NON-COMMISSIONED MEMBERS

Non-Commissioned Members (NCMs) are the skilled experts whose trade specialties and hands-on experience are required to conduct all Navy operations.

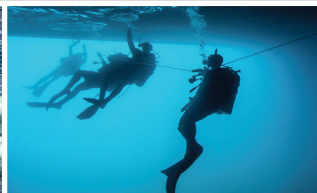

PROGRAM REQUIREMENTS

- All programs involve full time studying during the academic year and military training during the summer months.
- After graduating, work in your field in a military environment.
- Each program requires two months of service for every month of paid education.
- Enrolment does not guarantee a spot at a Canadian college.
