DEPARTMENT OF TRADE AND COMMERCE
OTTAWA - CANADA
Inter-Office Correspondence

Our File No. 18 - 320

Date: December 4, 1952

TO: All Canadian Trade Commissioners

Attention of:

FROM: The Director, Trade Commissioner Service

CIRCULAR LETTER M.I. 800

SUBJECT: TRADE ASSOCIATIONS IN CANADA

1. Trade Commissioners frequently have occasion to refer to lists of industrial, trade and professional associations in Canada. Such lists as have been available in the past are far from complete and an effort has been made to compile an up-to-date listing of as many of the associations in these fields as possible.

2. Under separate cover we are sending you two copies of a list which has just been compiled by the Department from many sources. We do not claim that it is exhaustive and indeed a number of associations have been omitted because we have been unable to secure confirmation of their activities and addresses. Those listed, however, have all been checked within the past few weeks by means of a questionnaire and should be reasonably accurate.

3. Since preparing the master sheets a few additional questionnaires have been returned and we are constantly finding references to associations not previously listed. It is intended, therefore, within the next few months to issue supplementary sheets and thereafter, annually, to revise the complete list. Your co-operation in suggesting any necessary additions, alterations or deletions to the present list will therefore be appreciated.

G. R. Heasman
