Mortgage Loan Insurance Business Supplement

SECOND QUARTER

June 30, 2014

To supplement CMHC's unaudited Quarterly Consolidated financial statements, which are prepared in accordance with IFRS, CMHC uses non-IFRS measures to analyse its performance. The following Mortgage Loan Insurance Business Supplement is prepared for the second quarter ending 30 June 2014 and is intended to help readers better understand CMHC's insurance activities. CMHC believes that these performance measures provide meaningful information that enables greater transparency and clarity with respect to CMHC's residential mortgage insurance underwriting practices.
