## **1.0 Introduction**

The Canadian Centre for Occupational Health and Safety (CCOHS) is pleased to present to Parliament its annual report on the administration of the *Access to Information Act* (ATIA) for the fiscal year commencing April 1, 2020 and ending March 31, 2021.

### **1.1 About the *Access to Information Act* and Section 94 Requirement**

The purpose of the *Access to Information Act* is to provide a right of access to information in records under the control of a government institution. The Act maintains that government information should be available to the public; that necessary exceptions to the right of access should be limited and specific; and that decisions on the disclosure of government information should be reviewed independently of government. This report is prepared in accordance with Section 94 of the *Access to Information Act*.

Section 94 of the *Access to Information Act* and Section 20 of the *Service Fees Act* requires that the head of every federal government institution submit an annual report to Parliament on the administration of the Act during the fiscal year. This report outlines CCOHS' accomplishments in carrying out its access to information responsibilities and obligations during the 2020-2021 reporting period.

### **1.2 About the Canadian Centre for Occupational Health and Safety**

The Canadian Centre for Occupational Health and Safety is a departmental corporation under Schedule II of the *Financial Administration Act*, created by Parliament in April 1978 to promote the right of workers in Canada to a healthy and safe working environment. CCOHS is governed by a tripartite council with representatives of employers, workers and governments (federal, provincial and territorial) and is accountable to Parliament through the Minister of Labour. CCOHS is subject to the *Access to Information Act* and *Privacy Act* (ATIP).

CCOHS' mandate is to serve workers in Canada and the world with credible and relevant tools and resources to improve workplace health and safety programs. We believe that all workers in Canada have a fundamental right to a healthy and safe working environment. Through our programs, services, knowledge, commitment, and action, CCOHS will continue its efforts to advance health and safety in the workplace.

CCOHS is Canada's national occupational health and safety resource which is dedicated to the advancement of occupational health and safety performance by providing necessary services including information and knowledge transfer; training and education; cost-effective tools for improving occupational health and safety performance; management systems services supporting health and safety programs; injury and illness prevention initiatives and promoting the total well-being – physical, psychosocial and mental health - of working people. The Centre was created to provide a common focus for and coordination of information in the area of occupational health and safety.

To do this, CCOHS organizes its programs and services to achieve the following strategic outcome:

Improved workplace conditions and practices that enhance the health, safety and well-being of workers in Canada.

## **2.0 Access to Information at CCOHS**

CCOHS' Vice-President, Finance and Chief Financial Officer, who is also the ATIP Coordinator, has been delegated by the President and Chief Executive Officer to exercise authority for all sections of the ATIP Acts with the exception of 8(2)(e) of the *Privacy Act*.

The Vice-President, Finance and Chief Financial Officer is accountable for the development, coordination and implementation of effective policies, guidelines, systems and procedures to ensure the President and Chief Executive Officer's responsibilities under the Act are met and to enable appropriate processing and proper disclosure of information. The Coordinator is also responsible for related policies, systems and procedures emanating from the Act.

As CCOHS is a small department with very few requests, minimal time is spent administering the Act. Support is also provided by the Financial Administrative Officer.

The activities of CCOHS for Access to Information (ATI) are:

- processing requests under the Act through manual data retrieval processes;
- representing CCOHS in dealings with the Treasury Board of Canada Secretariat, the Information Commissioner and other government departments and agencies regarding the application of the Act as it relates to CCOHS;
- responding to consultations submitted by other federal institutions on CCOHS documents under consideration for release;
- preparing statistical and annual reports to Parliament and other statutory reporting requirements, as well as other material that may be required by central agencies;
- developing and maintaining policies, procedures and guidelines to ensure the Act is respected by departmental staff;
- promoting awareness of the Act within the Department to ensure responsiveness to the obligations imposed on the government;
- monitoring departmental compliance with the Act, regulations and relevant procedures and policies; and
- a monthly summary of ATI requests is posted online.

