# Background

Every two years, the thresholds in the international trade agreements are updated. This Contracting Policy Notice amends the thresholds in Contracting Policy Notice 2013-5 to provide new thresholds, which are expressed in Canadian dollars. All thresholds are for the period January 1, 2016, to December 31, 2017. The thresholds for the AIT remain unchanged.

#### **New Requirements**

Procurements subject to international trade agreements and the AIT must publish Notices of Planned Procurements through the Government Electronic Tendering Service (GETS), which is provided by Public Services and Procurement Canada (PSPC) via the <u>Tenders page</u> on the Buyandsell.gc.ca website.
