## SOCIAL INFRASTRUCTURE INVESTMENTS (SIF) IN AFFORDABLE HOUSING/SOCIAL HOUSING

Budget 2016 (SIF) increased the funding delivered by Provinces and Territories under the Investment in Affordable Housing (IAH) and provided an investment for retrofits and renovations to existing social housing administered by CMHC. Through the base funding IAH budget, the federal government invests more than \$1.9 billion over eight years to March 2019. Through the IAH, provinces and territories cost match the federal investment and are responsible for choosing the programs they design and deliver to address local housing needs and priorities. IAH funding is reported on a commitment basis and spending occurs once claims have been received from the provinces and territories. All figures are reported on a fiscal basis starting April 1 and ending on March 31.

#### OTHER BUDGET 2016 INITIATIVES

CMHC's Housing Internship for First Nations and Inuit Youth (HIIFNIY) program supports internships for indigenous youth by providing work experience and on-the-job training. CMHC also provides up to \$30 million over three years to help homeowners in Québec dealing with costly structural problems in their homes as a result of the presence of the mineral pyrrhotite in their foundations. Up to \$150 million is provided over four years under the Prepayment Flexibility to allow social housing providers (coops and non-profits) to prepay long-term non-renewable CMHC mortgages without penalty. Budget 2016 reallocates \$30 million to renew subsidies through the Rent Subsidies (RGI) initiative for all federally administered social housing projects with operating agreements expiring in the next two years. An investment of \$208.3 million is provided over 5 years under the Innovation Fund which encourages new funding models and innovative building techniques in the rental housing market. All figures are reported on a fiscal basis starting April 1 and ending on March 31.