Under Section 96 of the *Access to Information Act*, institutions within the same ministerial portfolio can work together to process requests. CCOHS was not party to any service agreements with other government departments related to access to information during the reporting period.

Additional copies of this report may be obtained from:

Access to Information and Privacy Coordinator  
Canadian Centre for Occupational Health and Safety  
135 Hunter Street East  
Hamilton, Ontario, L8N 1M5

### 3.0 Access to Information Delegation Order

Section 95(1) of the *Access to Information Act* empowers the head of the institution to delegate any of the powers, duties or functions assigned to them to employees of the institution.

A signed and dated copy of the Delegation Order can be found in Annex A.

### 4.0 Summary of Key Data

The Statistical Report on the *Access to Information Act* for 2020-2021 can be found in Annex B.

#### 4.1 Requests Received and Completed Under the *Access to Information Act*

CCOHS received eight Access to Information requests during 2020-2021 which was higher than the number of requests received in previous years. There was no impact of COVID-19-related measures on the department’s ability to fulfill its *Access to Information Act* responsibilities and no mitigation measures were implemented.

All requests were completed within legislated timelines for fiscal years 2016-2017 to 2020-2021. Three requests during the reporting period were completed within 1 to 15 days of receiving the request and five requests were completed within 16 to 30 days. Of those requests where records were identified, there were 33% for which records were disclosed in part and 67% for which records were all disclosed.

ACCESS TO INFORMATION REQUESTS	2020-2021	2019-2020	2018-2019	2017-2018	2016-2017
REQUESTS RECEIVED	8	3	0	4	1
REQUESTS COMPLETED	8	3	0	4	1
REQUESTS COMPLETED WITHIN LEGISLATED TIMELINES	100%	100%	N/A	100%	100%

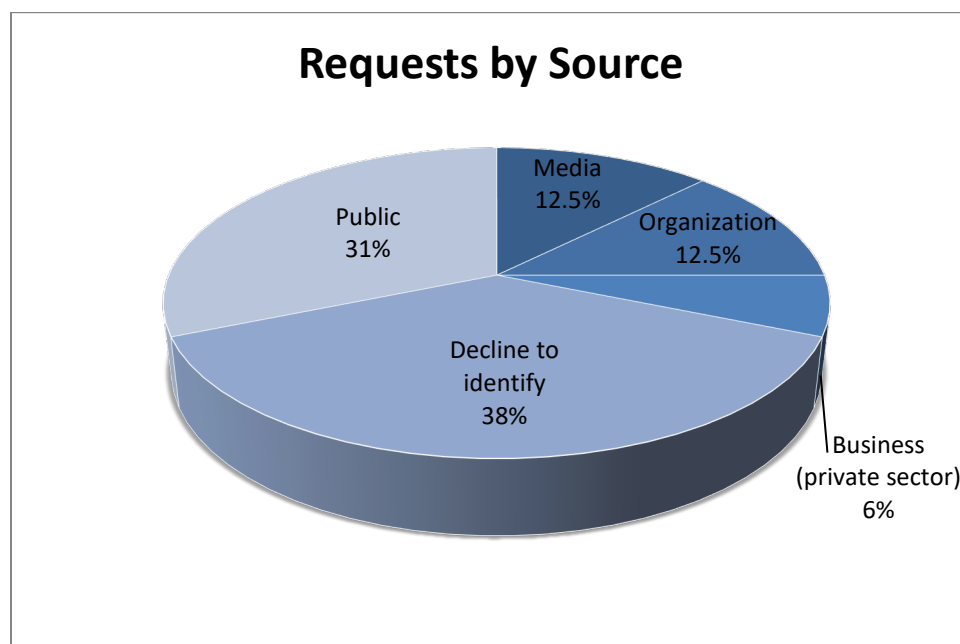

#### 4.2 Sources of Requests

Most requesters over the past five years identified themselves as “decline to identify” (6) followed by requests from the public (5).

