

# CANADIAN MUSEUM OF NATURE ANNUAL REPORT

## ADMINISTRATION OF THE ACCESS TO INFORMATION ACT

April 1, 2022, to March 31, 2023

Dr. Danika Goosney President and CEO

Canada

## ANNUAL REPORT ACCESS TO INFORMATION ACT APRIL 1, 2022 TO MARCH 31, 2023

## 1. INTRODUCTION

The Access to Information Act gives Canadian citizens the right to access information contained in records under the control of federal institutions governed by the Act. This right is subject to exceptions specified in the Act. Also, decisions made by federal institutions on the disclosure of government information are subject to independent review by the Access to Information Commissioner of Canada as well as by the Federal Court.

The Canadian Museum of Nature's (CMN) *Access to Information Act* Annual Report has been prepared and will be tabled in Parliament according to section 94 of the *Access to Information Act*.

The Canadian Museum of Nature (CMN), a Schedule III Crown Corporation, was established in 1990 by the *Museums Act* and reports to Parliament through the Minister of Canadian Heritage. The Board of Trustees is responsible for setting the strategic direction of the Corporation. The President and Chief Executive Officer is responsible for the day-to-day operations of the Corporation.

The mandate of the Canadian Museum of Nature, as embodied in the *Museums Act* (1990), is:

"To increase, throughout Canada and internationally, interest in, knowledge of and appreciation and respect for the natural world by establishing, maintaining and developing for research and posterity, a collection of natural history objects, with special but not exclusive reference to Canada, and by demonstrating the natural world, the knowledge derived from it and the understanding it represents."

The CMN's major programs and activities include:

#### Public Education:

The Museum develops and maintains exhibitions, programs, the nature.ca website, electronic and print publications, and activities to foster an understanding of, and respect for, nature.

#### **Collections Management:**

The Museum develops, preserve, and makes accessible collections of natural history specimens, objects, and information to meet the growing needs of the public and private sectors for research, education and informed decision-making about the natural world.

## Research:

The Museum studies the past and helps Canadians prepare for the future by conducting systematics research and applied research, and by developing and maintaining networks and linkages with Canadian and international science communities.

## Internal Services:

The Museum develops and implements policies, processes and an accountability structure to oversee the fulfillment of its mandate, including governance, strategic direction, corporate services, monitoring of corporate performance, reporting to Parliament and revenue-generating activities.

## Accommodation:

The Museum provides secure and functional facilities that meet all safety and buildingcode requirements. Among these facilities is the renovated Victoria Memorial Museum Building that furthers the vision and mandate of the Museum.

## 2. ORGANIZATIONAL STRUCTURE

The President of the Canadian Museum of Nature, as designated head (President) of the Museum under the *Access to Information Act*, personally exercises the powers entrusted to the position by the *Act*. The President has delegated power for specific sections of the *Act* to the Vice President, Corporate Services and to the Access to Information and Privacy Co-ordinator.

## 3. DELEGATION ORDER

The Canadian Museum of Nature's Access to Information Delegation Order is attached as Appendix A.

## 4. **PERFORMANCE 2022-2023**

The Museum generally receives a small number of access to Information requests. Given the Museum's mandate to educate Canadians and disseminate knowledge, a considerable amount of information is provided to the public on a daily basis, be it through public displays, printed material, inquiry lines, the Museum's Web site or other media. Statistics on the distribution of this material are provided in the Museum's Corporate Plan and other documents but are not part of this Annual Report.

During the 2022-2023 reporting period, the Museum received two (2) formal access to information requests and one (1) informal request.

- Number of requests responded to within legislated timelines: 0
- Number of requests, broken down by completion times:
  - Within 1-15 days: 0
  - Within 16-30 days: 0
  - Within 31-60 days: 2
  - Percentage of requests for which records were "all disclosed": 0
  - o percentage for which records were "disclosed in part": 1

A copy of the Statistical Report on the Administration of the *Access to Information Act* 2022-2023 is attached as Appendix B.

Below is a table indicating the number of requests received, completed, and carried over in the previous 3 years:

YEAR	# REQUESTS	COMPLETED	CARRIED OVER
2022-23	2	2	0
2021-22	2	2	0
2020-21	0	n/a	0

## 5. TRAINING AND AWARENESS

The CMN's *Records and Information Management Policy* defines the roles and the responsibilities of Museum employees regarding records management and the implementation of the *Access to Information Act*. The Access to Information and Privacy Coordinator provided periodic one-on-one and advice and guidance as required, to CMN staff and Senior Management on Access to Information.

We did not conduct awareness sessions in 2022-23. We now have an agreement with the Canadian School of Public Service which will require staff to attend annual training requirements for the 2023-24 fiscal year.

## 6. POLICIES, GUIDELINES, PRODECURES AND INITIATIVES

No changes were made to the Canadian Museum of Nature's Access to Information related policies, guidelines, prodecures or initatives.

## 7. SUMMARY OF KEY ISSUES AND ACTIONS TAKEN ON COMPLAINTS

As of March 31, 2023, the Canadian Museum of Nature had no complaints against it under the *Access to Information Act.* 

## 8. MONITORING COMPLIANCE

During the reporting period, regular briefings wee provided to the President and CEO and the VP, Corporate Services on the status of the requests that require extensions. This included a weekly review of the material being reviewed with the VP, Corporate Services and status of expected completion.
