CANADA AWARDS FOR BUSINESS EXCELLENCE

Excellence has always been an important quality of Canadian business, a fact to which Canada's success in the international marketplace bears witness.

The CANADA AWARDS FOR BUSINESS EXCELLENCE were created in 1984 by the the Government of Canada to honour businesses of all sizes and in all industry sectors for outstanding achievements in productivity, performance and innovation. These coveted awards have since become synonymous with the best in Canadian business.

The CANADA AWARDS FOR BUSINESS EXCELLENCE honour achievement in eight categories: Small Business, Productivity, Marketing, Entrepreneurship, Labour/Management Co-operation, Innovation, Invention and Industrial Design.

Selection is by independent teams of private sector experts. In each category the jurors choose up to five trophy winners - one gold, one silver and three bronze. A number of Certificates of Merit are also awarded.

Each year, Canada Awards winners are honoured by their peers and by all Canadians coast to coast.

The benefits are tangible and substantial. Winners become the focus of national attention. A prestigious awards ceremony and national advertising create country-wide recognition.

Winners can exhibit their awards proudly and use the logo of the Canada Awards in all communications. Past winners have noted a marked increase in employee motivation and productivity.

Winning a CANADA AWARDS FOR BUSINESS EXCELLENCE trophy is a considerable achievement, but participation itself can be rewarding by heightening the company's team spirit and pride in its success.
