# The Daily on the Internet

The Daily, Statistics Canada's official release bulletin, is now accessible in other formats. All you have to do is choose the method for receiving the latest statistical information that is most convenient for you.

The Daily is on the World Wide Web, so you can enjoy all of the benefits connected with a Web site. For example, statistical information is always at hand because all issues of *The Daily* back to June 1995 are archived and transferable for research. Our Web site address: http://www.statcan.ca.

You can also use Statistics Canada's gopher service, TALON, to access *The Daily*. Gopher is an Internet tool that helps you browse through simple textbased hierarchical menus of information. Address: *gopher gopher.statcan.ca*.

Best of all, E-mail subscriptions to *The Daily* are free. To have *The Daily* delivered right to your desktop every workday, just request a subscription by sending an E-mail message to our automated mailing list server (listserv) at *listproc@statcan.ca*. Leave the subject line blank, and in the body of the message type *subscribe daily Firstname Lastname*.

For further information about *The Daily* on the Internet, contact Michael Thoen (613-951-1208), Dissemination Division.

# he 1994 Statistics Canada Catalogue is

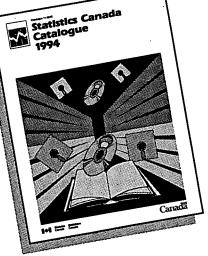

your guide to the most complete collection of facts and figures on Canada's changing business, social and economic environment. No matter what you need to know, the **Catalogue** will point you in the

right direction. From the most popular topics of the day – like employment, income, trade, and education – to specific research studies – like mineral products shipped from Canadian ports and criminal victimization in urban areas – you'll find it all

### ...the 1994 Statistics Canada Catalogue will help you get your bearings...

here.

The **Catalogue** puts all this information at your fingertips. With the expanded index, you can search by subject, author or title – even periodical articles are indexed. There's also a separate index for all our electronic products.

The **Catalogue** has everything you need to access all Statistics Canada's products:

- descriptions of over 25 new titles, plus succinct abstracts of the over 650 titles and 7 map series already produced;
- electronic products in a variety of media, and advice on getting expert assistance on electronic products and on-line searches;
- a complete guide to finding and using statistics;

tabs to each section – so you can immediately flip to the information you need.

### ...time and time again...

To make sure that the **Catalogue** stands up to frequent use, we used a specially coated cover to prevent broken spines, tattered edges and dog-eared corners.

Order today – you'll be lost without it.
