

CANADA'S
SCHOOLNET

Learning

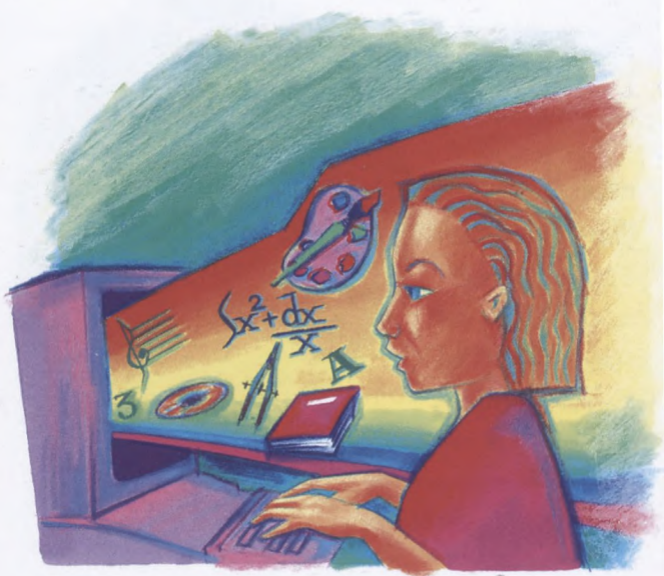

Without

Boundaries

Helping **Canadians** Get

@
Technology

*Experience the excitement of
classrooms without walls,
information without limits,
communication without borders,
all through... Canada's SchoolNet.*

Canada's SchoolNet is an exciting set of educational resources for educators and students alike.

Whether you're interested in science, technology, the arts, or any other subject, SchoolNet offers countless learning tools.

Through SchoolNet, learning comes alive. SchoolNet's vision is to see all young Canadians participate in collaborative online projects and develop the information technology skills required in the global, knowledge-based economy.

Begin the journey into the world of SchoolNet and its partners' initiatives. You can:

- **obtain** refurbished government or business computers...**Computers for Schools**
- **find** the best buys in new computer hardware or software...**Network to Savings**
- **learn** to use technology like a pro—even if it's new to you. SchoolNet offers training tools and services to assist you on your journey...**Learning Tools**
- **explore** the Internet from access sites in your neighbourhood libraries...**LibraryNet**
- **access** a wealth of resources from community centres and other public access sites
...**Community Access Program**
- **create** exciting online classroom projects. Students and teachers share their knowledge with students around the world and earn money for their school...**SchoolNet GrassRoots.**

That's just the beginning
of your journey into
SchoolNet:

- **experience**

learning at its best
through virtual
museums, interactive
quizzes, science projects,
and more

- **...SchoolNet Virtual
Products**

- **discover** Canada's unique heritage
through the perspectives of Canada's First Nations

- **...First Nations SchoolNet**

- **study** great Canadian achievements in
science, literature, history, and more

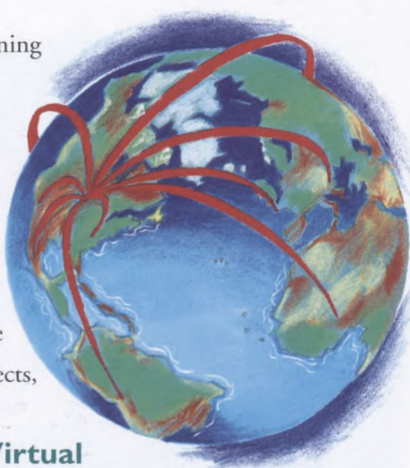

- **...SchoolNet Digital Collections**

- **envision** the great opportunities for
both schools and businesses available through
Canada's SchoolNet as many nations around the
world see the value in SchoolNet's model

- **...Office of International
Partnerships.**

Now, see for yourself. Visit Canada's SchoolNet and
discover what it can do for you:

www.schoolnet.ca

SchoolNet's unprecedented success is due to its valuable partnerships.

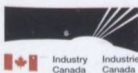

Guidance for the SchoolNet program is provided by the SchoolNet National Advisory Board (SNAB). Board members are leaders of various educational associations, provincial ministries of education, industry, and consortia of technological innovators.

Corporate sponsors are also proud to be part of Canada's SchoolNet, contributing their vision and financial resources to this great Canadian initiative.
