Small Business Internship Program

**Increase your productivity
and profitability using
e-business**

Canada 

What can this program do for your business?

- Help you implement an e-business project to grow your business
- Allow you to hire a post-secondary student for a 12-week internship
- Reimburse you for up to 75% of the intern's wages and benefits

Who can apply?

- Established Canadian small and medium-sized enterprises (SME)
- Incorporated or sole-proprietorship SMEs that are for profit
- SMEs that have an existing website and are seeking to enhance their e-business capability

How to apply?

- Interested businesses must submit a project application.
- Full eligibility criteria, program details, application forms and where to apply can be found at www.ic.gc.ca/sbip.
