

AGREEMENT with SOCIAL and DEMOCRATIC VALUES in Canada

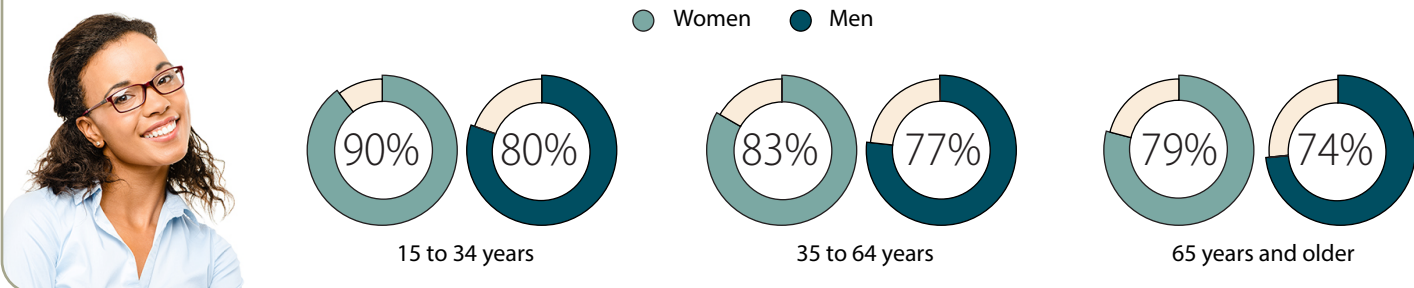

Most people greatly agreed with social and democratic values

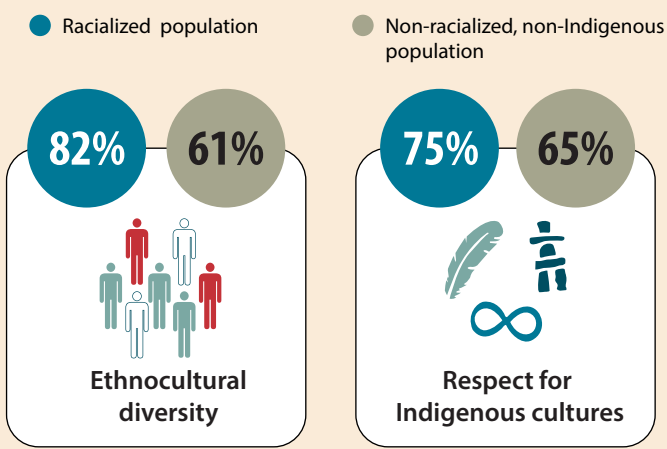

Gender equality, respect for Indigenous cultures and ethnocultural diversity were more highly valued by women

Younger women were the most likely to greatly agree with gender equality

Racialized people showed greater support for ethnocultural diversity and respect of Indigenous cultures

The majority of French speakers greatly agreed with linguistic duality

French and English speakers | People who speak only French | People who speak only English
