At Your Service!

Library and Knowledge Centre

Get the Information Advantage:
Discover your Library

Library and Knowledge Centre
Bibliothèque et Centre du savoir

Canada

Electronic Sources

LibraryLink, the Library's intranet site is your gateway to reliable content:

- 50+ business and specialized sources
- 15,000+ electronic journals
- Media monitoring tools including NewsDesk, Factiva and Eureka

Portfolio Librarians

Librarians assigned to business units provide personalized research help:

- Research support throughout the course of projects
- Setting up search alerts
- Presentations tailored to your group's information needs

Business Books and Journals

Browse our print collections directly from your desktop:

- 63,000+ titles via our Library Catalogue
- Content supporting the major business lines of the department

Loans and Interlibrary Loans

We can provide you with books, journal articles, reports and more:

- We have access to a network of library collections across North America
- We will borrow items on your behalf from other libraries

Procurement

We can procure books, subscriptions and electronic resources:

- Help with contracting and copyright issues
- Facilitate partnerships in the purchasing of costly reports and subscriptions
