Exhibit List

The table below lists all the documents that were marked as exhibits during the public proceedings of the Mass Casualty Commission. In a few cases, through orders issued by the Commissioners, exhibits were entered after the proceedings adjourned. In all, more than 7,600 exhibits make up the public record. Among them are RCMP investigative materials, such as witness statements and transcripts of 911 calls; Commission investigative materials, including interview transcripts; Commission reports, including expert, technical, and investigations supplementary reports; foundational documents; institutional policies and procedures; videos, maps, and images; and correspondence. All materials, or summaries of them, are available for viewing at masscasualtycommission.ca/documents. The orders issued to mark exhibits outside our public proceedings are on this same page.
