Teachers! Students!

The 1993 edition of E-STAT is now available.

Join the 300 schools across Canada who have discovered this new interactive electronic learning tool. First released last year, this popular CD-ROM disc provides you with actual and accurate information on Canada, its people, its economy and culture. Research your topics and display the results in colourful graphs and maps.

As suggested by users, the 1993 edition of E-STAT features:

- 50 ready-to-use lesson plans (covering almost every subject) developed by teachers;
- Improved user interface and streamlined documentation;
- Data updated to July 1993, including basic results of the 1991 Census and additional statistics on health and justice.

For more information, please contact an E-STAT representative at the Statistics Canada Regional Reference Centre nearest you.
