds - Polychlorinated Biphenyls (PCBS)

4077

Information relating to Polychlorinated Biphenyls (PCB) including disposal and destruction, inspections and investigations, regulations, spills, transportation.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info./, Other Govts, ATI s.20, 13, Priv. s.19

Chemical Industries

4261

Information relating to chemical industries such as fluoride, glass manufacturing, phosphorus, photography, rubber, tanneries, tire manufacturing.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., AT s.20

Chemical Industries - Alkali and Acids **4262**

Information relating to alkali and acids such as projects and proposals, regulations development, mercury in fish data.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Chemical Industries - Dry Cleaning Industries **4264**

Information relating to dry cleaning industries such as phosphates including regulations and guidelines.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Chemical Industries - Fertilizer Industry **4266**

Information relating to fertilizer industry such as nitrogen fertilizer chemicals, phosphate fertilizer chemicals, phosphogypsum.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., AT s.20

Chemical Industries - Metal Finishing Industry **4270**

Information relating to metal finishing industry including regulation development.

Undesignated

Chemical Industries - Paint and Pigments **4271**

Information relating to paint and pigments including projects and proposals.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Chemical Industries - Plastics and Synthetic Resins **4275**

Information relating to plastics and synthetic resins including questionnaires, projects and proposals.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Chemical Industries - Surface Finishing Industry **4277**

Information relating to surface finishing industry including regulation development, projects and proposals, plating.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Chemical Industries - Textile Industry **4280**

Information relating to textile industry including projects and proposals, non-ionics study, regulations.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Chemical Industries - Vinyl Chloride **4283**

Information relating to vinyl chloride including regulation development, implementation and interpretation.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., AT s.20

Chemicals - Commercial Analysis **4090**

Information relating to chemical analysis by companies, contractors.

Undesignated

See Analytical Services Projects.

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Chemicals - Inorganic **4080**

Information relating to inorganic chemicals including projects and proposals, reports.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Chemicals - Inorganic - Analytical Methods Development **4081**

Information relating to the analytical method of inorganic chemicals.

Undesignated

See Analytical Methods/Chemicals.

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Chemicals - National Inventories **4507**

Information relating to inventories of chemicals, data emissions including reports on sulphur dioxide emissions.

Undesignated

Chemicals - New Chemicals Program **4510**

Information relating to new chemicals program including evaluation, predictive assessment techniques and use pattern of new chemicals.

Undesignated

Chemicals - Organic **4084**

Information relating to organic chemicals such as oxidants including regulations and guidelines, legal matters, projects and proposals.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Chemicals - Organic - Analytical Methods Development **4085**

Information relating to the analytical method of organic chemicals.

Undesignated

See Analytical Methods/Chemicals.

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Development and Demonstration of Contaminant Sites Remediation Technology (DESRT) **4106**

Information relating to DESRT including projects, companies.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Development and Demonstration of Pollution Abatement Technology (DPAT) **4119**

Information relating to DPAT such as reports on air pollution including companies.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Development and Demonstration of Resource and Energy Conservation (DRECT) Program
4108

Information relating to DRECT Program including companies, institutions, status reports, publicity, proposals.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Development and Demonstration of Resource and Energy Conservation (DRECT) Program - Project Files
4110

Information relating to specific DRECT projects such as companies, universities, municipalities.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Dredging Project Assessments
4120

Information relating to dredging project assessments such as dykes, channels.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Dredging Project Assessments - Fisheries and Oceans
4121

Information relating to dredging project assessments specific to Fisheries and Oceans with provinces.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Gov., ATI s.13, Priv. s.19

Dredging Project Assessments - Public Works
4122

Information relating to dredging project assessments specific to Public Works with provinces.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Economics
4130

Information relating to the impact on the economy versus environment protection such as recycling, space programs, air pollution control.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Emergency Contingency Plans
4092

Information relating to specific professional contract assignments for an accelerated program developing environmentally acceptable countermeasures for different types of environmental emergencies including spills such as oil and toxic chemicals.

Undesignated

Information relating to the development of international or federal/provincial agreements.

Confidential or Secret, Depending on severity of injury, ATI s.14, 15, Priv. s.20, 21

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Emergency Contingency Plans - Agreements and Understandings - Federal/Provincial
4097

Information relating to federal/provincial agreements and understanding including scientific reports, technical systems and plans.

Undesignated

Information relating to the development of federal/provincial agreements.

Confidential or Secret Depending on severity of injury, ATI s.14, Priv. s.20

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Emergency Contingency Plans - Federal
4093

Information relating to other federal agencies and departments on emergency contingency plans including international relationship.

Undesignated

Information relating to the development of international or federal/provincial agreements.

Confidential or Secret Depending on severity of injury, ATI s.14, 15, Priv. s.20, 21

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Emergency Contingency Plans - Industrial
4094

Information relating to industries and associations counter measures on emergency contingency plans.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Emergency Contingency Plans - Provincial
4095

Information relating to provincial programs on emergency contingency plans including specific sites.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Emergency Contingency Plans - Regional
4096

Information relating to C&P regional offices programs on emergency contingency plans including offshore operations.

