## Introduction

The *Privacy Act* (the “*Act*”) came into force on July 1, 1983. The *Act* governs how the federal government may collect personal information, restricts the use and disclosure of this information, and gives individuals a right to review and correct their personal information.

Section 72 of the *Act* requires every head of a federal government institution to submit a report to Parliament on the administration of the *Privacy Act* within their institution during the fiscal year. This report presents an overview of *Privacy Act* activities carried out within Standards Council of Canada (“SCC”) during the reporting period of April 1, 2021, to March 31, 2022.

SCC is a Crown corporation established by an act of Parliament in 1970 to foster and promote voluntary standardization in Canada. It is independent of government in its policies and operations, although it is partially financed by parliamentary appropriations.

The mandate of SCC is to:

- promote the participation of Canadians both in voluntary standards activities and in public-private sector cooperation in relation to voluntary standardization in Canada;
- coordinate and oversee the efforts of the persons and organizations involved in Canadian goods and services through standards-related activities;
- develop standards-related strategies and long-term objectives.

Further, SCC promotes efficient and effective voluntary standardization in Canada to advance the national economy, support sustainable development, benefit the health, safety and welfare of workers and the public, assist and protect consumers, and facilitate domestic and international trade.

## Organizational Structure

The ATIP Division is part of the Corporate Services Branch and is the central coordinating body for all access to information and privacy (ATIP) responsibilities of SCC. It processes all requests received by SCC under the *Privacy Act* and the *Access to Information Act (ATI Act)*. As well, it directs all administration, application and promotion of ATIP activities within SCC. It provides advice to senior management on the implementation of the statutes and prepares reports to Parliament, the Treasury Board of Canada Secretariat and senior management. The ATIP Division represents SCC in complaints and investigations conducted by the Office of the Information Commissioner of Canada (OIC) and by the Office of the Privacy Commissioner of Canada (OPC), and in any Federal Court applications arising from ATIP matters.

The ATIP Division is comprised of a single full-time employee, SCC’s Program Manager, ATIP. The Program Manager, ATIP, fully supports and develops all aspects of the ATIP program and is SCC’s ATIP Coordinator.

## Delegation Order

Decision-making responsibility for the application of the various provisions of the *Privacy Act* has been formally established and is outlined in the Delegation of Authority instrument. The current delegation order was approved by SCC’s Chief Executive Officer on July 7, 2021. A copy of the delegation order pertaining to the *Privacy Act* can be found in Appendix B of this report.

This delegation order instrument provides full delegated authority under the *ATI Act* and *Privacy Act* to the Vice-President, Corporate Services and CFO, the Senior Director, Corporate Planning, Finance and Administration and the Program Manager, Access to Information and Privacy (ATIP).

## Highlights of the Statistical Report 2021-2022

The SCC’s statistical report on the *Privacy Act* is included in Appendix A of this report.

Between April 1, 2021, and March 31, 2022, SCC has received no request under the *Privacy Act*. No active request is outstanding from previous reporting period.

Figure 1 displays the number of privacy requests that were received by SCC from 2016–2017 to 2021–2022.

**Figure 1**

## Corrections

Paragraph 12(2)(a) of the *Privacy Act* gives individuals a right to request a correction of personal information about them held by the federal government. No corrections were requested or made in the 2021–2022 reporting period.

## Disclosure under Subsection 8(2)

Paragraphs 8(2)(e), (f), (g), and (m) of the *Privacy Act* permit the disclosure of personal information to various investigative/regulatory bodies or to Members of Parliament, or if disclosure is in the public interest.

No disclosures under subsection 8(2), including under paragraph 8(2)(m) of the Act, were completed in the 2021–2022 reporting period.

## Consultations

In 2021–2022, SCC did not receive privacy consultation from another federal government institution or from other organizations.

## Costs

The total salary costs associated with the administration of the *Privacy Act* activities amounted to \$8,915.00 for this reporting period.

The human resources required to administer the *Privacy Act* amounted to 0.1 full-time equivalents (FTEs) for this reporting year.

## Impact of COVID-19-Related Measures

The COVID-19-related measures did not have a significant impact on the ability of SCC to fulfill its obligation under the Act. SCC developed mitigation measures to be able to fulfill its obligations such as the use of VPN enabling employees to work remotely. The ATIP Division also favors the use of electronic means to communicate with requesters and respond to requests.

## Training Activities

The ATIP Division regularly provides advice to SCC's staff on the processing of ATIP requests as well as the interpretation of the *Privacy Act*, and of the *Access to Information Act*, to ensure the efficient and consistent processing of all requests received by SCC.

As part of SCC's onboarding process, the ATIP Division provides training session on an ongoing basis to all new SCC's employees, including both staff and executive. There were twenty-nine new employees who received this training during the present reporting year. Also, a presentation was held at an all staff meeting to explain the procedure to follow in case of a privacy breach. Around one hundred employees attended.

## Policies, Guidelines, Procedures and Reporting

### Policies and Guidelines

SCC relies on the access to information policies and guidelines developed internally and by the Treasury Board of Canada's Secretariat. SCC's ATIP Division completed developing a Data Breach Management Policy, which includes a Privacy Breach Policy.

## Monitoring

The SCC ATIP Division regularly monitors the timeliness and trends associated with the processing of requests through ongoing communication with branch and directorate liaison contacts.

## Publicly Accessible Information and Inquiry Points

Info Source is a series of publications containing information on the Government of Canada and on the Government's data collection activities. Info Source is intended to help the public access government information and to exercise their rights under the *Privacy Act* and *Access to Information Act*.

SCC's comprehensive website provides information on SCC's policies, its organizational structure and the means to contact SCC's officials. In accordance with the federal government's policy of proactive disclosure, SCC's website also allows access to internal evaluations and audits, as well as information on travel and hospitality expenses.

To comply with the *Privacy Act*, SCC has a designated public reading room. The room is located on the sixth floor, 55 Metcalfe Street, Ottawa, Ontario.

## Data Sharing Activities

SCC did not undertake any new internal or external data sharing activities in 2021–2022.

## Exempt Personal Information Banks

SCC has no exempt Personal Information Banks.

## Privacy Impact Assessments

To fulfill its mandate, some of SCC's responsibilities require the collection, use and disclosure of personal information. As a trusted custodian of this information, SCC uses Privacy Impact Assessments, in accordance with Treasury Board of Canada Secretariat's policy, as an adequate risk management tool. Although SCC did not complete any Privacy Impact Assessments during the reporting period, the ATIP Division regularly provides advice to SCC's employees on privacy related matters.

## Material Privacy Breaches

There was no material privacy breach during the 2021-2022 reporting period.

## Complaints, Audits, Investigations and Appeals

Applicants have the right to register a complaint with the OPC regarding any matter relating to the processing of a request.

No complaints were filed with the OPC against SCC during the 2021–2022 reporting period and none is outstanding from previous reporting periods.

## **Applications for judicial review in Federal Court and Appeals to the Federal Court of Appeal**

No applications were filed against an SCC's decision.
