## **Fourth Revisions and Errata**

**Issued by the  
Canadian Commission on Building and Fire Codes  
National Research Council of Canada  
Ottawa**

**January 1994**

The attached pages identify revisions and errata to the Canadian Plumbing Code 1990. The revisions have been approved by the Canadian Commission on Building and Fire Codes for immediate release.

In accordance with the CCBFC Policies and Procedures, the list of referenced documents in Table 1.9.A. of the 1990 CPC is updated annually. The revisions contained herein include updates to 30 June 1993. Where changes to the title have been made, the relevant requirements have also been updated.

The errata are corrections which have been identified and are included to facilitate the use of the Code. Revisions are identified by an **r** in the margin nearest the change; **r4** designates a revision issued in January 1994. Errata are identified by an **e**.