Undesignated

Information relating to the development of international or federal/provincial agreements.

Confidential or Secret, Depending on severity of injury, ATI s.14, 15, Priv. s.20/21

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Emissions - Coordination of Inventory Actions
4341

Information relating to coordination of inventory actions including reports from inventory working group.

Undesignated

Emissions - National Inventories Data
4342

Information relating to national inventories data such as air contaminants, national effluents, global warming.

Undesignated

Emissions - Historic Trends
4340

Information relating to historic trends of emissions such as methodologies, emission data.

Undesignated

Emissions - Projections
4343

Information relating to projections such as economic driver, methodologies, scenarios, software/hardware.

Undesignated

Energy Research and Development
4158

Information relating to energy research and development programs such as technical information on processes from industry including studies.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Energy Research and Development - (PERD) Panel on Energy Research and Development
4159

Information relating to panel on energy research and development (PERD) including activities, reports.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Enterprise Development Program
4165

Information relating to enterprise development programs such as companies and institutions including reports, publicity.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Enterprise Development Program - Project Files
4166

Information relating to specific company projects.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Environmental Assessment Review Process (EARP)
4194

Information relating to environmental assessment review process including annual reports, guidelines and projects.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Environmental Auditing
4170

Information relating to environmental auditing programs.

Undesignated

Environmental Contaminants Act
4175

Information relating to a wide range of substance properties or classes of substances in order to determine if the potential for a substance contamination exists including data, investigations.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Environmental Contaminants Act - Enforcement and Compliance
4176

Information relating to the enforcement and compliance of the Act, including inspectors, violations and customs monitoring programs.

Undesignated

Testimony against another individual.

Protected B or C, Safety of Individuals, ATI s.17, Priv. s.25

Environmental Contaminants Act - Responses and Notices
4177

Information relating to responses and notices such as candidate chemicals notices.

Undesignated

Environmental Contaminants Program
4180

Information relating to specific programs such as CONFUND including Beaufort Sea.

Undesignated

Environmental Emergency National Programs - Emergency Teams
4185

Information relating to environmental emergency teams such as departmental environment emergency team (DEET), national environment emergency team (NEET) and regional environment emergency team (REET).

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Environmental Emergency National Programs
4181

Information relating to Environmental Emergency National Program which ensures response and prevention is in place including functions to prevent, reduce, or eliminate spills.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Personal information contained in spill reports.

Protected A or B, Pers. Info., Priv. s.3

Environmental Emergency National Programs - Operations and Procedures
4182

Information relating to operations and procedures such as alerting and reporting, automated information systems, communications.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Environmental Emergency National Programs - Research and Development
4184

Information relating to research and development including projects, publications, spill events.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Environmental Emergency National Programs - Special Studies
4183

Information relating to special studies such as arctic pilot project, protection strategy, oil bird care.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Environmental Impact Assessment
4186

Information relating to environmental impact assessment including area wide assessment, baseline studies, project proposals, monitoring.

Undesignated

Information relating to the development of international or federal/provincial agreements.

Confidential or Secret, Depending on severity of injury, ATI s.14, 15, Priv. s.20, 21

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Information pertaining to draft legislation documents.

Secret until given Royal assent, ATI s.69, Priv. s.70

Environmental Impact Assessment - Energy - Alternate Energy
4190

Information relating to alternate energy such as hydrogen including combustion chambers.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Environmental Impact Assessment - Guidelines/Criteria
4187

Information relating to guidelines and criteria on erosion control, large construction projects, offshore oil and gas development, ports and harbours.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Environmental Impact Assessment - Major Project Review Process

4191

Information relating to major project review process including summary tables and project proposals.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Environmental Impact Assessment - Northern Region

4188

Information relating to northern region specific sites such as Beaufort Sea/Mackenzie Delta, Lancaster Sound.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Environmental Impact Assessment - Policies

4189

Information relating to policies and standards including agreements, regulations.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Environmental Issues - National

4195

Information relating to national environmental issues such as contaminants in fish, dioxins and furans, hazardous wastes, indoor air quality.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Environmental Issues - Regional

4196

Information relating to regional environmental issues such as Fraser Estuary, Great Lakes, Niagara River.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Environmental Legal Matters

4192

Information relating to the exercise of discretionary power under a statute of regulations such as Federal Law Enforcement Under Review (FLEUR) including investigations.

Undesignated

Information relating to legal opinions.

Protected B, Solicitor-Client Privilege, ATI s.23, Priv. s.27

Information relating to draft legislation documents.

Secret until given Royal assent, ATI s.69, Priv. s.70

Environmental Protection

4000

Information of a general nature relating to environmental protection.

Undesignated

Explosives

4197

Information relating to the use of chemical explosives in the marine environment including regulations pertaining to the Fisheries Act.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Federal Activities

4248

Information relating to federal activities such as federal land data base, inventories, monitoring and surveillance, facility studies.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Federal Activities -

Federal Departments and Agencies

4249

Information relating to federal departments and agencies such as cleanup program, reports.

Undesignated

Federal Activities -

Projects - Atlantic Region

4255

Information relating specifically to Atlantic Region projects.

