Introduction

The *Access to Information Act* (Revised Statutes of Canada, Chapter A-1, 1985) was proclaimed on July 1, 1983. The *Access to Information Act* (the “Act”) gives Canadian citizens and permanent residents a broad right of access to information contained in government records, including Crown Corporations and Agencies, subject to certain specific and limited exceptions.

This Annual Report to Parliament on the *Access to Information Act* is prepared and tabled in Parliament in accordance with section 94(1) of the *Access to Information Act* and covers the period from April 1, 2022 to March 31, 2023.

Canada Enterprise Emergency Funding Corporation (“CEEFC” or the “Corporation”) became subject to the *Access to Information Act* upon incorporation on May 11, 2020.

CEEFC was incorporated as a subsidiary of Canada Development Investment Corporation (“CDEV”) in 2020 to administer the Large Employer Emergency Financing Facility as part of Canada’s COVID-19 Economic Response Plan. This program provides emergency funding support for large Canadian enterprises facing financial challenges in light of the economic impact of the global COVID-19 pandemic. CEEFC was formed to administer this mandate.

Organizational Structure

The Corporation reports to Parliament through the Minister of Finance.

The Corporation has a service agreement in place with CDEV, which includes the provision of Access to Information and Privacy (“ATIP”) services. Two full-time CDEV employees are dedicated part-time to Access to Information and Privacy (“ATIP”) activities for CDEV and its subsidiaries, excluding TMC which has its own ATIP Coordinator and staff. The ATIP department consists of the ATIP Coordinator and one analyst. CDEV retains advice from external legal counsel and independent consultants as needed. CDEV currently has one independent ATIP consultant working approximately 0.25 FTEs.

Summaries of completed Access to Information requests are published on the Open Government portal monthly. The ATIP Analyst is responsible for creating and publishing monthly request summaries and travel and hospitality expenses. As well, the Analyst posts reports tabled in Parliament (such as annual reports or corporate plan summaries) in a timely manner to respect the legislated timelines. The Chief Financial Officer reviews and approves the monthly travel and hospitality disclosures, as well as the reports tabled in Parliament before they are published on the website. The ATIP Coordinator reviews and approves monthly *Access to Information Act* summaries and Annual Reports before they are published.

Delegation Order

The Delegation of Authority Order (Appendix A) is reviewed annually by the head of the organization. The authority to approve or deny the release of departmental information requested under the *Act* is shared by the Chief Executive Officer and the ATIP Coordinator.

Performance and Highlights of the 2022-2023 Statistical Report

Appendix B provides a summarized statistical report on the *Access to Information Act* from April 1, 2022 to March 31, 2023.

One formal request was received during the reporting period and one was carried over from the previous fiscal year. Two requests were closed on or before March 31, 2023 and none were carried forward to the next reporting period.

100% of the two closed requests resulted in the partial release of records. No requests were transferred to another institution. One closed request was completed within 121 to 180 days and one was completed within 181 to 365 days.

All closed formal requests were within the statutory timelines, resulting in an overall timeline compliance rate of 100%.

No active complaints are outstanding from previous reporting periods, and none were received during the current reporting period.

Six formal requests were received and three were closed in the 2020-2021 period. Five formal requests were received and seven were closed during the 2021-2022 reporting period. One formal request was received and two were closed during this reporting period. The number of requests has a downward trend.

The Corporation has not received any consultation requests from another government institution. None were carried over from the previous reporting period.

During the reporting period exemptions were invoked under sections 16(2)(c), 18.1(1)(b), 19(1), 20(1)(a), 20(1)(b), 20(1)(c), 20(1)(d), 21(1)(a), 21(1)(b), 21(1)(c), 21(1)(d), 23 and 24(1). These exemptions are the most commonly used by the Corporation due to the nature of the business.

An extension was taken on one request pursuant to sections 9(1)(a), 9(1)(b) and 9(1)(c). The length of this extension was 181 to 360 days. An extension was taken on another request pursuant to section 9(1)(b). The length of this extension was 121 to 180 days.

