Reliable Journal of Health-related Information

In today's world, being informed about Canadians' health and Canadian healthcare is less of an option and more like an obligation. How accurate and up-to-date your information is, however, remains at your discretion

Follow the lead of hundreds of professionals in health care, research, insurance and policymaking who look to **Health Reports** for reliable facts and figures. Issued four times a year, this periodical combines Statistics Canada's stringent standards of data accuracy and timeliness with practical features. Each volume contains:

- highlights of newly released data
- news of recent publications and updates
- crisp and incisive articles
- information on specialized tabulations and custom data

Concise text, instructive charts and easy-to-read tables make for a balanced blend of essential data and straightforward analysis. Each issue of **Health Reports** is written by the analysts of the Canadian Centre for Health Information with original contributions from outside specialists. This imparts a particularly candid flavour and results in a stimulating approach to a wide range of topics like:

- women and cardiovascular disease
- health care for seniors
- recent findings on cancer, heart disease and tuberculosis
- mortality by occupation
- health risks and social status

With its broad scope and solid facts, **Health Reports** is quickly gaining recognition as an authority on health developments and concerns. It's an essential resource if you plan, establish, deliver or evaluate programs and projects - if you have a vested interest in health-related issues.

Don't just be informed! Know that your information is both current and sound. Get **Health Reports** for leading-edge information on Canadians' health and Canadian healthcare. Subscribe today.

Health Reports (catalogue number 82-0030XPB) is \$112 (plus GST and applicable PST) annually in Canada, US\$136 in the United States and US\$160 in other countries.