Undesignated

Federal Activities -

Projects - National Capital Region

4254

Information relating specifically to National Capital Region projects.

Undesignated

Federal Activities -

Projects - Ontario Region

4251

Information relating specifically to Ontario Region projects.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Federal Activities - Projects - Pacific and Yukon Region

4253

Information relating specifically to Pacific and Yukon Region projects.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Federal Activities - Projects - Quebec Region

4250

Information relating specifically to Quebec Region projects.

Undesignated

Federal Activities - Projects - Western and Northern Region

4252

Information relating specifically to Western and Northern Region projects.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Federal Funding Programs

4205

Information relating to innovative methods, procedures, processes or equipment in the field of pollution control programs including funding and management of various programs with industries.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Federal Funding Programs - Projects

4206

Information relating to specific projects such as ozonation, recycling projects.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Federal Industrial Boiler Emission Controls Program (FIBEC)

4210

Information relating to the control of air pollution from boiler emissions including reports, surveys.

Undesignated

Forest Products Industry

4230

Information relating to forest product industry such as dioxins issue, incentive programs, impact of logging on salmonid standing crop.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Forest Products Industry -
Pulp and Paper Production -
Environmental Effects Monitoring
4237**

Information relating to environmental effects monitoring such as database management system including reports, studies, surveys.

Undesignated

Information received "in confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Forest Products Industry -
Modernization Program
4234**

Information relating to modernization program with companies including status reports, agreements.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Forest Products Industry -
Projects/Studies
4239**

Information relating to specific projects and studies such as heat pumps, aquatic toxicity of pulp and paper mill effluents, pulp and paper dioxin program.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Forest Products Industry -
Pulp and Paper Production
4236**

Information relating to pulp and paper production including status reports, processes, agreements, studies, surveys, regulations, violations.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Forest Products Industry -
Regulatory Activities
4240**

Information relating to regulatory activities such as control of dioxins from pulp and paper mills, pulp and paper regulations and guidelines.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Forest Products Industry - Wood
Preservation and Protection
4241**

Information relating to wood preservation and protection such as railroad ties including reports and surveys from companies.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Forestry
4245**

Information relating to forestry such as forest management including policies.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Forestry -
Protection Strategy Development
4246**

Information relating to protection strategy development such as logging practices, herbicides/pesticides.

Undesignated

**Green Plan
4100**

Information relating to Canada's Green Plan including programs, funding, accountability and initiatives in regards to the protection and enhancement of land, water, air and renewable resources in Canada.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Heavy Water Production
4338**

Information relating to heavy water production including technical reports, statistical tables and strategies concerning safety, environmental performance and review of major systems of equipment and facilities at heavy water plants in Canada.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Interagency Programs
4151**

Information relating to interagency programs on energy issues with international and provincial organizations, agencies.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Interagency Programs -
Energy Issues - Federal Agencies
4152**

Information relating to specific federal agencies including activities, power transmission lines.

Undesignated

**Interagency Programs -
Energy Issues -
Industrial Associations
4153**

Information relating to industrial associations including reports on environmental requirements sub-section and panels.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Interagency Programs -
Energy Issues -
International Organizations
4154**

Information relating to specific international organizations including task forces, commissions and working groups.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Interagency Programs -
Energy Issues - Provincial Agencies
4155**

Information relating to specific provincial agencies including reports, task forces.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Inventory Development and Analysis
4375**

Information relating to inventory development including data collected through larger organic chemical companies in Canada.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Laboratory Operations -
Analytical Services
4390**

Information relating to laboratory operations such as analytical services including equipment evaluation, underground research laboratory, mobile.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Land Development Project Assessment
4404

Information relating to Lands Development Project Assessment such as agricultural drainage program, level of decommissioning contaminated industrial sites, abandoned or contaminated landfill sites.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Information relating to the development of international or federal/provincial agreements.

Confidential or Secret - Depending on severity of injury, ATI s.14, 15, Priv. s.20, 21

Long Range Transport of Air Pollutants (LRTAP)
4440

Information relating to long range transport of air pollutants such as acid rain funding, acid rain information programs, proposals, agreements, forest damage including studies, reports, working groups.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Long Range Transport of Air Pollutants (LRTAP) - Committees
4443

Information relating to (LRTAP) committees including agendas, minutes, reports.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Marine Environmental Quality (MEQ)
4535

Information relating to marine environmental quality (MEQ) including protection of the marine and arctic marine environment, marine debris, federal marine activities, committees and boards, studies.

Undesignated

Mining, Mineral and Metallurgical Processes
4481

Information relating to mining, mineral and metallurgical processes such as project assessments, peat.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Mining, Mineral and Metallurgical Processes - Coal
4480

Information relating to coal such as coal dust, coke ovens including status reports.

