

Tahkounawashowin, nihtawwikiwin akwa chi-kanwayimik aen pchi beebee maykwawt ooma COVID-19 en malajee kaw-awshoupayik

Kawcheestahoukawiyan poor COVID-19

Il i awn famee aykwawniki poor mitouni ayiwawk en risk kawmshi-awhkoushihk ouschi COVID-19. La prav wawpastahikayw aykwawnima mRNA COVID-19 cheestahouwina i soon paw meshawn poor li moond aykwawniki il i awn famee keema kanoohawashoow. Ooma La saasyitii Weestamakaywin en Bawnd ouschi Cheestahouwin weestamakayw chi-outinamaen mitouni kahkiyw tout sort avek mRNA cheestahouwin keeshpin maykwawt kitahkounawashoun keema kinoohawashoon. Keeshpin namoo wiya kashkihtawn chi outinamaen mRNA cheestahouwin, tapishkoot, akouz kimuypitikoun, chikee itaystamin kootak la paarmisyoon COVID-19 cheestahouwin.

Noo akwyukookh la prav ikouhk oohin cheestahouwina, avek COVID-19 cheestahouwina, oushistow enihtawwoukihk li troub.

Tahkounawashowin

Il i awn famee maykwawt ooma COVID-19 en malajee kaw-awshoupayik chikee mawshkoot li troub. Namou nawnduw chi nakwkatawayhtamen ouschi oohin moushistawin ouschi la malajee ishi ki tahkounawashowin akwa noo kanihtawwikit toon pchi beebee.

La prav wawpastahikayw si baen rawr chi ashoushkamakayin COVID-19 ishi toon beebee maykwawt tahkounawashowin.

Anoush maykwawt scientific la prav wawpastahikayw aykwawnima COVID-19 namoo wiya ayimihikoowin kahkiyw paray maykwawt tahkounawashowin. Ihtakoun ikouhk ouschi aenportaan li vayritee chi itayitakwun, avek:

- toon en risk ouschi ka nakishkamin COVID-19
- en risk kawmshi-awhkoushihk ouschi en malajee keema chi ishpayik keeshpin ki kawshchitinayn COVID-19 maykwawt il i awn famee

Si aenportaan meena chi peekishkwayin avek toon li piblik la saantii pamihawayw.

Keeshpin kawshchitinayn COVID-19 maykwawt kiya il i awn famee, chikee ayawn en risk kawmshi-awhkoushihk ouschi en malajee keema chi ishpayik, avek chi natawayhtaen poor intensive keniwaymowin.

Ooma en risk kawmshi-awhkoushihk ouschi en malajee keema chi ishpayik noukwun pluripir avek awtist COVID-19 li variant. Aenportaan chi ahkamaymou reglee il i awn famee keekaywin maykwawt COVID-19, kiyawn keeshpin chi pounishtahk daan li computer.

Awnshay la michinn ouschi itamashchihowin

Keeshpin ki ayawn la michinn ouschi itamashchihowin, kiya meena chikee en risk kawmshi-awhkoushihk ouschi en malajee keema chi ishpayik. Oohin la michinn ouschi itamashchihowin avek:

- trou graws
- en malajee di suk
- li sawn ipay
- awn navawn lawzh maykwawt tahkounawashowin

Keeshpin ki ayawn la michinn ouschi itamashchihowin akwa kiya il i awn famee, chikee ashaynamim toon en risk ouschi awhkoushiwin avek COVID-19.

Kenawaymishoo akwa kootakak

Maykwawt tahkounawashowin, kiyawpit aenportaan chi awpachistawyin awtist prochikee kipihtinikaywin shaymawnk, kiyawm ouschi toon kawcheestahoukawiyen chi ishpayihk, tapishkoot:

- chi ayawyn aen mRNA cheestahouwin
- chi poostishkamin en mask
- chi ashaynamin namoo wiya si nissisayr didawn-parsonn mamowwiitowin avek li moond ouhpimaen ouschi itay kawweekiyen avek tee famee
- kawshoushta kaw-kipahikawtayk la plaes (avek poor ventilation) akwa daw la bawnd la plaes avek li moond ouhpimaen ouschi itay kawweekiyen avek tee famee
- kouchee mishchaytwow kisheepaykishchihchaywin.

