BUYERS' DIRECTORY OF CANADIAN FOOD

DEPARTMENT OF REGIONAL
INDUSTRIAL EXPANSION
LIBRARY

This directory gives food buyers a comprehensive, easy reference to made-in-Canada food products.

It lists approximately 1300 companies and 10 000 products, obtained through a 1987-88 survey of all known Canadian manufacturers of food products. The survey was conducted by staff of the Business Opportunities Sourcing System (BOSS) of the Department of Regional Industrial Expansion.

The various BOSS media systems also contain a complete list of this information. If you would like more information, contact :