Undesignated

Mining, Mineral and Metallurgical Processes - Industrial Mineral Producers
4482

Information relating to industrial mineral producers such as asbestos, lime.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Mining, Mineral and Metallurgical Processes - Industrial Mineral Producers - Asphalt
4490

Information relating to asphalt with industries including reports, studies.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Mining, Mineral and Metallurgical Processes - Industrial Mineral Producers - Cement Plants
4491

Information relating to cement plants including reports and studies.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Mining, Mineral and Metallurgical Processes - Mines and Mills
4484

Information relating to mines and mills such as Yukon Placer mining, base metal mines, mine tailings, gold mines, sand and gravel including regulations, status reports, guidelines.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Mining, Mineral and Metallurgical Processes - Primary Metallurgical Industries
4483

Information relating to primary metallurgical industries such as iron and steel, ferro alloy, non-ferrous, ferrous and sinter plants.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Mining, Mineral and Metallurgical Processes - Secondary Lead Smelters
4486

Information relating to secondary lead smelters with industries including status reports.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Mining, Mineral and Metallurgical Processes - Smelting and Refining Companies
4487

Information relating to smelting and refining companies such as aluminium, non-ferrous.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Mining, Mineral and Metallurgical Processes - Uranium Mines
4488

Information relating to uranium mines such as joint panel on occupational and environmental research for uranium production, national uranium tailings program including reports and studies.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Motor Vehicles
4492

Information relating to motor vehicles such as regulations, standards and nitrogen oxide emission trends.

Undesignated

Information relating to the development of international or federal/provincial agreements.

Confidential or Secret - Depending on severity of injury, ATI s.14, 15, Priv. s.20, 21

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

NAPS Network Data Processing and Publication
4502

Information relating to national air pollution surveillance data processing and publications such as air quality data base, national air pollution or air quality trends including reports and studies.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**NAPS Network
Program Activities and Summaries
4505**

Information relating to program activities and summaries such as ambient air monitoring surveys, monitoring of fugitive emission including monitoring equipment, workshops.

Undesignated

**NAPS Network
Provincial and Regional Activities
4504**

Information relating to provincial and regional activities such as monitoring including reports and studies.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**National Contaminated Sites
Remediation Program (NCSRP)
4104**

Information relating to federal sites, orphan sites, technology development on contaminated sites including reports, workshops, inventories, federal/provincial agreements.

Undesignated

Information relating to the development of federal/provincial agreements.

Confidential or Secret Depending on severity of injury, ATI s.14, Priv. s.20

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Pollution - Air - Incinerators -
National Incinerator Testing and
Evaluation Program (NITEP)
4506**

Information relating to national incinerator testing and evaluation program including combustion, update.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Nitrogen Oxides/Volatile Organic
Compound Management Plan
(NOX/VOC)
4005**

Information relating to NOX Protocol, VOC Protocol, NOX/VOC Consultation Office including federal-provincial agreements, Phase I implementation and tracking system.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Northern and Rural
Environmental Engineering
4742**

Information relating to various cost and energy saving devices for rural environmental engineering including technical information, technology transfer.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Northern and Rural Environmental
Engineering - Liaison - Agencies
4743**

Information relating to liaison with agencies such as memorandum of understanding, housing, external, rural and native research programs.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13/Priv. s.19

**Northern and Rural Environmental
Engineering - Liaison - EP Regions
4744**

Information relating to regional liaisons including reports, surveys.

Undesignated

**Northern and Rural Environmental
Engineering - Liaison - Provincial
4745**

Information relating to provincial liaisons such as municipal services, on-site systems.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Northern and Rural Environmental
Engineering - Promotion of Projects
4749**

Information relating to promotion of projects in the industry sector.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Northern and Rural Environmental
Engineering - Proposals
4747**

Information relating to specific proposals such as international water saver toilet, cold climate lagoons, servicing in areas subject to adverse conditions.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Ocean Dumping Control
4540**

Information relating to the disposal of waste material at sea including policies, Treasury Board submissions, funds, reports.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Ocean Dumping Control -
Applications and Permits
4543**

Information relating to applications and permits under the Ocean Dumping Control Act for disposal of waste at sea.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Personal information contained in ocean dumping permits.

Protected A, Pers. Info., Priv. s.3

**Ocean Dumping Control -
Ocean Dumping Control Act
4550**

Information relating to the Ocean Dumping Control Act which governs the use of Canadian seas, ships, and aircraft in the disposal of waste material at sea either by dumping or by incineration.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Ocean Dumping Control -
Topical Issues
4547**

Information relating to topical issues such as abandonment of artificial islands, fuel dumping from aircraft, freshwater dredging, incineration at sea, radioactive wastes.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Oil, Gas and Energy
4560**

Information relating to environmental protection during exploration, development and production of oil and gas in Canada.

Undesignated

**Oil Gas and Energy - Companies
4576**

Information relating to oil, gas and energy with companies including annual compliance reports.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Exploration Project Assessment - North of 60
4571

Information relating to exploration project assessment north of the 60 such as drilling operations, ocean mining, arctic pilot projects including status reports, panel reviews

Undesignated

Information received "In confidence" from outside agencies or companies

Protected B, Bus. Info., ATI s.20

Exploration Project Assessment - South of 60
4572

Information relating to exploration project assessment south of the 60 such as seismic applications including status reports, panel reviews

Undesignated

Information received "In confidence" from outside agencies or companies

Protected B, Bus. Info., ATI s.20

Oil, Gas and Energy - Fuel Cycles
4561

Information relating to fuel cycles such as contaminated/tainted fuels, composition, inventories including regulations and guidelines.

