

# CONTENTS

- Introduction and summary  
*D. Lavoie, K. Dewing, M. Bringué, K.M. Fallas, R.A. Fensome, S.A. Gouwy, T. Hadlari, P. Kabanov, L.S. Lane, S. Larmagnat, R.B. MacNaughton, K.T. McDannell, and N. Pinet* .....1
- Introduction et sommaire  
*D. Lavoie, K. Dewing, M. Bringué, K.M. Fallas, R.A. Fensome, S.A. Gouwy, T. Hadlari, P. Kabanov, L.S. Lane, S. Larmagnat, R.B. MacNaughton, K.T. McDannell et N. Pinet* ..... 11
- Geo-mapping for Energy and Minerals program activities in the lower Paleozoic Franklinian succession in the Canadian Arctic Islands  
*K. Dewing and T. Hadlari* .....23
- Hudson Bay, Hudson Strait, Moose River, and Foxe basins: synthesis of Geo-mapping for Energy and Minerals program activities from 2008 to 2018  
*D. Lavoie, N. Pinet, S. Zhang, J. Reyes, C. Jiang, O.H. Ardakani, M.M. Savard, R.S. Dhillon, Z. Chen, J.R. Dietrich, K. Hu, J.A. Craven, B. Roberts, M.J. Duchesne, V.I. Brake, G. Huot-Vézina, J.M. Galloway, A.D. McCracken, E. Asselin, V. Decker, M. Beauchemin, M.P.B. Nicolas, D.K. Armstrong, and K.E. Hahn* .....37
- Overview of the age, evolution, and petroleum potential of the Eagle Plain Basin, Yukon  
*L.S. Lane, K.M. Bell, and D.R. Issler* .....77
- Bedrock mapping and stratigraphic studies in the Mackenzie Mountains, Franklin Mountains, Colville Hills, and adjacent areas of the Northwest Territories, Geo-mapping for Energy and Minerals program 2009–2019  
*K.M. Fallas and R.B. MacNaughton*.....91
- Devonian of the Mackenzie  
*P. Kabanov* ..... 129
- Devonian conodont biostratigraphy of the Mackenzie Mountains, western part of the Northwest Territories  
*S.A. Gouwy*.....159
- Regional and global correlations of the Devonian stratigraphic succession in the Hudson Bay and Moose River basins from onshore Manitoba and Ontario to offshore Hudson Bay  
*S. Larmagnat and D. Lavoie* .....185
- Geo-mapping for Energy and Minerals program: activities in the Sverdrup Basin, Canadian Arctic Islands  
*T. Hadlari* .....215
- The 2020 Canada datapack for TimeScale Creator: a new tool for Mesozoic–Cenozoic stratigraphy of the Canadian North  
*M. Bringué, R.A. Fensome, T.P. Poulton, J.M. Galloway, J.P. Bujak, M.L. Golding, M.J. Orchard, and G.L. Williams* .....237
- Exhuming the Canadian Shield: preliminary interpretations from low-temperature thermochronology and significance for the sedimentary succession of the Hudson Bay Basin  
*K.T. McDannell, N. Pinet, and D.R. Issler* .....287
