LIST OF TABLES

- 1.1 Population, male and female, province or region and Canada
- 1.2 Age distribution of the population, province or region
- 1.3 Population, natural increase and migration, province or region

- 2.1 Labour force characteristics, province or region: participation rates by age and sex, unadjusted data
- 2.2 Labour force characteristics, province or region: participation rates by age and sex, seasonally adjusted data
- 2.3 Labour force characteristics, province or region: labour force, employment and unemployment, unadjusted data
- 2.4 Labour force characteristics, province or region: labour force, employment and unemployment, seasonally adjusted data

- 3.1 Establishments survey employment, province or region, in the goods producing industries. Wages and salaries in MFG and industrial composite
- 3.2 Establishments survey employment, province or region, in the service producing industries and total industrial composite
- 3.3 Establishments survey employment, structure of employment and provincial share

- 4.1 Components of personal income, province or region and Canada
- 4.2 Personal income per person, earned income per person and government transfer payments per person, province or region and Canada
- 4.3 Earned income per person and transfer per person as a percentage of personal income per person, province or region and Canada

- 5.1 Investment, province or region and Canada, in manufacturing primary industries and construction, utilities
- 5.2 Investment, province or region and Canada, in trade finance commercial services, housing institutions and government departments, total investment
- 5.3 Sectoral distribution of total investment, province or region, and investment per person, province or region and Canada

- 6.1 Value added in the goods producing industries, province or region, in agriculture, fisheries, forestry, mining
- 6.2 Value added in the goods producing industries, province or region in manufacturing, construction, electric power and total

LIST OF VARIABLES

Table

Age distribution of the population-----	1.2
0-14, 15-24, 25-39, 40-65, 65+ years of age-----	1.2
Agriculture, see Employment and Value Added	
Births in thousands and birth rate per thousand-----	1.3
Communication, see Employment	
Construction, see Employment, Investment, Value Added	
Deaths in thousands and death rate per thousand-----	1.3
Earned Income, see Income	
Electric power, see Value Added	
Employment-----	2.3 to 3.3
Employment from the Labour Force Survey, unadjusted-----	2.3
Male, Female, Male 25 and over, agriculture, total-----	2.3
Employment from the Labour Force Survey, seasonally adjusted-----	2.4
Male, Female, Male 25 and over, agriculture, total-----	2.4
Employment from the Payroll Survey, in thousands, percentage annual change-----	3.1 to 3.2
Forestry, Mining, Manufacturing, Construction, total goods producing sector-----	3.1
Transportation storage and communication, trade, finance, commercial services, non-commercial services, public administration, total services producing sector-----	3.2
Services as percentage of total-----	3.2
Industrial Composite-----	3.2
Employment from the Payroll Survey, in thousands, structure of employment and provincial share	3.3
Farm Income, see Income	
Finance, see Employment, Investment	
Fisheries see Value Added	
Forestry, see Employment, Value Added	
Housing, see Investment	
Income-----	4.1-4.2-4.3
Wages and salaries (from National Accounts), farm income, government transfer payments, other components, total personal income-----	4.1
Personal income per person in dollar-----	4.2-4.3
Province as percentage of Canada-----	4.2
Earned income per person in dollar-----	4.2-4.3
Province as percentage of Canada-----	4.2
Earned income per person as a percentage of personal income per person-----	4.3

Government transfers per person in millions of dollars-----	4.2-4.3
Province as percentage of Canada-----	4.2
Government transfers per person as percentage of personal income per person-----	4.3
Industrial Composite, see Employment, Wages and Salaries	
Investment-----	5.1-5.2-5.3
Manufacturing in millions of dollar, province as percentage of Canada-----	5.1
Percentage contribution to Province total-----	5.3
Primary industries and construction in millions of dollars, province as percentage of Canada-----	5.1
Percentage contribution to Province total-----	5.3
Utilities in millions of dollars, province as percentage of Canada-----	5.1
Percentage contribution to Province total-----	5.3
Trade, finance and commercial services in millions of dollars, province as percentage of Canada-----	5.2
Percentage contribution to Province total-----	5.3
Housing, institutional services and government depart- ments in millions of dollars, province as percentage of Canada-----	5.2
Percentage contribution to Province total-----	5.3
Total investment in millions of dollars, province as percentage of Canada-----	5.2
total investment per person-----	5.3
Province as percentage of Canada-----	5.3
Labour Force-----	2.1 to 2.4
Male and Female-----	2.3-2.4
Total-----	2.1-2.2
Labour Force population-----	2.1-2.2
Manufacturing, see Employment, Investment, Value Added, wages and salaries	
Migration, net in thousands and rate per thousand -----	1.3
Mining, see Employment, Value Added	
Natural increase, net in thousands and rate per thousand-----	1.3

Net value of production, see Value Added

Participation rates, unadjusted----- 2.1
 Female 14-24, 25 and over, total----- 2.1
 Male 14-24, 25 and over, total----- 2.1
 Total participation rate----- 2.1

Participation rates seasonally adjusted----- 2.2
 Female 14-24, 25 and over, total----- 2.2
 Male 14-24, 25 and over, total----- 2.2
 Total participation rate----- 2.2

Personal income, see Income

Population-----1.1-1.2-1.3
 Male in thousands, province as percentage of Canada----- 1.1
 Female in thousands, province as percentage of Canada----- 1.1
 Total in thousands-----1.1-1.2-1.3
 Province as percentage of Canada----- 1.1
 Change in population in thousands, rate of change
 per thousand

Primary industries, see Investment

Public administration, see Employment

Storage, see Employment

Services, see Employment, Investment

Trade, see Employment, Investment

Transfer, see Income

Transportation, see Employment

Unemployment----- 2.3-2.4
 Unemployment from the Labour Force Survey, unadjusted----- 2.3
 Unemployment rate----- 2.3
 Unemployment from the Labour Force Survey, seasonally
 adjusted----- 2.4
 Unemployment rate----- 2.4

Utilities, see Investment

Value Added-----	6.1-6.2
Agriculture in millions of dollars, annual percentage change, province as percentage of Canada.-----	6.1
Fisheries in millions of dollars, annual percentage change, province as percentage of Canada.-----	6.1
Forestry in millions of dollars, annual percentage change, province as percentage of Canada.-----	6.1
Mining in millions of dollars, annual percentage change, province as percentage of Canada.-----	6.1
Manufacturing in millions of dollars, annual percentage change, province as percentage of Canada.-----	6.2
Construction in millions of dollars, annual percentage change, province as percentage of Canada.-----	6.2
Electric power in millions of dollars, annual percentage change, province as percentage of Canada.-----	6.2
Goods producing sector in millions of dollars, annual percentage change, province as percentage of Canada.-----	6.2
Wages and Salaries-----	3.1-4.1
Wages and salaries from the Payroll Survey-----	3.1
Manufacturing in millions of dollars, per employee-----	3.1
Industrial composite in millions of dollars, per employee-----	3.1
Wages and salaries from National Accounts in millions of dollars-----	4.1

November 23, 1972.

Les données de population dans les Indicateurs Economiques pour les années 1971 et 1972 sont les estimés pour le mois de Juillet de ces années.

Pour la comparabilité avec les années précédentes, pourriez-vous les remplacer par les estimés au 1 Juin.

The population figures in the Economic Indicators for 1971 and 1972 are the latest updated figures for July of those years.

As all previous years' figures are based on June estimates, we would ask you to replace the figures for 1971 and 1972 with the following June figures.

	<u>1971</u>	<u>1972</u>
CANADA	21569	21830