Undesignated

Oil, Gas and Energy - Fuel - Alternates
4566

Information relating to alternate fuels such as alcohol and gasohol, diesel, hydrogen, natural gas, propane, methanol and ethanol, electricity.

Undesignated

Oil, Gas and Energy - Fuel Cycles - Biomass
4562

Information relating to biomass such as agricultural products, municipal wastes, peat, wood.

Undesignated

Oil, Gas and Energy - Fuel Cycles - Coal
4563

Information relating to coal including studies, task forces, coal liquefaction and gasification.

Undesignated

Oil, Gas and Energy - Fuel - Gasoline
4567

Information relating to gasoline such as leaded and lead-free gasoline including reports, regulations, programs, monitoring and enforcement.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Oil, Gas and Energy - Fuel Cycles - Nuclear
4565

Information relating to nuclear such as fusion program, data base including studies, surveys, project assessments.

Undesignated

Oil, Gas and Energy - Pipelines
4640

Information relating to pipelines such as failures including reports, surveys.

Undesignated

Oil, Gas and Energy - Pipelines - Project Assessments
4642

Information relating to project assessments such as Alaska highway gas pipeline, Norman Wells pipeline including reports, regulations.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Oil, Gas and Energy - Processing
4573

Information relating to processing such as new fuels including studies and surveys.

Undesignated

Oil, Gas and Energy - Processing - Gas Plants
4577

Information relating to gas plants such as project assessments, studies and surveys, control instruments including regulations and guidelines.

Undesignated

Oil, Gas and Energy - Processing - Petroleum Upgrading and Refining
4575

Information relating to petroleum upgrading and refining such as project assessment, control instruments, regulations including studies and surveys, monthly reports.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Oil Gas and Energy - Production
4578

Information relating to production such as drilling fluids and muds including environmental awareness training, conventional land based.

Undesignated

Oil, Gas and Energy - Production - Insitu Bitumen and Heavy Oil
4579

Information relating to insitu bitumen and heavy oil production including project assessments, studies and surveys, control instruments.

Undesignated

Oil Gas and Energy - Production Offshore
4580

Information relating to offshore production including project assessments, studies and surveys, control instruments.

Undesignated

Oil, Gas and Energy - Production - Oil Sands
4568

Information relating to oil sands such as tar sands including project assessments, studies and surveys, control instruments.

Undesignated

Pesticides
4610

Information relating to pesticides such as coordination, inorganic, non-chemical including scientific and technical information submitted to Agriculture Canada pursuant to the Pest Control Products Act.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Pesticides - Control Programs
4615

Information relating to control programs such as blackflies, grasshoppers, mosquitoes, spruce budworms.

Undesignated

Pesticides - Reevaluation
4622

Information relating to reevaluation of pesticides such as fungicides, herbicides, insecticides.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Pesticides - Registration
4624

Information relating to registration of pesticides such as bactericides, fungicides, herbicides, insecticides including applications, regulations.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Pesticides - Research and Trade Information
4628

Information relating to research and trade information including protocols on fungicides, herbicides and insecticides.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Notes :

Notes :

**Waste Treatment - Biological
4990**

Information relating to biological waste treatment such as activated sludge hazardous waste treatment assessment, lagoon treatment, land application, microbiological treatment.

Undesignated

**Waste Treatment -
Physical/Chemical
4992**

Information relating to physical/chemical waste treatment such as hazardous waste separation, neutralization, solidification characterization assessment.

Undesignated

**Waste Treatment - Thermal
4993**

Information relating to thermal waste treatment such as industrial boilers destruction, hazardous waste incineration, molten salt destruction, plasma arc destruction, PCB destruction technology.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

*Protected B, Bus. Info., Other Govts, ATI
s.20, 13, Priv. s.19*

**Wastewater and Sewage
7620**

Information relating to wastewater and sewage such as infrastructure costs, laboratory wastes, fish hatcheries, arctic wastes.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

*Protected B, Bus. Info., Other Govts, ATI
s.20, 13, Priv. s.19*

**Wastewater and Sewage - Collection
7621**

Information relating to collection such as combined sewer overflows, urban runoff/snow disposal, lift stations.

Undesignated

**Wastewater and Sewage - Treatment
7622**

Information relating to treatment systems such as communal systems, individual residential systems, sludges, mobile sources.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Wastewater and Sewage -
Treatment - Municipal
7616**

Information relating to municipal wastewater and sewage treatment such as sewage systems, permafrost, federal establishments, sewer use control including studies, inventory.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Wastewater and Sewage - Treatment
- Municipal/Industrial Strategy for
Abatement (MISA)
7618**

Information relating to municipal/industrial strategy for abatement (MISA) such as best management practices, regulation development, pilot sites and modeling.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Wastewater Treatment
4994**

Information relating to wastewater treatment such as purification.

Undesignated

**Water Supply and Treatment
7770**

Information relating to water supply and treatment such as reverse osmosis, boiler water treatment including municipal.