Ooma ka oushkwashtahk nakishkawtaywin akwawnima li miyoer ka ishi kenawaymishooyin akwa kootakak pakwatem ouschi COVID-19.

Itayitaka chi kwaychim toon doktoer, obstetrician keema en faem aykawschitinawt poor aen foonn keema daan video naasaamblii napwaenmawn, keeshpin si possib. Kawtoutamihk ki weechihikoun chi miyawshkamin didawn-parsonn mamowwiitowin avek kootakak.

Nihtawwikiwin

Nihtawwikiwin maykwawt ooma COVID-19 en malajee kaw-awshoupayik chikee mawshkoot li troub. Namou nawnduw chi gashkayhtamaen, kishaykishin keema or confused. Peekishkway avek toon li piblik la saantii pamihiyaww ouschi tawsheeshi COVID-19 chikee ayimihikoun toon nihtawwikiwin plawn akwa toon famee apray nihtawwikiwin.

Keeshpin aen plawn chi ayawyn nihtawwikiwin didawn daan lapital keema nihtawwikiwin en plass, peekishkway avek toon li piblik la saantii pamihiyaww ouschi:

- toon nihtawwikiwin aen plawn
- tawsheeshi toon plawn chikee mayshkoohtaashtahk akooz ouschi COVID-19

Kishkayhta ooma COVID-19 tawnshi chi tootamihk ouschi weechihiyawwin akwa keewkaywak.

Keeshpin aen plawn chi ayawyn nihtawwikiwin keekouwawhk, peekishkway avek toon en faem aykawschitinawt ouschi:

- pat dawnzhee ka kayschinahow chi paspinatikawin ita ka weekihk
- keeshpin keekouwawhk nihtawwikiwins keyawpit nawashoonikewin didawn toon provayns keema li tayritori

Keeshpin ki ayawn COVID-19, peekishkway ishi toon li piblik la saantii pamihiyaww ouschi tawsheeshi chikee ayimihikoun kaw ayawyn nihtawwikiwin. Avek kwayesh pat dawnzhee noohawashoowin, la poo-daan-la poo akwa nihtawwikiwin chi endawayhtakwahk ishi nihtawwikiwin.

Toon li piblik la saantii pamihiyaww chikee kakayeshkimiwayw kootak specialists poor kiya keema toon beebee ishpee si nissisayr.

Beebee keniwaymowin

Ishpee li beebee kanihtawwkit, chikee ayow COVID-19 ouschi kootakak li moond, akoushchi aenportaan chi nakawinawayk mana nakishkawtoowin avek kootakak.

Chi kenawaymishooyin akwa toon beebee, ahkamaymou chi pimitishahamin ka weestmakayhk prochikee kipihtinikaywin shaymawnk.

Chi weestmakayahk noohawashooowin ishpee si possib. Ashtayw mischayt la sawnte kimiyeutootawkoun akwa miyoumaykiw nawut mischet kenawaymoowin pakwatem ka-awshooshkamatoohk akwa awhkousiwin shawpou li ptsee-iwit akwa kaw-apisheeshihk. Kanooohawashooohk namoo wiya kishkayistakwan chi ashoushkamakayw COVID-19. Noohawashooowin geemiyikiw aenportaan la mawnzhee ka miyooshkakohk poor toon beebee.

Keeshpin ki ayawn etamahchihouwin keema aen kayshchinahoow ayawyin poor COVID-19

Kahkiyuw awiyek por pat dawnzhee chi kayschinahow

Keeshpin ki ayawn keema itaytahmin ki ayawn COVID-19, pikou ka peeyakohk keekouwawhk. Kiyawpit ka ki michiminaw toon beebee la poo-daan-la poo akwa ayahk daan tout la shawnbr, sourtoo ishpee when bonding akwa noohawashooowin.

Pat dawnzhee chi kayschinahow chi miyashkamin ka-awshoohiwiwk ooma la malajee ishi toon beebee.

- Ishpee koushkoupayiwin, poostiska enn mask di malaahjii ishpee tout la shawnbr avek toon beebee.
