MARCH 2023

Inside

A Word from the Chief of Protocol of Canada	p. 3
Order of Precedence	p. 4
Diplomatic Corps & Consular Representatives	p. 9
International Organizations and Other Offices	p. 187

A Message from the Chief of Protocol of Canada, Mr. Stewart Wheeler:

Diplomatic life is one of continual change – of arrivals and departures, greetings and farewells. In Canada, approximately 200 members of the diplomatic corps depart every month, with another 200 arriving to join our diplomatic community. With colleagues and friends constantly coming and going, I know that it can sometimes be a challenge to keep track of all the changes.

For your convenience, this list of *Diplomatic, Consular and Other Representatives in Canada* contains the addresses of embassies, high commissions, consular posts, accredited international organizations and other special representative offices. Additionally, for courtesy and hospitality reasons, the names of certain persons (indicated with an asterisk*) not recognized under the *Foreign Missions and International Organizations Act* are also included in this document. Any queries regarding the status of particular individuals should be directed to the Office of Protocol.

Our office values your feedback and if there are any inaccuracies, you may contact us at the following email address and we will do our best to verify the information and to correct it in our next issue: xdc@international.gc.ca

The Office of Protocol seeks to provide quality services and information to assist the diplomatic community during their stay in Canada. I sincerely hope that this document serves as a useful tool for you in the conduct of your diplomatic affairs and in the facilitation of exchanges within the diplomatic corps.

Sincerely,

Mr. Stewart Wheeler
Chief of Protocol of Canada