Undesignated

Information relating to the development of federal/provincial agreements. Any correspondence, record or documentation relating to deliberations/consultations being conducted with the provinces on federal-provincial affairs including advice developed for the Minister, other officials and other government departments. Any information concerning strategies and/or tactics to be adopted by the Department in negotiating agreements or that continues to jeopardize the Department's position in future negotiations.

*Secret, Federal-Provincial Affairs, ATI
s.14, Priv. s.20*

Draft environmental or water resource legislation and supporting documentation.

*Secret until given Royal assent, ATI s.69,
Priv. s.70*

See Administration, Acts and Legislation.

Waste Disposal - Methods

4968

Information relating to waste disposal methods such as deep well injection assessment, landfill assessment, surface impoundment assessment.

Undesignated

Waste Disposal - Methods - Chemicals

4969

Information relating to waste disposal methods specific to chemicals such as liquid wastes, mirex disposal including groundwater studies.

Undesignated

Waste Disposal - Remediation

4970

Information relating to remediation such as control strategies, technology development, site remediation/foreign.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Waste Disposal - Sites Studies

4972

Information relating to sites studies in conjunction with the provinces and the territories.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Waste Disposal - Solid Waste

4971

Information relating to solid waste disposal including consultation services, hazardous waste, inventory, resource recovery, handling, technical evaluations.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Waste Disposal - Monitoring

4973

Information relating to monitoring of waste including plasma ARC, Ontario landfills, pathological waste, carcinogenic waste, Ontario Hydro PCB process.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Waste Management - Foreign Interests

4977

Information relating to foreign interests including reports, surveys and studies.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Waste Management - National Interest Group

4978

Information relating to national interest groups such as Canadian Environmental Law Association, Friends of the Earth, Pollution Probe.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Waste Recycling

4980

Information relating to waste recycling such as Canadian material waste exchange, federal office paper program, multi material separation.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Waste Recycling - Public Information

4982

Information relating to public information such as film, slides, road maps, symbol.

Undesignated

Waste Recycling - Studies

4983

Information relating to specific studies such as energy recovery, glass, hazardous wastes, metals, oil, paper, plastics, rubber, solvents including technology and waste exchange.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Waste Source Assessments - Industrial

4986

Information relating to industrial waste source assessments such as energy generation, fabricated metals, mining, oil and gas exploration, organic and inorganic chemicals including inventories and facilities.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Waste Source Assessments - Non-industrial

4987

Information relating to non-industrial waste source assessments such as educational institutions, federal and provincial facilities, medical institutions, residential waste.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Waste Management - Technology

4979

Information relating to waste management technology such as waste solvent testing, incineration at sea including PCB action plan.

Undesignated

Waste Control

4960

Information relating to waste control in conjunction with provincial and foreign governments such as hazardous material disposal, bio-medical wastes, including guidelines, audit manual.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Waste Control - Codes of Practice

4964

Information relating to codes of practice within federal facilities, provincial and foreign codes.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Waste Control - Guidelines

4962

Information relating to waste control guidelines such as landfill, institutional waste, PCB handling, municipal solid waste incinerators.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Waste Control - Refuse

4965

Information relating to refuse such as collection, incineration, landfills, recovery/ reuse.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Waste Control - Transportation of Dangerous Goods

4966

Information relating to transportation of dangerous goods such as candidate hazardous wastes, radioactive waste including Canadian, foreign and provincial manifests, boundaries, inspection activities.

Undesignated

Information relating to ongoing investigations under the Transportation of Dangerous Goods Act.

Protected B, Law Enforcement, ATI s.16, Priv. s.22, 24

Personal information contained in exemption permits and equivalent level and safety permits.

Protected A, Pers. Info., Priv. s.3

Spill Information - Hazardous Material and Oil 4800

Information relating to spill information on various activities carried out by foreign governments, industries and universities.

Undesignated

Information relating to the development of international or federal/provincial agreements.

Confidential or Secret, Depending on severity of injury, ATI s.14, 15, Priv. s.20, 21

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Spill Special Projects - Hazardous Material and Oil 4802

Information relating to spill special projects such as arctic marine oil spill program, emergency response, chemical hazards emergencies countermeasure including legal action.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Spill Technology - Hazardous Material 4805

Information relating to various aspects of the prevention and control of environmental emergencies, specific to hazardous material.

Undesignated

Information relating to the development of international or federal/provincial agreements.

Confidential or Secret, Depending on the severity of injury, ATI s.14, 15, Priv. s.20, 21

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Spill Technology - Oil 4808

Information relating to various aspects of the prevention and control of environmental emergencies, specific to oil.

Undesignated

Information relating to the development of international or federal/provincial agreements.

Confidential or Secret, Depending on severity of injury, ATI s.14, 15, Priv. s.20, 21

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Tanker Projects 4825

Information relating to various tanker projects in the Arctic and East/West Coast. General information on winter navigation in the St. Lawrence and the Great Lakes.

Undesignated

Information relating to the development of international or federal/provincial agreements.

