PART I

INTRODUCTION

INTRODUCTION

This is an update of the Directory of Canadian Consulting Engineers. It is intended to meet the continuing demand for the previous edition now both out-of-date and out-of-print.

The information contained in this directory is also available on-line with Industry Canada's computerized Business Opportunities Sourcing System (BOSS).

Within Industry Canada, the focal point for consulting engineering companies is the Service Industries and Capital Projects Branch, telephone (613) 941-4213, fax (613) 952-9054. This branch plays an active role in the production of this directory, maintains a knowledge base about consulting engineers in Canada and promotes the services offered by this sector.
