

**BUSINESS DEVELOPMENT BANK OF CANADA (“BDC”)
and BDC CAPITAL INC. (“BDC Capital”)**

ANNUAL REPORT on the ACCESS TO INFORMATION ACT

Reporting period: April 1, 2017, to March 31, 2018

1. Purpose of the Act

The purpose of the *Access to Information Act* (R.S.C., 1985, c. A-1) (the “**Act**”) is to extend the present laws of Canada to provide a right of access to information in records under the control of a government institution in accordance with the principles that government information should be available to the public, that necessary exceptions to the right of access should be limited and specific and that decisions on the disclosure of government information should be reviewed independently of government.

2. Annual report

This report is prepared and tabled in Parliament in accordance with section 72 of the Act.

3. BDC’s mandate

BDC’s mandate, as set out in the *Business Development Bank of Canada Act* (S.C. 1995, c. 28), is to support Canadian entrepreneurship by providing financial and management services and by issuing securities or otherwise raising funds or capital in support of those services. BDC’s investments may be held in the name of BDC Capital, a wholly owned subsidiary of BDC. BDC employees, using BDC resources and facilities, perform all administration of such investments. All relevant records relating to BDC Capital are under the control of BDC.

4. Organization of Access to Information Activities, Policies and Procedures

Delegated by the President & CEO, the Assistant Vice President, Compliance and Information Management (the Coordinator), the Assistant Vice President, Legal Affairs, the Counsel and Assistant Corporate Secretary and the Senior Vice President, Legal Affairs and Corporate Secretary are currently exercising the powers, duties and functions under the Act and report to BDC’s President & CEO on access to information matters.

Procedures are in place for directing formal access requests to the Access to Information Coordinator who ensures that they are processed in accordance with the provisions of the Act. The Coordinator is normally occupied part-time at BDC’s Montreal Head Office in carrying out her responsibilities pursuant to the Act, although she is available at all times together with other administrative staff, to process requests as the volume of the activity may warrant.

BDC receives requests from various sources and for all types of information throughout the year. Decisions on waiving of application and of processing fees permitted under the Act are made on a case-by-case basis.

5. Delegation

A copy of the Delegation Order is attached.

6. Statistical Report

As outlined in the attached statistical report, BDC received nine new formal requests in this reporting period and had one request outstanding from the previous period. In relation to the formal requests, nine were completed during the reporting period. The relevant records were completely disclosed in four cases, partially disclosed in three other cases, one request was fully exempted and no relevant records were found in the last instance. In addition, there were twenty formal consultations received from other departments and agencies of Government of Canada concerning requests they treated in which some BDC-related records were involved. All fourteen consultations were completed during the reporting period.

It should be noted that the number of requests remains constant throughout the years at below ten, while the number of pages processed varies greatly depending on the subject matter. Exemptions applied by BDC are limited to sections 18 (a), 19 (1), 21(1) (a) and 24 (1) of the Act and no exclusions were claimed. Two formal requests required an extension of the time limit to be answered. All formal requests and all consultations were completed in the prescribed timeframe.

The breakdown for the source of the new formal requests received during this reporting period is as follows:

- Media: 44 %(4)
- Public 56 % (5).

7. Training

During the reporting period, no training activities were performed.

8. Policies, Directives, Procedures and Initiatives

During the reporting period, BDC did not implement or revise policies, directives and procedures related to the Act.

9. Complaints and Investigations

One new complaint was introduced and was concluded during this reporting period. After investigation, the Office of the Information Commissioner of Canada considered the complaint not to be well founded. No complaint was carried over to the next reporting period.

10. Monitoring of the time to process access to information requests

As BDC does not receive a large number of access to information requests, no formal monitoring of time is conducted.