Confidential or Secret, Depending on severity of injury, ATI s.14, 15, Priv. s.20, 21

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Technical Information - Analytical - Regional 4836

Information relating to technical information from various companies and regions on analytical projects.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Technology Development 4954

Information relating to technology development with industries, universities, associations.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Testing - New Chemicals 4840

Information relating to the testing of new candidate chemicals such as EPA testing program, OECD testing program, other EP laboratories including contracts.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Toxic Chemical Issues 4863

Information relating to specific toxic chemical issues such as methodology, leachability, radionuclides.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Toxic Chemicals Management Program (TCMP) 4861

Information relating to better management of chemicals. A communication and action plan with various publications to educate the public on the use and misuse of chemicals including policy statements and public consultation.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Information pertaining to draft legislative documents.

Secret until given Royal assent, ATI s.69, Priv. s.70

Toxic Chemicals Management Program (TCMP) - Advocacy/Communications 4862

Information relating to advocacy and communications including action plans, brochures and publications, public consultation.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Unsolicited Proposal Program 4884

Information relating to unsolicited proposal programs including status reports, science contracts awarded.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

Vehicle Emission Testing Program 4902

Information relating to the commercial testing program and compliance program. Regulations and guidelines development for emission standards.

Undesignated

Vessels, Ports and Harbours 4920

Information relating to acts and regulations governing shipping vessels including inspections, facilities.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Waste Management 4975

Information relating to waste management policies and practices, including cabinet directives, public consultations, definitions, inventories, planning, guidelines, disposals.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Waste Disposal - Facility Siting 4967

Information relating to facility siting in conjunction with provinces and territories including surveys and reports.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Power and Heating -
Heating Systems - Residential
4146**

Information relating to residential heating systems including waste oil heating, wood burning devices.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Power and Heating -
Hydro Electric
4137**

Information relating to hydro electric including thermal power requirements and demands, guidelines, projects.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Power and Heating - Steam Electric
Power Generation (SEPG)
4139**

Information relating to steam electric power generation including impact appraisals.

Undesignated

**Power and Heating -
Steam Electric Power Generation
(SEPG) - Fossil-fuelled
4141**

Information relating to fossil-fuelled generating stations including project assessments.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Power and Heating - Steam Electric
Power Generation (SEPG) -
Fossil/Nuclear - Studies and
Surveys/Control Instruments
4142**

Information relating to fossil/nuclear including specific studies, surveys and control instruments.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Power and Heating - Steam Electric
Power Generation (SEPG) - Nuclear
4140**

Information relating to nuclear projects including assessments at generating plants, fuel fabrication.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Program Evaluation/Review
4695**

Information relating to program evaluation and review including reports, studies, surveys.

Undesignated

**Program Thrust
4702**

Information relating to various program thrust such as life cycle, risk management.

Undesignated

**Program Thrust -
Environmental Sensing
4701**

Information relating to environmental sensing including data quality and management, ecotoxicological testing, monitoring, strategy, environmental auditing.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Projects
4706**

Information relating to major industrial accidents. Their causes and future prevention, decommissioning, clean-up and re-use of industrial sites, environmental auditing.

Undesignated

Schedules and methodologies relating to environmental audits.

Protected B, Tests, Audits, ATI s.22

**Quality Assurance/Quality Control
Programs - ASD
4715**

Information relating to quality control programs such as contact evaluation & protocols, interlaboratory studies, professional institutes including analytical reports.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Quality Assurance -
Vehicle Test Data
4716**

Information relating to vehicle test data such as cross-correlation programs, JAMA project.

Undesignated

**Radioactive Materials
4720**

Information relating to radioactive materials such as licenses, disposal, inventory, safety.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Railways
4730**

Information relating to railway expansion, reports on good practices for the transport of coal by train, emissions from diesel locomotive and railway tie disposal.

Undesignated

**Roads and Highways
4738**

Information relating to codes of good practice for the construction and maintenance of roads and highways including annual reports of the Interdepartmental Highway Committee.

Undesignated

Information relating to the development of international or federal/provincial agreements.

Confidential or Secret, Depending on severity of injury, ATI s.14, 15, Priv. s.20, 21

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Shellfish - Canada/US Program
4794**

Information relating to sanitary controls, protocols and methods of the Shellfish Program in both Canada and the U.S. such as regulations, audits, shellfish relaying permits, contaminated areas, disease investigations, communications.

Undesignated

Information relating to the development of international or federal/provincial agreements.

Confidential or Secret, Depending on severity of injury, ATI s.14, 15, Priv. s.20, 21

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Shellfish -
Monitoring and Remedial Program
4796**

Information relating to monitoring and remedial programs such as bacteriological methodology, shellfish growing areas including reports, surveys.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Socio-Economic Analysis
4799**

Information relating to Socio-Economic Analysis and the Regulatory Impact Analysis Statement (RIAS). Recommendations and compliance regulations relating to vehicle emission standards, lead in gasoline, pulp and paper industry, hazardous waste

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Pollution - Incidents -
Special Interest
7808**

Information relating to special interest incidents such as boundary waters, cleanup costs and damages, groundwater, tankers, dioxins.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Pollution - Prevention
7816**

Information relating to prevention projects such as national pollution prevention strategy, response preparedness, spill prevention.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Pollution - Water
7817**

Information relating to water pollution such as programs, regulations, water licences, biological analysis, fish kill reports, ice infested waters, groundwater.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Pollution - Prevention Projects -
Leaking Underground Storage
Tanks (LUST)
7818**

Information relating to leaking underground storage tanks (LUST) such as statistics and reports, legal case studies, workshops, newsletters, federal facilities inventory, code of practice.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Pollution - Water - Algae
7819**

Information relating to algae including reports, studies, surveys.