Operations were not impacted by COVID-19 during this reporting period.

A Supplementary Statistical Report is included in this report.

Training and Awareness

CDEV management meets regularly with the ATIP office to discuss specific requests and consultations as required. Management are briefed on the status of files and reporting requirements on a regular basis. Summaries of formal and informal ATIP requests as well as consultations and any complaints if any for CDEV and its subsidiaries are presented to the board of directors at least annually.

ATIP training was provided to all staff as well as directors of CDEV and its subsidiaries in June 2023. Two sessions were held, the first being a general information session and the second being an in-depth briefing targeted dominantly at the offices of primary interest. More than 20 employees and directors attended in total.

Informal briefings, and one-on-ones, are scheduled as needed. All staff are informed by email as soon as a new request is received.

Policies, Guidelines, Procedures and Initiatives

ATIP policies, guidelines, procedures and initiatives are reviewed regularly. Changes in technology and software options are considered as they become available.

CEEFC adopted many of CDEV's policies, guidelines and procedures during its first year of operation. There were no changes to policies, guidelines or procedures during the reporting period.

Proactive Publication under Part 2 of the ATIA

CEEFC is a non-agent Crown Corporation and is subject to the Financial Administration Act ("FAA") but is not subject to provisions of the Income Tax Act. Whilst CEEFC is a wholly-owned subsidiary of CDEV, CEEFC has not been consolidated within CDEV as CDEV is not deemed to have control over CEEFC.

CDEV is an agent Crown corporation listed in Schedule III, Part II of the *Financial Administration Act*. CDEV is subject to proactive publication requirements pursuant to sections 82, 83 and 84 of the ATIA. Travel and Hospitality expenses are published within 30 days after the end of the month of reimbursement and reports tabled in Parliament are published within 30 days after tabling. These are published on CDEV's website in both official languages (<https://cdev.gc.ca/reports-expenses-meetings/>). During the reporting period, the institution published 100% of the proactive publications requirements materials within the legislated timelines.

Monthly summaries of completed requests under the Access to Information Act are published on the Open Government website (<https://open.canada.ca/en/search/ati>) in accordance with the legislative timeline.

CDEV regularly tracks the Travel and Hospitality management expenses to allow for an accurate preparation of proactive disclosure.

Initiatives and Projects to Improve Access to Information

In addition to traditional methods of receiving requests such as mail and electronic mail, CDEV uses ATIP Online Management Tools ("AOMT") to receive requests from the public.

CDEV utilizes Access Pro Case Management Redaction software as needed to process requests and apply relevant redactions if and when necessary.

CDEV's website contains a section dedicated to Access to Information and Privacy, where individuals can learn about CDEV's activities and make a request for information.

Summary of Key Issues and Actions Taken on Complaints

No complaints were filed with the Information Commissioner of Canada against the Corporation in 2022-2023 and there are no active complaints outstanding from previous reporting periods.

Monitoring Compliance

Outstanding requests are reviewed regularly to ensure the file is current and processing times are met. The ATIP department holds weekly meetings to ensure that all files are being processed efficiently, timely and in accordance with the Act.

ATIP office uses file trackers and calendar reminders; files are kept and updated to ensure that all requests and their deadlines, as well as any extensions, are being accurately tracked and respected. Requests are reviewed to determine whether consultations are necessary and are taken only when required for the proper exercise of discretion or if there is an intention to disclose. Where information is requested and similar requests have been made, we will refer the requestor to these previous releases as well.

AOMT is accessed every Monday and Friday by the ATIP department to make sure that all new requests have been noted and accounted for.

Summaries of the completed requests under the *Access to Information Act*, that are published on the Open Government portal monthly, are verified for accuracy before, and once they have been published. In case of any discrepancies, relevant corrections are made.

Proactive disclosure of travel and hospitality expenses of CDEV, and subsidiaries, are senior management reviewed, and posted, on a monthly basis on the CDEV corporate website.
