

Annual Report on the *Access to Information Act*, 2022-2023

prepared by Laurentian Pilotage Authority

1. Introduction

> Brief summary of the purpose of the *Access to Information Act*

The purpose of this Act is to enhance the accountability and transparency of federal institutions in order to promote an open and democratic society and to enable public debate on the conduct of those institutions.

> Statement that the Annual Report is prepared and tabled in Parliament in accordance with section 94 of the *Access to Information Act*

The Laurentian Pilotage Authority (« **Authority** ») is a Crown Corporation listed in Schedule III, Part 1 of the *Financial Administration Act*. It was constituted on February 1, 1972, pursuant to the *Pilotage Act*.

The Authority is financially self-sufficient and reports to the Minister of Transport Canada.

It is directly responsible for the implementation and administration of the *Access to Information Act* in compliance with Section 94 of the said Act.

> Authority mandate

As the gateway for marine pilotage services on its territory, the Authority is responsible for all aspects related to pilotage, making it a turnkey organization. Its legislative mandate also gives it the responsibility to set the pilotage charges, which must remain reasonable and fair to its customers while allowing it to operate on a self-financing basis.

In this regard, its legislative mandate is based on the following principles and objectives¹:

- That pilotage services be provided in a manner that promotes and contributes to the safety of navigation, including the safety of the public and marine personnel, and that protects human health, property and the environment;
- That pilotage services be provided in an efficient and cost-effective manner;
- That risk management tools be used effectively and that evolving technologies be taken into consideration;
- That an Authority's pilotage charges be set at levels that allow the Authority to be financially self-sufficient.

2. Organizational Structure

The Authority discharges its responsibilities under the *Access to Information Act* through the Legal Affairs Department. Access to information requests are received and processed by the Access to Information Coordinator, who consults with various internal stakeholders as required, depending on the nature of the request.

The Authority's Access to Information Office is staffed by two individuals, a Coordinator and an Assistant. The Assistant is responsible for the proactive publication of access to information requests received on the Open Government website.

The Authority has not entered into any agreements with any other government institution to provide services under the *Access to Information Act* pursuant to section 96 of that Act during the period covered by this Report.

3. Delegation Order

A copy of the signed and dated Delegation Order in effect at the end of the reporting period is attached. The Delegation Orders specify the powers, duties and functions for the administration of the *Access to Information Act* that has been delegated by the Chairman of the Board of Directors at the time of the Delegation Order.

¹ *Pilotage Act* R.S.C., (1985), c. P-14), section 2

4. Performance 2022-2023

> **Overview of key data on the Authority's performance for the fiscal year, as reflected in the Authority's Statistical Report for 2023-2023**

During the reporting period, the Authority received one formal request under the Access to Information Act, which was abandoned in the same week. The other request received was considered informal. Consequently, the Authority has not received any formal requests under the Access to Information Act requiring a response within the timeframe prescribed by the Act. Specifically, the informal request received was responded to between 181 and 365 days after receipt. All relevant information was communicated and disclosed in full to the applicant, without invoking any exceptions or exclusions. No requests required partial disclosure of additional documents. All applicants were satisfied with the responses received. None of the requests received during the period of this and previous Reports remain active; they have all been answered and are closed.

The Authority has not received any complaints regarding the processing during the current and the previous reporting period.

Based on multi-year trends, the Authority processes a low volume of requests, so it remains able to respond to all requests it receives within the prescribed legislated timelines and without any extensions.

The Authority reports that the impacts of COVID-19-related measures have not affected its operations or its ability to fulfill its *Access to Information Act* responsibilities during the current and the previous reporting period.

The *Access to Information Act* Statistical Report Form 2022-2023, validated by the Treasury Board of Canada Secretariat (« TBS »), providing detailed data on the Authority's performance is attached to this Annual Report.

5. Training and Awareness

No structured training and awareness activities related to access to information were provided to the Authority employees during the reporting period.

6. Policies, Guidelines and Procedures

There are no other institutional policies, guidelines or procedures were implemented other than complying with the requirements of the Act as set out in the Regulations.

7. Proactive Publication under Part 2 of the *Access to Information Act*

The Authority is a Crown Corporation listed in Schedule III, Part 1 of the *Financial Administration Act*, therefore, the Authority is not subject to the proactive publication requirements of Part 2 and sections 74 to 78 of the Access to Information Act.

However, the Authority does publish requests received on the www.open.canada.ca Website.

8. Initiatives and Projects to Improve Access to Information

The Authority did not implement or undertake any specific initiatives or projects to improve Access to information during the reporting period.

9. Summary of Key Issues and Actions Taken on Complaints

No key issues were raised as a result of access to information complaints for the current year, no complaint, verification or investigation have been received during the period.

10. Reporting on Access to Information fees for the purposes of the *Service Fees Act*

The *Service Fees Act* requires a responsible authority to report annually to Parliament on the fees collected by the Authority.

With respect to fees collected under the *Access to Information Act*, the information below is reported in accordance with the requirements of section 20 of the *Service Fees Act*.

The Authority confirms that the \$5 application fee is the only fee charged for a formal Access to information request.

Total revenue for the 2022-2023 fiscal year is \$0.

Following of the cancellation request, the Authority has waived the application fee.

The total cost of operating the program related to the application of the Act is \$15,000 for the fiscal year.

11. Monitoring Compliance

Due to the low volume of access to information requests, the Authority, through its Coordinator, monitoring as conduct as an informal follow-up of the time spent to process such requests. No request has been received nor completed during the period. All reasonable efforts are undertaken by the Authority in order to process all requests in accordance with the Law's prescribed delays.