Undesignated

**Pollution - Water - Cadmium
7820**

Information relating to cadmium including reports, studies, surveys.

Undesignated

**Pollution - Water - Chemicals
7821**

Information relating to chemicals such as organic chemical production including reports, studies, surveys.

Undesignated

**Pollution - Water - Control -
Environmental Quality
7822**

Information relating to environmental quality control including reports, studies, surveys, newspaper clippings.

Undesignated

**Pollution - Water -
Detergents/Phosphates
7823**

Information relating to detergents/phosphates such as analysis results including reports, studies, surveys.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Pollution - Water - Industry
7824**

Information relating to industries such as fertilizers, pulp and paper effluents, unit coal train, gold roasting including reports, studies, surveys.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Pollution - Water - International
and Transboundary Waters
7825**

Information relating to international and transboundary waters including effects of water pollution on public recreation, studies, surveys, reports.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Pollution - Water - Mercury
7826**

Information relating to mercury including studies, surveys, reports.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Pollution - Water - Mines
7827**

Information relating to mines including studies, surveys, reports.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Pollution - Water - Oil
7828**

Information relating to oil such as identification of oil spills-fingerprinting including newspaper clippings, studies, surveys, reports.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Pollution - Water - Pulp and Paper
7829**

Information relating to pulp and paper including studies, surveys, reports.

Undesignated

**Pollution - Water - Thermal
7830**

Information relating to thermal including projects and proposals, national cooling water guidelines, water quality reports.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

**Power and Heating
4133**

Information relating to electric power forecasts including studies, surveys, project assessments.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

**Power and Heating -
Central Heating Systems
4134**

Information relating to central heating systems including project assessments, studies and surveys, federal facilities.

Undesignated

Information received "In confidence" from outside agencies or companies.

Protected B, Bus. Info., ATI s.20

**Power and Heating -
Heating Systems - Commercial
4145**

Information relating to commercial heating systems including guidelines, regulations, federal/provincial agreements and understandings for the protection from and prevention of environmental emergencies.

Undesignated

Information relating to the development of international or federal/provincial agreements.

Secret or Confidential, Depending on severity of injury, ATI s.14, 15, Priv. s.20, 21

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Pesticides - Research Permits

527

Information relating to research permits including reports, surveys.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Plans and Programs

4002

Information relating to operational policies, procedures, guidelines, program planning activities of the department; review and analysis of progress in program accomplishments in relation to program goals.

Undesignated

See Administration Section - Goals and Objectives

Policy Development

4680

Information relating to policy development such as emergency response policy, economic, energy, environmental quality protection policy, marine, mining including accords, compliance and enforcement.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Pollution

7800

Information relating to pollution such as noise, cleanup, environmental concern, including programs, devices, dispersants, sorbents, procedures.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Pollution - Air

7809

Information relating to air pollution such as air pollution food processes emission including regulations.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Pollution - Air - Control Technology

7810

Information relating to control technology such as system for thermal decomposition studies, industrial pollution, health effects, complaints.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Pollution - Air - Measurement

7811

Information relating to measurement such as advice and consultation, equipment, surveillance, emission inventory.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Pollution - Air - Measurement - Assessments

7812

Information relating to measurement assessments such as wood combustion, particulate matter, acid precipitation, vehicle emission standards.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Pollution - Air - Measurement - Source - Reference/Recommended Methods

7813

Information relating to source reference/recommended methods such as particulate matter including arsenic, asbestos.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Pollution - Air - Measurement - Source - Surveys

7814

Information relating to source surveys such as source testing procedures, chemical processes, coal preparation, combustion source, incineration and open burning.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Pollution - Air - Measurement - Special Studies

7815

Information relating to special studies such as asphalt paving, air quality, emission objectives for industrial boilers.

Undesignated

Information obtained "In confidence" from other governments.

Protected B, Other Govts, ATI s.13, Priv. s.19

Pollution - Incidents - Analysis

7802

Information relating to incidents analysis such as cleanup costs and damages, risk, spills, trends, operation preparedness.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Pollution - Incidents - Atlantic Region

7803

Information relating to incidents in Atlantic Region including reports, studies, surveys.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Pollution - Incidents - Quebec Region

7804

Information relating to Quebec Region incidents including reports, studies, surveys.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Pollution - Incidents - Ontario Region

7805

Information relating to Ontario Region incidents including reports, studies, surveys.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Pollution - Incidents - Western and Northern Region

7806

Information relating to Western and Northern region incidents including reports, studies, surveys.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19

Pollution - Incidents - Pacific and Yukon Region

7807

Information relating to Pacific and Yukon Region incidents including reports, studies, surveys.

Undesignated

Information received "In confidence" from outside agencies or companies and other governments.

Protected B, Bus. Info., Other Govts, ATI s.20, 13, Priv. s.19