A breakdown of the number requests by source for the five-year period starting April 1, 2016 to March 31, 2021 is found in the table below.

REQUESTS BY SOURCE	2020-2021	2019-2020	2018-2019	2017-2018	2016-2017	TOTAL
Academic	0	0	0	0	0	0
Business (private sector)	0	0	0	0	1	1
Media	0	2	0	0	0	2
Public	2	1	0	2	0	5
Organization	0	0	0	2	0	2
Decline to identify	6	0	0	0	0	6
TOTAL	8	3	0	4	1	16

The percentage of the total requests by source over the same five-year period are found in the chart below.

### 4.3 Exemptions and Exclusions

This section of the Statistical Report identifies the number of requests where specific types of exemptions were invoked to deny access. In 2017-2018, two exemptions were invoked: section 19 (personal information) and section 20 (third-party information). No exemptions were invoked in 2016-2017 or since 2017-2018.

SECTION	EXEMPTIONS INVOKED BY FISCAL YEAR				
	2020-2021	2019-2020	2018-2019	2017-2018	2016-2017
s. 19 (personal information)	0	0	0	1	0
s. 20 (third party information)	0	0	0	1	0

The *Access to Information Act* also allows for the exclusion of certain types of information from its application, specifically records that are already available to the public (section 68) and confidences of the Queen's Privy Council for Canada (section 69), which require consultation

with the Department of Justice. No exclusions were applied to any information contained in records for completed requests during the previous five fiscal years.

#### **4.4 Consultations Received from Other Government of Canada Institutions and Other Organizations**

In 2020-2021, CCOHS did not receive any consultation requests from other Government of Canada institutions.

#### **5.0 Reporting on Access to Information fees**

The *Service Fees Act* requires a responsible authority to report annually to Parliament on the fees collected by the institution.

With respect to fees collected under the *Access to Information Act*, the information below is reported in accordance with the requirements of section 20 of the *Service Fees Act*.

- Enabling authority: *Access to Information Act*
- Fee Amount: \$5.00 application fee
- Total revenue: \$40.00 collected during fiscal 2020-2021
- Fees waived: No fees were waived during the fiscal 2020-2021
- Fees refunded: \$10.00 as CCOHS was not the appropriate responding department
- Cost of operating the program: \$800.00

#### **6.0 Training and Awareness Activities**

CCOHS is a small department and receives limited requests under the Act each year. Therefore, no formal training has been given to staff.

#### **7.0 Policies, Guidelines and Procedures**

CCOHS has not implemented any new policies, guidelines or procedures during the year.

#### **8.0 Complaints and Investigations**

CCOHS did not receive any complaints during this reporting period.

#### **9.0 Monitoring and Compliance**

Due to the low volume of requests received, CCOHS does not have a formal or automated tracking system to record completion time. Instead, a manual record is used to track the progress of its requests which is monitored by the Vice-President of Finance and the Financial Administrative Officer. Should there be a need to request an extension, CCOHS' President and Chief Executive Officer would be notified.

## Annex A: Delegation Order

### Access to Information Act – Delegation Order

Pursuant to the powers of delegation conferred upon me by Section 73 of the *Access to Information Act*, the person exercising the functions and position of departmental Access to Information and Privacy Coordinator and the respective successor, including in the Coordinator's absence, a person or officer designated in writing to act in the place of the holder of such functions and position is hereby authorized to exercise these powers, duties or functions of the Minister as the head of the government institution under the Act, set out in the attached schedule.

The person exercising the functions and position of departmental Access to Information and Privacy Coordinator and the respective successor, including in the Coordinator's absence, a person or officer designated in writing to act in the place of the holder of such functions and position, is hereby authorized to exercise these powers, duties or functions of the Minister as the head of the government institution under the Act, set out in sections 6, 8, 9 and 10 of the Act.

This delegation order supersedes any previous order executed pursuant to section 73 of the Act.

Anne Tennier  
President and Chief Executive Officer
